The Smart Choice For The Experienced RV'er
Premium Corian® Countertops Designed for Living

You’ll love this easy living kitchen featuring premium Corian® Ravine Countertops. Cedar Creek’s warm inviting kitchen is designed with plenty of storage space, premium Stainless Steel appliances and everlasting stainless steel under mounted sinks. Paradise decor shown with optional leather La-Z-Boy® Reclina-Gliders.
Raised Panel, Cherry Hardwood Cabinetry • Hardwood Fascia • Satin Nickel Hardware • Hidden Hinges • Radius Ceiling • LED Gig Lighting with lifetime warranty • Shaw® Carpet • Freestanding table with Leaf Extension • Dirt Devil Central Vac with Automatic Dustpan® • Home Theater System with Wi-Fi • Hide-A-Bed Sofa All designed with Experienced RV’ers in mind.

Anything but basic – this modern luxury kitchen is a central living space to prepare meals, enjoy dinner and relax comfortably with family and friends.

Kitchens Feature:
• Stainless steel 30” microwave
• Stainless steel large oven with Piezo igniter and sealed burners
• Congoleum® Diamondflor
• Wood front 9 cu. ft. refrigerator
• Optional 18 cu. ft. stainless steel electric residential refrigerator with inverter
• Optional 13 cu. ft. SidexSid wood fascia gas/electric refrigerator
• Cedar Creek’s one-of-a-kind Hoosier Cabinet with sliding Corian® counter extension and utility garage create an abundance of beauty, versatility, and storage space.
Imagine traveling without leaving behind the comforts of home, or taking a turn just to see where the road leads. Experience luxurious living in a Fifth Wheel that’s tough enough to handle the rigorous travel of life on the road. Experienced RVers appreciate the feeling of safety and security Cedar Creek delivers. Shown with optional Gunslinger recliners in Cognac Taupe.
Pleasurable dining with a view ... the Freestanding dining table with an extension is surrounded by automotive frameless windows for a seamless transition between the outdoors and indoors.

This Center island kitchen features an optional 18 cu. ft. electric residential refrigerator with an ice maker, surrounded with 15 full extension, pull-out drawers, including three large pot and pan drawers for maximum storage capacity.
Cedar Creek’s exclusive walk-in closet is washer/dryer prepped and features a rotating closet organizer, shoe caddy, belt rack, shirt rack, and deep full extension drawers providing more hanging storage than any other fifth wheel on the market today!

Cedar Creek’s beautiful custom designed interiors are loaded with comfort and amenities. Relax a little longer in our private bedroom retreat. Each Serta® Dreamscape Mattress is a full 60” x 80” or choose an optional King size bed. An optional upgraded Trump Luxury Home residential mattress with memory foam comfort is also available.
Comfort and elegance is balanced with practical RV Living with efficient floor plans that create an abundance of choices to fit your lifestyle. Shown in Biscotti decor with optional leather chairs.

Cedar Creek’s bathrooms all feature a 48” residential, one-piece fiberglass rectangular shower with sliding glass doors, a large seat and an upgraded shower head. Forest River’s water filtration system supplies the shower and sink with filtered water. An 18” circular flow porcelain toilet and linen cabinet complete this spacious bathroom.
Four large 36” wide bunks can accommodate two optional Hide-a-Beds or Jackknife sofas for extra sleeping space. Access the standard second bathroom from the Bunk room or from outdoors. Shown in Champagne decor.

36B4 Exterior Kitchen option includes a two burner cooktop, kitchen sink, outlets, drawers, cabinets and a huge work surface for families and friends that love playing outdoors. A standard outside refrigerator keeps food and beverages on hand.
This amazing entertainment center includes a 40” Jensen Television with Remote, Full HD, 1080p Blu-Ray Player with Wireless Vizio Internet Apps, Home Theater Sound Bar, and Subwoofer, AM/FM/CD Receiver, plus an iPod/iPhone Cradle. Shown in Paradise decor.
Dirt Devil® CV950 central vac cleaning system with VacPan™ automatic dustpan at entry door.

Another feature that we’ve taken from residential construction is our super quiet “HP” (High performance) 15,000 BTU air conditioning system, which includes a larger compressor and cold air returns! This means 30% more air is being forced into the coach than a standard 15,000 air conditioner.

Cedar Creek’s audio, video, and home theatre system gives you so much more than our competitors, making for a great experience on the road. Built-in Wi-Fi allows easy, high-quality connection to your favorite wireless networks such as Netflix, Hulu Plus, Pandora, and Facebook.

Live life comfortably with our standard La-Z-Boy® Reclina-rockers. Choose from Fabric, Gunslinger Microfiber, or True Leather (Lifetime warranty on parts).

“Made in the USA” 20 watt LED Gig lighting throughout our cabin creates a brighter, white light, is cool to the touch, and uses 80% less electricity. What’s not to love about that?

This dishwasher is available on 34RLSA, 36CKTS, and 36RE.

Non-mechanical roof mounted holding tank fume extractor prevents holding tank odors from invading living space, while maximizing tank capacity. No chemicals required.

Sealed burners create the ultimate in function without sacrificing beauty with our standard stainless steel oven. High output super burners, heavy duty removable grates, and piezo ignitors complete this residential style stove.
Removable “Soft Top” Vinyl Storm Doors allow light and visibility without losing cooling or heating.

