FIFTH WHEEL & TRAVEL TRAILERS  
CANADA'S BEST! DON'T SETTLE FOR LESS!

*Model 33RLTS in Summer Suede Decor*

## Supreme Livability

Experience the “At Home” comfort and livability that only Citation Supreme quality provides. Residential style features are endless! Panoramic “Stormtite” double glazed windows, “Dayliter” Dual-Pane residential skylights, optional “Karadon” solid surface countertops, high quality furniture and fabrics and brand name components are just a few of the unique features offered by Citation. Our un-matched quality construction and wide body design provide year round comfort, exclusive livability and peace of mind.

Additional residential features include central air conditioning, energy saving two stage furnace, optional electric fireplace and an attic ventilation system incorporated in the R11 trussed roof.

For your entertainment pleasure, enjoy the JVC Home Theatre DVD Stereo System and 27" JVC TV with optional surround sound or keep in touch with family and friends at the multi-functional computer desk.

*Don't Settle for Less!*

*Model 29CKS in Truffle Decor*

We are General Coach, a division of Thor Industries Inc., a western Canadian company that manufactures the well known Citation brand of quality recreational vehicles. For over 54 years

we have been consumer established as builders of high value, superior quality RV's with proven high resale value.

Because we are a limited capacity production company we do not mass produce our products allowing us to ensure strict quality control standards which, in turn, ensures your comfort and satisfaction. Residential quality components and residential style construction techniques are utilized by skilled, conscientious, long term employees dedicated to quality workmanship.

Citation by General Coach is designed for recreational use in western Canadian climate and conditions with standard features second to none. Your peace of mind with your purchase decision is reinforced by Citation's **Six Year Limited Structural Integrity Warranty.**

### Why a Thor Product Is Your Best RV Value.

Thor industries, Inc., proudly traces its history back nearly seventy years to the pioneering days of the RV industry with the founding of Airstream, the industry's oldest and most renowned brand. Our total commitment to quality and our philosophy of putting our customers first has led to our continuous growth; today Thor is the largest manufacturer of travel trailers and fifth wheels, a major manufacturer of motorhomes and the largest builder of small and mid-size buses in North America. Thor's strong financial condition and years of solid growth are your assurance that we will be here to serve you for years to come. We think this extra peace of mind is important when you are making a significant investment. Our customers are always #1 with us.

“When we purchased our previous General Coach 5th Wheel we were sent a survey form. There were 3 things that we felt could have been improved upon. You actually listen to customers! When we chose our new General Coach 5th Wheel (Model 30RLDS) those suggestions were made. We're really pleased to deal with a company who does listen to and care about their customers. Also, the workmanship and comfort of our unit are tops. The people who are on the assembly line truly take pride in their work and it shows, when you look at how well these units are built inside and out.

## Citation Supreme, Don't Settle for Less!

Production information, specifications, photography in this brochure were as accurate as possible at time of printing. Photographs may contain some features that are optional on your vehicle. Since we continually strive to improve our products, actual products may differ. Prices and specifications are subject to change without notice. All capacities are approximate and dimensions are nominal. All products meet or exceed CSA or RVIA standards.

Check with your local dealer for a complete list of options and features on the model you are considering.

Pictured is the top selling Model 31.5RLS with spacious wide body livability and quality workmanship that offer the comfort you'd expect in a Citation Supreme. The functional kitchen in this model is designed for your maximum convenience. Features include optional "Karadon" solid surface countertops, deep, scratch resistant acrylic fiberglass sink and a quality Moen faucet with spray. Numerous large drawers, a double pull-out can rack and incredible storage space complement the galley which includes a large "Norcold" 2-door refrigerator, deluxe "Atwood" high output range and a "Dometic" microwave. "Fantastic Rain Sensor" roof vent fans are also standard for quick, quiet ventilation of undesired odor and moisture build-up. Superior lighting in the kitchen, convenient dining area and living room is enhanced by large, thermopane solar reflective windows and a residential "Daylighter" skylight.

Driftwood  
Decor

The very popular Model 32.5TKS features the spacious island kitchen with the Dometic convection microwave and Atwood 3 burner range top. The deluxe deep oven is a before production option. Our exclusive wide body design ensures an industry leading 32" space between the counters!

The entertainment center in all triple slide models incorporates a residential DVD Stereo Home Theatre with Surround Sound, Video Control Center and 27" Color TV. Satellite prewire is a standard feature on all models.

Our unique slide out construction features a 2<sup>3</sup>/<sub>8</sub>" thick full frame insulated floor; a solid maple and fabric fascia and is double sealed in the open or closed position. The slide system combines a rack and pinion drive with steel rollers and a built in travel locking system.

