XTENDED LIVING RECREATION

XLR THUNDERBOLT

THE BOLDER SIDE OF LUXURY LIVING
All Thunderbolts are built with the largest frameless windows available for the best view of the great outdoors. This model has it all...more kitchen drawers than many homes, a huge hallway pantry, a deep bowl sink with plenty of countertop area, making food prep a cinch. A standard recliner and trifold sofa provide the ultimate in comfort. The North/South loft design allows for the perfect TV viewing angle for movie night, too.
THE BOLDER SIDE OF LUXURY LIVING

Sleek and enticing, XLR Thunderbolt toy haulers raise the standard for luxury living. Built for the seasoned RV enthusiast, Thunderbolt’s style is bold and uncompromising. Floorplans are carefully planned to create cohesive living spaces that lead the eye from room-to-room. Rich Cognac Maple wall panels, plush contemporary upholstery, solid surface countertops and custom cabinetry create a warm, inviting ambience.

415AMP This spa-style bathroom features a full sized shower with a built-in seat and glass door.

415AMP This roomy king master suite is the perfect place to unwind after an eventful day. Rich, deep earth tones, vibrant accents, a walk-around bed, a sizable walk-in closet, and contemporary styling create a luxurious retreat.

415AMP This kitchen is loaded with convenience features designed to make food prep a breeze, including a 12 cu. ft. refrigerator, island sink, and tons of storage.
Dressed to Thrill

Distinctively bold styling sets XLR Thunderbolt apart. Thunderbolt’s contemporary floorplans offer the ultimate in comfort and convenience with outstanding storage capacity, residential style galleys, spacious living areas, name brand amenities and private sleeping quarters.

Every Thunderbolt bedroom suite comes with a gel memory foam mattress, under bed storage, and an extra deep slide out for plenty of space to dress. Mirrored doors open to reveal a front end closet with ample hanger space, abundant shelving, and a dresser. Tall ceilings and cross-ventilation windows add headroom and fresh air to an already sumptuous living space.

This slide out features standard theater seating adjacent to the 12 cu. ft. refrigerator for easy access to snacks and beverages.
Get together and enjoy the view. This unique dual slide seating arrangement includes an L-shaped lounge and a trifold sofa for comfortable and relaxing conversation. This open concept floor plan puts the family "chef" where the action is. The kitchen has a telescoping countertop, rich Cognac Maple cabinets, loads of storage, and a 22" oven with 3-burner cooktop. Need more room? The versatile garage accommodates guests, gear and good times. The standard sliding glass patio door also lets you keep an eye on activities at the kid's table.
This spacious master suite features his and her wardrobes, a computer workstation, a built-in dresser with deep drawers, plenty of walk around bed space, and a full, floor-to-ceiling entertainment center (not shown).

This spacious bathroom has a solid surface countertop and boasts one of the largest vanities in the industry, complete with a generous medicine cabinet. The blue LED shower light works as a subtle night light.

Cook up something amazing on the three burner cooktop and oven. This kitchen is a great place to entertain with an oversized island bar and tiered solid surface countertop, a 12 cu. ft. refrigerator, Bluetooth media center, LCD HDTV, and a large coat closet.
Thunderbolt's interior styling sets the stage for a good time with 7'6" main slide rooms, panoramic windows, solid surface countertops, an ultra-deep 60/40 stainless steel sink with high-rise gooseneck faucet, a quad door 12 cu. ft. refrigerator, contemporary pendant lighting, and an oversized pantry with adjustable shelves. This 395AMP has a 14' rear living zone and even storage for pet bowls underneath the oven. (Optional trifold sofa with dual recliners shown.)
The Happijac electric bed/dinette can transform the rear living zone from a dining room, to a bedroom, to a garage, and back again in just a few minutes. An optional electric fireplace is also available.

After a day of playing hard, rich deep earth tones and vibrant accents with contemporary styling create a warm, welcome feeling that sets this stylish RV apart from the rest.

This inviting North/South 60” x 80” queen bedroom suite has a Dream Comfort Gel Memory Foam Mattress, overhead storage, his and her nightstands, charging stations, and a dresser/wardrobe.
350X12HP This opposing slide, tandem axle model feels like home. The oversized windows and huge solid surface countertops create an inviting place to cook and kick back. This model is shown with our overhead storage option in place of the standard loft configuration.

Why XLR Thunderbolt?
Thunderbolt toy haulers are bold, luxurious and loaded for adventure. Floorplans are carefully planned to create plush, well appointed, living spaces that flow from room-to-room with contemporary appeal. With double and triple slide-outs, 12’ and 14’ garages, and a 102” widebody design with vacuum bonded aluminum construction, the choice of rock-solid configurations is up to you.

1) Forest River, Inc. dealers are independently owned and operated businesses so priority service and scheduling is at their discretion and is often provided to customers that purchased their unit at that dealership.

2) Purchasing locally allows customers to establish meaningful relationships with a dealer, enhancing the RV experience through assistance with product questions, user tips or RV regulations for your state or country, and much more!

3) Canadian customers must meet requirements to bring an RV purchased out of the country to their home. These requirements may involve additional inspections and certifications, taxes and fees. Your local Canadian Dealer is a professional at meeting these requirements.

4) Scheduling timely warranty repairs and adjustments through a local dealership provides for greater flexibility and convenience to you, the customer!

It is the goal of Forest River, Inc. that all of our RV owners fully enjoy the RV experience and that customer satisfaction meets or exceeds their expectations!

Pre-Delivery Inspection Facility
20,000 square feet of quality assurance. The bare essentials for a premium product. This state-of-the-art facility gives immediate daily feedback to production for quality assurance in every unit built.

24/7 Emergency Roadside Assistance