Wireless Remote Control – A Forest River exclusive that has controls for the electric awning, slide rooms, all jacks including the optional “level-up”, and security entrance lighting.

Docking Station includes outside shower, black tank flush, water filter, dump valves, and water tank fills for centralized convenience.

Cedar Creek’s original design “2” Frame. This frame gives our customers over 100 cu. ft. of storage space, turning their front storage compartment into a front storage shed.

Aluminum metal is wrapped all the way to the frame for a clean, crisp looking exterior.

Automotive frameless windows give this coach’s exterior an elegance only seen in high dollar fifth wheels.

“Level-Up”™ 6 Point Hydraulic Stabilization System

Leveling and stabilizing a fifth wheel has never been an easy task until now. The patent pending “Level-Up” technology makes set ups easier, faster, and a lot safer than the old style 4-point system. With the IR wireless remote you can visually observe coach and slide-room movement, side to side and front to back.

Stabilization is one of the most important features of this option, allowing no movement within the coach once the legs have been set. The system is even powerful enough that if you need to achieve a level unit, with the tires off of the ground, this system can handle it.

Rated #1 Customer Preferred Option
Aluminum Frame Construction

Side Walls R-Value (9)
- Handmade 2 x 2 - 16" (or less) on center sidewalls with individually fastened custom "L" brackets combined with Uniroyal® Silaprene adhesives for a strong flexible frame without welding or lamination. (475 PSI at 2" per minute, marine grade)
- Nobel Classic True Gelcoat exterior – the best of the best in fiberglass
- All baggage doors and entry doors are made out of Nobel Classic True Gelcoat exterior to prevent uneven aging of your unit
- Royal Silaprene® Bonded Sidewalls Resilient, grows stronger with age. Also has outstanding resistance to UV, heat, cold, moisture, oils, gasoline, highway chemicals, and creates a bond that cannot delaminate with time
- Sidewalls are bolted to the floor with 5/16" x 6-1/2" carriage bolts at each outrigger

Floors R-Value (38)
- 3" Aluminum frame floor with in-floor heat ducting and radius "L" brackets combined with Uniroyal® Silaprene adhesives
- 5/8" Tongue and groove plywood
- Cambered 10" + 2" I-Beam "Z" frame with large support outriggers and full length welds
- 5/8" Tongue and groove marine grade, plywood floor is attached to the aluminum frame with Silaprene and screwed every 6"
- Darco waterproof underbelly
- Fully enclosed 4' x 8' ABS removable panels for easier access into the underbelly. We use wood stringers to attach with no holes in the frame

Roof R-Value (38)
- Full length 3/8" wood roof decking for a full walk-on roof (Screwed - not stapled)
- Triple layer insulation supplements the cohesive retention factors of roof decking and rubber membrane
- 2 x 2 - 16" OC -5" truss roof rafters with 8" wide circular air duct. Circular ducting combined with our high performance (bigger compressor) air conditioner and Cedar Creek achieve a 30% increase in air conditioning performance over our competitors in hotter climates
- Two ply – Tuff Ply rubber roof membrane with built-In fire retardant
- Full length drip rails with spouts from the front to the rear

Cold room tested to zero degree Fahrenheit with standard insulation and heating pads with no tank freezing!
State-of-the-art construction techniques along with top grade building components give Cedar Creek its reputation for long-lasting quality.

**Construction Features**

- Roof is bolted to sidewall with 5/16” x 3-1/2” carriage bolts
- New 3” roof radius
- Radiant shield insulation – 97% reflectivity, 3% emission
- Fully ducted 15,000 BTU high output A/C with cold air returns that are also braced and wired for an optional ducted second A/C

**Superior Performance**

**Dexter Axles/Brakes/ Suspension For Performance and Safety**

- Nev-R-Adjust™ Brakes are always properly adjusted for improved stopping power in half the distance
- E-Z Flex™ rubber equalization system with 1/2” link plates and eight grease zerks per side
- Heavy duty axles with bronze bushings in shackles (No plastic bushings like our competitors)
- Eight lug, LT, “G” rated, Goodyear tires on 7000 axle units (36RE, 36CKTS, 36MDX, 36B4, 38FL) American Made! (Optional on 34RLSA)

Compare acceleration forces experienced by an axle and trailer while traveling over railroad tracks at 30 MPH. The E-Z Flex® System provides up to an 80% reduction in forces on the trailer frame vs. a standard equalizer. E-Z Flex® significantly outperforms all other competitors in the same road test for a smoother, more protective ride for your trailer and cargo.

- Residential Glasswool Insulation, designed by nature.
- High-Performance Quiet Zone™ Ducted Air System consists of the 15,000-BTU HP air conditioner, a residential-style return air duct system and Comfort Control Center which create a dynamic combination with a powerful result. The result is the most power-efficient AC system in existence with both the industry’s highest-performance air conditioner and the industry’s lowest power draw.

- Cedar Creek’s famous residential All-aluminum Super-structure (Roof, sidewalls, and floor) on 16” centers or less.
- 3” Aluminum floor studs, heat duct and 5/8” tongue and groove plywood floor.
- Aluminum window frames.
- Radiant shield Therma-foil – R-38.
- True Nobel Classic fiberglass gelcoat exteriors and end walls. Truly the best of the best in fiberglass. Accept no imitations.
