You’ll love this easy living kitchen featuring premium Corian® Ravine Countertops. Cedar Creek’s warm inviting kitchen is designed with plenty of storage space, premium Stainless Steel appliances and everlasting stainless steel under mounted sinks. Paradise decor shown with Lux Cocoa La-Z-Boy® recliners and Hide-a-Bed sofa.

Premium Corian® Countertops Designed for Living
Raised Panel, Cherry Hardwood Cabinetry • Hardwood Fascia • Satin Nickel Hardware • Hidden Hinges • Radius Ceiling • LED Gig Lighting with lifetime warranty
• Shaw® Carpet • Freestanding table with Leaf Extension • Dirt Devil Central Vac with Automatic Dustpan® • Fan-tastic Fan with Rain Sensor and Thermostat
• Hide-A-Bed Sofa • All designed with Experienced RV’ers in mind.

Anything but basic – this modern luxury kitchen is a central living space to prepare meals, enjoy dinner and relax comfortably with family and friends.

Kitchens Feature:
- Stainless steel 30” microwave
- Stainless steel large oven with Piezo igniter and sealed burners
- Congoleum® Diamondflor
- Wood front 9 cu. ft. refrigerator
- Optional 18 cu. ft. stainless steel electric residential refrigerator with invertor
- Optional 13 cu. ft. SideBySide wood fascia gas/electric refrigerator
- Cedar Creek’s one-of-a-kind Hoosier Cabinet with sliding Corian® counter extension and utility garage create an abundance of beauty, versatility, and storage space.
This amazing entertainment center includes a 46” Jensen television with remote, Dish universal satellite receiver, a 12 Volt AM/FM/CD/DVD Player with interior/exterior speakers, a subwoofer and component/HDMI connection plate. Quiet Zone Air Conditioning enhances comfort. Shown with Pewter decor and Lux Beige La-Z-Boy® recliner.

Radius Ceilings create a dramatic effect adding beauty and elegance to this front living room fifth wheel.
Cedar Creek’s walk-in closet makes the most of every inch, keeping you organized with a place for everything. Each closet is washer/dryer prepped, features 92” of hanging space, a three drawer dresser, and plenty of shelving.

Cedar Creek’s beautiful custom designed interiors are loaded with comfort and amenities. Relax a little longer in our private bedroom retreat. Each Serta Dreamscape Mattress is a full 60” x 80” or choose an optional King size bed. An optional upgraded Trump Luxury Home residential mattress with memory foam comfort is also available.

Cedar Creek’s beautiful custom designed interiors are loaded with comfort and amenities.
This 32RL shown in Cognac Taupe décor with our standard La-Z-Boy sofa, features a 46” television that extends and retracts all at the push of a button.
This well planned kitchen is shown with an optional 20 cu. ft. residential refrigerator with icemaker. Solid Cherry wood cabinetry features solid wood stiles and hidden hinges. Cedar Creek builds with solid wood fascias – not false foam like some of our competitors.
38CK

Shown in Domino decor. This floorplan allows our customer the luxury of a residential style washer/dryer hallway closet.
Cedar Creek’s bathrooms all feature a 48” residential, one-piece fiberglass rectangular shower with sliding glass doors, a large seat and an upgraded shower head. Forest River’s water filtration system supplies the shower and sink with filtered water. An 18” circular flow porcelain toilet and linen cabinet complete this spacious bathroom.

Cedar Creek’s beautiful custom designed interiors are loaded with comfort and amenities.

Day/Night shades offer the best of both worlds. They’re actually two shades in one - a night fabric lowers completely for privacy, or can be retracted to the top to reveal a full length day shade.

Both day and night shades can be set in any position and are designed with speed and length controls for privacy or a scenic view.
Dirt Devil® CV950 central vac cleaning system with VacPan™ automatic dustpan at entry door.

A convenient pull-out desk with hidden storage and two large pull-out drawers on each side accommodate your home office supplies. (34RLSA, 38CK)

Features

Another feature that we’ve taken from residential construction is our super quiet “HP” (High performance) 15,000 BTU air conditioning system, which includes a larger compressor and cold air returns! This means 30% more air is being forced into the coach than a standard 15,000 air conditioner.

Our freestanding table comes standard with a large leaf extension and four chairs, (two with hidden storage and two fold-away).

A water saving, stainless steel drawer dishwasher is optional on every island kitchen (32RL, 34RLSA, 36CKTS, 38RE, 38CK).

Live life comfortably with our standard La-Z-Boy® recliners. Choose from fabric, Lux Cocoa, Lux Beige, or True Leather. (Lifetime warranty on parts)

Dish universal satellite receiver is standard. (Compatible with most satellite system)

32RL pantry or optional washer/dryer closet – your choice

Sealed burners create the ultimate in function without sacrificing beauty with our standard stainless steel oven. High output super burners, heavy duty removable grates, and piezo ignitors complete this residential style stove.

A water saving, stainless steel drawer dishwasher is optional on every island kitchen (32RL, 34RLSA, 36CKTS, 38RE, 38CK).
Removable “Soft Top” Vinyl Storm Doors allow light and visibility without losing cooling or heating.

Cedar Creek’s original design “Z” Frame. This frame gives our customers over 100 cu. ft. of storage space, turning their front storage compartment into a front storage shed.