**VEHICLE LOADING:** Every effort has been made to provide the greatest number of options for the recreation vehicle owner. Along with these choices comes the responsibility to manage the loads that are imposed by the choices so that they remain within the manufacturer's specified chassis weight limits. Do not overload the recreation vehicle.

**DRY WEIGHT** is the total weight of the trailer with standard features included and all tanks empty.

**NET CARRYING CAPACITY** is calculated with standard features only and all tanks empty. Any options, fluids, or dealer added options must be subtracted from the Net Carrying Capacity to determine the remaining cargo allowance.

**WARNING:** This information is intended as a guide only. Weights of individual vehicles may vary. Consult your owner's manual for complete loading, weighing, and towing instructions.

## CANADA'S FIRST FIVE SLIDE FIFTH WHEEL

The Platinum Special Edition is the next generation in fifth wheel luxury.

An expansive kitchen and dining room is provided by two opposing slide outs, an incredible 12'8" interior width with 8' ceilings for true residential livability! The spacious dining room has large windows and a solid cinnamon maple table with 4 high back chairs. All Cabinet framing is solid cinnamon maple wood for industry leading quality. This exceptional kitchen features a "Dometic" Stainless Steel 14 cu.ft. Sidewise Refrigerator/Freezer, "Dometic" Convection Microwave, "Atwood" Stainless Steel 3 Burner Range Top, pull out garbage container, ceiling fan with light and an optional "Vesta" Dishwasher. The high gloss "Karadon" solid surface counter is highlighted by 4 recessed halogen lights and the recessed sink comes with solid surface covers.

The luxurious front living room with the opposing slide outs, over 11' wide inside is complete with 2 matching leather sofas, ottoman, Toshiba 26" LCD HD TV, Home Theatre with Surround Sound, Video Control Center, Electric Fireplace and Central Vacuum. The large "Dayliter" skylight, six windows and 6'4" ceiling height provides for an incredibly bright and open living room.

### CANADA'S BEST DON'T SETTLE FOR LESS!

The bedroom features a combination vanity-computer desk with a built-in 14" colour TV, Queen walk around bed, large mirrored wardrobes and a residential beveled glass French door for privacy and soundproofing. Luxurious appointments include co-ordinated bedspread, decorative pillows, plush headboard and maple with fabric on the slide fascia. An optional memory foam mattress pad is available for superior comfort. The bedroom entrance door provides an alternative exit and access to the roadside.

The popular Model 29CKS pictured opposite. The contemporary design of this floorplan is the answer to all your full time living requirements in an easily towable mid-size range. The rear lounge is complemented by large windows, an attractive entertainment center with optional fireplace and a multi-use computer desk area or in lieu of the computer desk a large residential recliner chair is available. The Hide-a-Bed in this rear lounge model has

optional retractable footrests for your added comfort. Abundant storage with numerous cupboards and drawers are finished in quality solid maple. The spacious dining area is conveniently located opposite the kitchen on the patio side of this model and an optional bedroom slide is available without increasing the overall unit length. The attention to detail and pride of quality workmanship is evident in all General Coach products.

Model 29CKS  
Truffle Decor

Storage space is maximized with full width access for large item storage. Fully locking and thermal sealed and insulated 1" doors on all storage compartments are equipped with retainer clips for two handed access. Propane bottles are mounted for easy access. Slide out tray is standard on most models.

## Don't Settle for Less!

The "Stormtite" thermopane windows eliminate condensation and allow all season comfort. Solar reflective glass filters UV radiation and reduces heat build up. Your daytime privacy is ensured.

Color co-ordinated, one piece fiberglass skirts, Dexter Nev R Lube axles and attractive 16" aluminum wheels with Goodyear steel belted radial tires are standard on all models. The adjustable spring hangers ensure a level ride with all tow vehicles.

Model 32.5TKS Evergreen Decor

## SUPREME CONSTRUCTION CROWNED ROOF

- 1 "Dicor" vinyl roof, seamless, overlaps the sidewall, 12 year warranty
- 2  $\frac{3}{8}$ " plywood deck, screwed to truss
- 3 Fiberglass insulation R-11 full width
- 4 Engineered residential crowned truss,  $5\frac{1}{4}$ " thick in centre sloped to  $3\frac{1}{2}$ " on the ends
- 5 Insulated rigid air conditioning duct - 2"
- 6 Drip rail with down spouts
- 7 Interior ceiling panel - plywood

## VACUUM BONDED WALL

- 8 "Medallion Filon" gelcoat panels
- 9 Plywood substrate
- 10 Kiln dried studs - 2x2, 2x4, 2x6
- 11 Ultra high density rigid polystyrene insulation
- 12 Interior panel - plywood

Walls on all models are framed utilizing 2" x 2", 2" x 3" and 2" x 6" kiln dried studs, steel reinforced and mounted directly on top of the foundation floor.

