Living Convenience...

Living off the map doesn't mean you have to live like it. Our spacious living quarters feature a well equipped galley, space saving entertainment center, stain resistant plush carpet, comfort plus furniture, and H-ducted ventilation system giving you all the comforts you would enjoy at home.

Yellowstone BY GULF STREAM SUPER-C

6316 Kitchen Gally features a 3-burner high performance range; 2-door, 2-way refrigerator, deluxe countertops and large convection microwave.

Hinged Entertainment Center
features a Flatscreen TV that swings into a side cabinet when not in use to maximize space in the cabover sleeping area.

6331 Comfort Plus/Dream Dinette offers more than a great place to visit and eat. It's soft spring loaded cushions turn down to form a sleeping area.

6331 Master Bedroom highlights a large king bed, large wardrobe closet, expansive windows and an optional flat screen TV.

Optional Overhead Entertainment Center

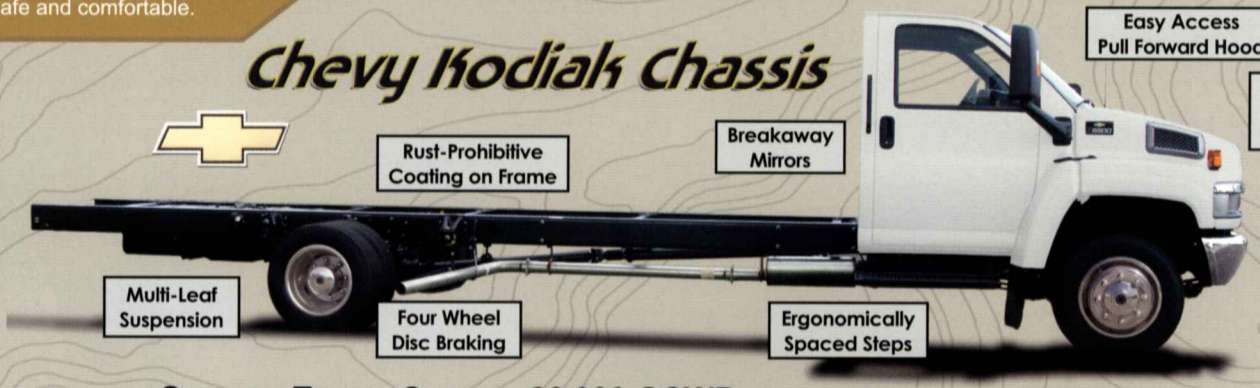
Chassis Comfort and Safety...

When living the life of an RVer, half the fun is experienced enjoying the open road traveling to your destination. It's no wonder that Conquest motorhomes and Chevrolet focused on the ergonomics, handling, visibility and weight capabilities of the Chassis to make your travels safe and comfortable.

Yellowstone BY GULF STREAM SUPER-C

Chevy Kodiak Chassis



STABIL-RIDE Suspension System

The best just got better. The optional Stabil-Ride™ suspension system integrates parabolic leaf springs, auxiliary springs, a stabilizer bar and tuned shocks, designed to provide a low maintenance, stable ride comparable to the ride of a diesel pusher. Enjoy unsurpassed handling with reduced body sway, particularly while cornering, and superior straight-line stability.

- INTENSE 19,500 LB. GVWR
- UP TO 3,000 LBS. CARGO CARRYING CAPACITY
- SUPERIOR TOWING CAPACITY 26,000 GCWR
- 10,000 LB. HITCH RATING
- 19.5" TIRES

Gulf Stream specifies an extra heavy duty hitch rated at 10,000 lb. However it is up to the owner not to exceed the Gross Combined Weight Rating (GCWR).

GCWR is calculated as follows:

- 22,000 GVWR is loaded to its maximum of 22,000 lb. This would leave towing capacity of 4,000 lb. to the 26,000 GCWR.
- 19,500 GVWR is loaded to its maximum of 19,500 lb. This would leave 6,500 lb. towing capacity to 26,000 GCWR.

Towing capacity can be increased by reducing payload appropriately.

VortecTM 8.1 Litre V8 Gasoline Engine (standard)

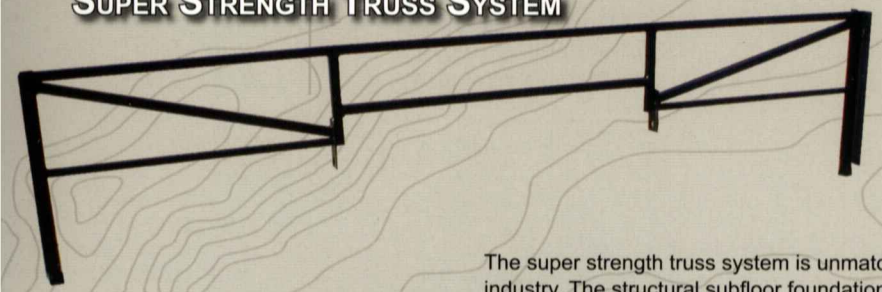
Construction...

