PRE-DELIVERY INSPECTION FACILITY
20,000 square feet of quality assurance. The bare essentials for a premium product. This state-of-the-art facility gives immediate daily feedback to production for quality assurance in every unit built.

1) Forest River, Inc. dealers are independently owned and operated businesses so priority service and scheduling is at their discretion and is often provided to customers that purchased their unit at that dealership.
2) Purchasing locally allows customers to establish meaningful relationships with a dealer, enhancing the RV experience through assistance with product questions, user tips or RV regulations for your state or country, and much more!
3) Canadian customers must meet requirements to bring an RV purchased out of the country to their home. These requirements may involve additional inspections and certifications, taxes and fees. Your local Canadian Dealer is a professional at meeting these requirements.
4) Scheduling timely warranty repairs and adjustments through a local dealership provides for greater flexibility and convenience to you, the customer!

Go Big. Go Bold. Go XLR!
Choose the Nitro that fits your lifestyle from three travel trailer floorplans and two fifth wheels. Plan a extreme outdoor adventure or a fully outfitted family vacation. The possibilities are endless. These versatile floorplans grow with your family and can accommodate any lifestyle.