The sidewalls are individually laminated, cured under vacuum pressure and tear tested for a perfect bond prior to installation. Laminated to plywood, the Filon gelcoat panels are warranted for 2 years materials and labor and guarantees a high resale value as it retains colour and lustre and won't rust, corrode, ding or dent.

## FOUNDATION FLOOR

- 13  $\frac{5}{8}$ " plywood tongue & groove deck - glued and screwed to studs
- 14 "Legacy" vinyl flooring residential installation
- 15 Kiln dried studs
- 16 Fiberglass insulation
- 17 Galvanized steel heat ducting (not all models)
- 18 Galvanized steel flashing

- 19 Seamless polypropylene undersiding complete wrap up sides, front and rear
- 20 Fiberglass radius skirt, double sealed at marriage
- 21 Floor is bolted to steel chassis. Steel is fully undercoated with automotive undercoat. Holding tanks are enclosed, insulated and protected within the 12 gauge steel chassis members and heated directly from the furnace.
- 22 12 gauge steel outriggers support full width of floor.

As a before production option the Models 29CKS, 29.5RLS and 30RLDS can be ordered with a bedroom slide. This option boasts a dresser with six large drawers as well as two extra large mirrored wardrobes to accommodate all your personal items. This bedroom slide option does not alter the overall length and only increases the hitch weight by approximately 300 lbs. The GVWR will be increased accordingly for each model.

## Citation Supreme - Don't Settle for Less!!

General Coach is proud of our 99% customer satisfaction record.  
But don't take our word for it, ask our owners for *their* opinions.

“After owning a General Coach product, we would not consider buying any other RV!  
The quality of our trailer is exceptional, and have recommended your company to anyone interested in purchasing a unit.

Harley Jeanotte  
Prince George, British Columbia

“All things being considered, I think the people who designed and built this trailer deserve a thank you from my wife and myself. We are proud of our built in B.C. trailer by professional union workers. It is a really nice home for us when we are working out of town.

Dale Gage  
Kamloops, British Columbia

“We have been extremely pleased with the performance of our General Coach. We looked at many different brands of 5th wheel over the last few years and talked to many Rvers. Your product certainly stood out in many ways and General Coach's reputation is very good in the RV community. There are many, many features that make our travels extremely comfortable and enjoyable.

Alan & Shirley Nauss  
Surrey, British Columbia

“General Coach of course. The main reason is quality workmanship and very few warranty claims, if any! We bought another another brand (1996) with slide because we didn't feel we could afford the General Coach of the same model - Huge mistake! Once you own a General Coach nothing else can compare! Our 32RKS has everything we could want and more.

Merv & Sylvia Toliver  
Cranbrook, British Columbia

“You make a great product. My wife and I really enjoyed our first General Coach and that was probably the main reason we bought another. It is very functional, easy to tow and park. We spend 8-9 months of the year in our unit so we like our home to be a “real home”. We are certainly glad we bought another General Coach.

Ray & Suzanne Elphick  
Red Deer, Alberta

“This is our third General Coach 5th wheel, whenever we upgrade we have checked out other manufacturers and have not found any other 5th wheel that had the quality of General Coach.

Willie Giesbrecht  
Vanscoy, Saskatchewan

“The Model 33RLTS is an outstanding unit, with few if any features left out. Please thank all the engineers, designers and staff for a job well done.

Elaine & John Paton  
Fort McMurray, Alberta

“In 2002 we took a factory tour of General Coach in Oliver and found the best quality construction and the most attractive unit appearance both inside and out. Although the price was slightly more than others we aren't sorry at all we made the purchase. The quality is excellent, the decor is excellent, we really enjoyed the trailer in Kelowna and Fairmont. We get lots of compliments in campgrounds. We certainly appreciate the value for our dollars. The truck easily pulls the trailer and it is very well balanced.  
Thank you for building a great fifth wheel, we really enjoy it!

“In 1989, we took five factory tours in BC and Alberta, including General Coach in Oliver. General Coach was the best quality and had the most attractive appearance. Although the price was slightly more than the others, we bought our first General Coach in 1991 and have never been sorry. In October of 2000, we bought our second General Coach Fifth Wheel. The quality is still excellent and with more features, we really enjoy our trailer. We get lots of compliments in campgrounds. We certainly appreciate the value for our dollars. Thanks for building a great fifth wheel.

The following is an excerpt from the “RV Times” magazine:

“We really do enjoy your publication. Our last trip was of three months duration: 16,200 miles, most of them in Canada. We would like to sing the praise of our new trailer built by General Coach in B.C.  
Our travel is always off-season and we looked for something that would be comfortable on the Alaska Highway in winter. More Canadians should know about this product.
