RESTFUL NIGHTS...

Bedroom (Model 8386)

Spacious and comfortable, the bedroom features a queen-size bed with large windows facing the ocean. The room is equipped with a desk and chairs, perfect for work or relaxation. There is plenty of storage space and a closet for clothes. The bedroom also includes a television and a DVD player for entertainment.

STORAGE...

Bedroom (Model 8369)

The bedroom includes ample storage options, including a large closet and dressers. There is also a desk with a chair and a chair in front of the television. The room is well-lit with natural light coming through the windows. There is a reading lamp on the desk and a bedside lamp for reading in bed. The bed is made with soft linens, and there is a nightstand with a phone and a clock.

BATHROOM...

Bathroom (Model 8356)

The bathroom is stylish and functional. It features a large mirror above the sink, a toilet with a tank, and a shower with a glass door. The bathroom also includes a towel rack and a hair dryer. The floor is tiled, and there is a window for ventilation.

MODERN COCKPIT...

CreSCEnDO

The cockpit is designed for maximum comfort and performance. It features a large seating area with comfortable cushions, a steering wheel, and a navigation screen. The cockpit also includes a sink and a refrigerator for convenience. The CreSCEnDO is equipped with the latest technology, including GPS and radar, ensuring a safe and enjoyable ride.
