Check & Compare These

75 Qu

Unmatched liveability, cozy comfort and superior quality are foremost in the Corsair. The Model 29 Bunkhouse is shown here in the rich Woodhaven Decor. Quality crafted residential furniture is upholstered with woven, durable, high quality fabrics.

Kitchens feature abundant overhead cabinets, numerous drawers and spacious counters for maximum interior storage and easy food preparation. Corsair utilizes customer proven name brand appliances and components, with two-year warranties for your worry-free travel.

You'll really appreciate the thoughtful design of Corsair's bedrooms. Spacious headroom, large wardrobes and large drawers on quality, double steel guides and rollers is just the beginning. All beds have a lift-up feature to access valuable storage below and residential quality coil spring mattresses will ensure your sleeping comfort.

Outside, large exterior storage compartments accommodate all of your hobby and leisure items...and then some!

General Coach provides you with a two-year limited warranty on your fifth wheel trailer. Additionally, General Coach includes a six-year limited warranty which covers the structural integrity of your vehicle. This added warranty is unique to the recreational vehicle industry and should be one of your very serious considerations when choosing your next R.V.

The manufacturer reserves the right to improve or modify the product which may change specifications, designs or prices. Information contained herein is from data available at time of printing. All products meet or exceed CSA and RVIA standards.
