# ENDURAX

## GALLEY CONVENIENCE...

Our wide-open galley offers all the comforts of your kitchen at home. 3-burner high performance range; 2-door, 2-way refrigerator and large convection microwave, you will be able to prepare any of your family's favorite meals.

GALLEY • MODEL 6361

## ENTERTAINMENT...

New for 2005, Gulf Stream introduces the cabover swivel 20" television. The swivel action allows the television to be pointed towards the living area for viewing and then securely stored out of the way during travel or to accommodate for more cabover sleeping area.

SWIVEL TELEVISION • MODEL 6361

SOFA AND COCKPIT • MODEL 6361

## FUNCTIONAL BATH...

The Bathroom in this one of a kind motorhome is efficiently designed to cut down on floorspace used yet provides enough room to move about and prepare for the long day of fun ahead of you. Shower stall includes sky light to provide natural light and added headroom.

BATHROOM • MODEL 6361

## SPACIOUS LIVING...

The living area of the EnduraMax™ Toy Mover supplies more quality living features than any other towable or motorized unit of it's kind. All furniture features Gulf Stream Comfort Plus construction and easy to clean upholstery. The dinette delivers plentiful room to converse, play cards, or dine while parked or while on the road. The dinette also converts into a secondary sleeping area to compliment the Cabover sleeping.

## VISIBILITY AND MANEUVERABILITY

Negotiating a tricky curve in the campground or on a major city street there will be no reason to worry while you're in the Chevrolet Kodiak. With a 54 degree turning radius, giant mirrors, large windshield and sloped hood this vehicle drives more like a light duty truck. Sloped hood allows the driver to see just a mere 13 feet in front of them, doubling their field of vision versus the competition's 26 feet.

# Gulf Stream Exclusive Features & Benefits

## SOLID HARDWOOD CABINETRY

OPTIONAL HARD  
ROCK MAPLE

## PRE-DRILLED HARDWOOD CONSTRUCTION

Our residential style cabinets are constructed of solid hardwood doors and fronts that are pre-drilled and screwed then they are stained and top coated with a furniture grade finish that provides long lasting beauty and durability as well as adding strength and quietness to your motorhome.

## COMPETITOR'S CABINETRY

Other companies use wrapped cabinet fronts prone to peeling, fading and tearing. The softer composite wood used does not hold screws as well as hardwood resulting in loss of strength and squeaking. Discoloration will degrade the beauty and lower the value of the motorhome.

## GALVANIZED STEEL STORAGE COMPARTMENTS

Seamless, carpeted, galvanized steel storage compartments safely cradle your valuables. Rust protective paint and foam sealed for extended life and a quiet ride.

Dual metal H-Ducted air conditioning system with foil bubble wrapped insulation for improved climate control.

## TUFF-TRUSS 6000 lbs.

## SUPER STRENGTH TRUSS SYSTEM

The super strength truss system is unmatched in the class C industry. The structural subfloor foundation begins by welding a network of integrated steel trusses to the chassis rail. Specifically designed to distribute and transfer the tremendous forces from the coach to the chassis rail these trusses are individually tested to withstand 6,000 pounds each.

When the chassis is stretched, Gulf Stream stands alone in the industry by using a full 8" C channel extension versus the traditional 4" or less. This practice adds to the strength of the foundation and offers peace of mind that towing is safe on an extension that is true to the chassis.

## 8" C CHANNEL EXTENSION

*Cradle of Strength*

Unlike traditional plywood and foam seating Comfort Plus Seating features the strength of steel and the comfort of a sprung dinette cushion.

### SEVEN FOOT CEILING

The Gulf Stream Class C has nearly 7' interior ceilings providing a true residential look and feel.

1. Seamless Rubber Roof For Greater Energy Efficiency and Dependability.
2. Luan Decking for Additional Strength.
3. Molded, High Density EPS (Expanded Polystyrene) Roof Brick Insulation - Provided Consistent Insulation Value as well as Superior Dimensional Rigidity.

The Gulf Streamers RV Club is a valuable benefit to all Gulf Stream owners. Members enjoy staying active and participating in the various rallies and caravans offered throughout the United States and Canada. Others simply enjoy the value of receiving their Main Stream, the club's 44-page newsletter, with all its up-to-date product information, service tips and company highlights. Whether or not group camping is a part of your RV use, everyone can benefit from the Emergency Road Service and Gulf Streamers Insurance options. Both are available at competitive rates with friendly, reliable service. Another great benefit is the 10% Program, where campgrounds throughout the U.S. and Canada provide Gulf Streamers with a 10 percent discount on camping. As a member, you'll also receive discounts on National Theme Parks and special attractions, including RV and travel guides, directories and magazines.

Rally and caravan participants spend time touring attractions, enjoying fabulous meals, taking in area highlights and shows, while having plenty of free time to relax or explore on their own. Our pre-scouted events include knowledgeable staff to assure you of the finest routes, the tastiest restaurants and the friendliest atmosphere to help make the most out of your RV experience. Special rallies throughout the year also include Gulf Stream supplier seminars, complimentary minor repairs by Gulf Stream technicians, Gulf Stream dealer product displays and round-table discussions to voice your product improvement ideas.