“Made in the USA” 20 watt LED Gig lighting throughout our cabin creates a brighter, white light, is cool to the touch, and uses 80% less electricity. What’s not to love about that?

Wireless Remote Control – A Forest River exclusive that has controls for the electric awning, slide rooms, all jacks including the optional “level-up”, and security entrance lighting.

Docking Station includes outside shower, black tank flush, water filter, dump valves, and water tank fills for centralized convenience.

“Level-Up™ 6 Point Hydraulic Stabilization System

Leveling and stabilizing a fifth wheel has never been an easy task until now. The patented “Level-Up” technology makes set ups easier, faster, and a lot safer than the old style 4-point system. With the IR wireless remote you can visually observe coach and slide-room movement, side to side and front to back.

Stabilization is one of the most important features of this option, allowing no movement within the coach once the legs have been set. The system is even powerful enough that if you need to achieve a level unit, with the tires off of the ground, this system can handle it.
Aluminum Frame Construction

Side Walls R-Value (9)
- Handmade 2 x 2 - 16” (or less) on center sidewalls with individually fastened custom “L” brackets combined with 3M® Silaprene adhesives for a stronger frame without welding or lamination. (475 PSI at 2” per minute, marine grade)
- Nobel Classic True Gelcoat exterior – the best of the best in fiberglass
- All baggage doors and entry doors are made out of Nobel Classic True Gelcoat exterior to prevent uneven aging of your unit
- 3M® Silaprene Bonded Sidewalls Resilient, grows stronger with age. Also has outstanding resistance to UV, heat, cold, moisture, oils, gasoline, highway chemicals, and creates a bond that cannot delaminate with time
- Sidewalls are bolted to the floor with 5/16” x 6-1/2” carriage bolts at each outrigger

- Glued R-7 fiberglass insulation expanded to its full capacity within the sidewall frame
- Designed by Forest River, a new unique slide-out seal system for tighter, stronger water protection – first of its class – compare it!
- Five direction insulation in all slide-out rooms

Floors R-Value (38)
- 3” Aluminum frame floor with in-floor heat ducting and radius “L” brackets combined with 3M® Silaprene adhesives
- 5/8” Tongue and groove plywood
- Cambered 10” + 2” I-Beam “Z” frame with large support outriggers and full length welds
- 5/8” Tongue and groove marine grade, plywood floor is attached to the aluminum frame with Silaprene and screwed every 6”
- Darco waterproof underbelly
- Fully enclosed 4’ x 8’ ABS removable panels for easier access into the underbelly. We use wood stringers to attach with no holes in the frame
- Triple layer insulation enhances the protective values of plywood, vinyl, carpet, carpet pads, tank heaters, etc.
- 12V. Tank heaters on all tanks
- Radiant shield insulation – 97% reflectivity, 3% emission

Roof R-Value (38)
- Full length 3/8” wood roof decking for a full walk-on roof (Screwed - not stapled)
- Triple layer insulation supplements the cohesive retention factors of roof decking and rubber membrane
- 2 x 2 - 16” OC -5” truss roof rafters with 8” wide circular air duct. Circular ducting combined with our high performance (bigger compressor) air conditioner and Cedar Creek achieve a 30% increase in air conditioning performance over our competitors in hotter climates
- Second Whisper Quiet roof mount air conditioner (Bedroom)
- Two ply – Tuff Ply rubber roof membrane with built-in fire retardant. (12 Year Warranty)
- Full length drip rails with spouts from the front to the rear

Cold room tested to zero degree Fahrenheit with standard insulation and heating pads with no tank freezing!
State-of-the-art construction techniques along with top-grade building components give Cedar Creek its reputation for long-lasting quality.

### Construction Features

- **Residential Glasswool Insulation**, designed by nature.
- **High-Performance Quiet Zone™** Ducted Air System with a 15,000-BTU HP air conditioner, a residential-style return air duct system and Comfort Control Center which create a dynamic combination with powerful results. It’s the most power-efficient AC system in existence with both the industry’s highest-performance air conditioner and the industry’s lowest power draw, with second Bedroom AC too!
- **Cedar Creek's famous residential All-aluminum Super-structure (Roof, sidewalls, and floor) on 16” centers or less.**
- **3” Aluminum floor studs, heat duct and 5/8” tongue and groove plywood floor.**
- **Aluminum window frames.**
- **Radiant shield Therma-foil – R-38.**

### Superior Performance

**Dexter Axles/Brakes/ Suspension For Performance and Safety**

- Nev-R-Adjust™ Brakes are always properly adjusted for improved stopping power in half the distance
- E-Z Flex™ rubber equalization system with 1/2” link plates and eight grease zerks per side
- Heavy duty axles with bronze bushings in shackles (No plastic bushings like our competitors)
- Eight lug, LT, “G” rated, 14 Ply Goodyear tires on 7000 axle units (36CKTS, 38CK, 38FL, 38RE) American Made! (Optional on 32RL, 34RLSA)

**Dexter Nev-R-Adjust® Brakes Standard**

**Dexter E-Z Flex® Suspension Standard**

Compare acceleration forces experienced by an axle and trailer while traveling over railroad tracks at 30 MPH. The E-Z Flex® System provides up to an 80% reduction in forces on the trailer frame vs. a standard equalizer. E-Z Flex® significantly outperforms all other competitors in the same road test for a smoother, more protective ride for your trailer and cargo.