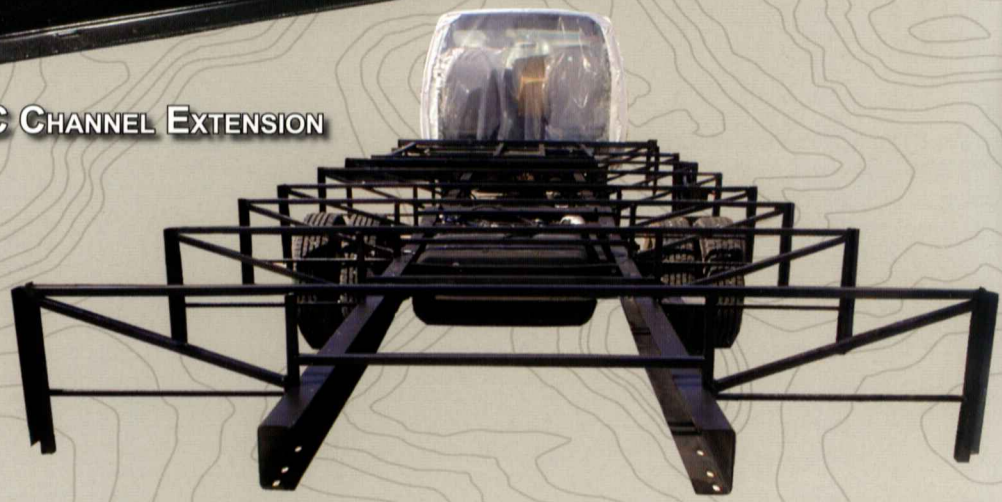
Quality, Comfort, Strength and Value are four great words to describe our mind set while designing and constructing the conquest lineup of products. You can see and feel the quality and attention to detail we gave every component. From the strength of our foundation, roof, floor and sidewalls, down to the comfort of our seat cushions, nothing was skipped.

Yellowstone BY GULF STREAM®

Super Strength Truss System



6" & 8" C Channel Extension



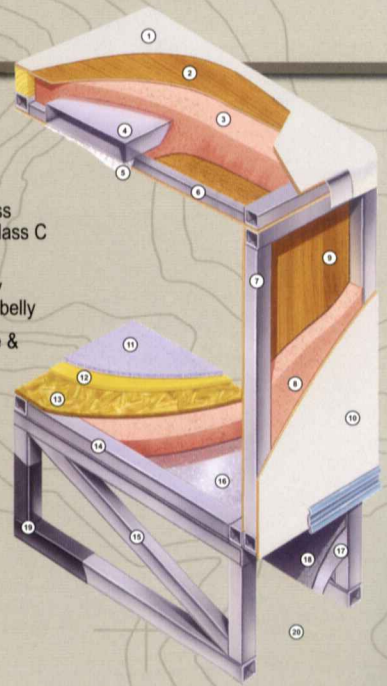
TUFF-TRUSS 6000lbs.

The super strength truss system is unmatched in the class C industry. The structural subfloor foundation begins by welding a network of steel web trusses to the chassis rail. Specifically designed to distribute and transfer the tremendous forces from the coach to the chassis rail these trusses are individually tested to withstand 6,000 pounds each.

When the chassis is stretched, Gulf Stream stands alone in the industry by using a full (6" on LE) or (8" on Super C) C channel extension versus the traditional 4" or less. This practice adds to the strength of the foundation and offers peace of mind that towing is safe on an extension that is true to the chassis.

Conquest Motorhomes, **Dare to Compare**

1. Rubber Roof For Greater Energy Efficiency and Dependability.
2. Lauan Decking for Additional Strength.
3. Molded, High Density EPS (Expanded Polystyrene) Roof Brick Insulation - Provided Consistent Insulation Value as well as Superior Dimensional Rigidity.
4. One-Piece Formed Aluminum Air Conditioning Duct, Completely Surrounded By EPS Insulation. LE & Super C
5. Bubble-Wrapped Foil Insulation Provides Superior Insulation and Helps Prevent Condensation.
6. Rugged, Yet Light-weight, Welded Tubular Aluminum Roof Framing.
7. Rugged Heavy-Gauge Tubular Aluminum, Fixture Welded to Form the Sidewall Framing.
8. High-Density EPS Insulation Provides Superior Lamination and Bonding Characteristics and Insures Greater Energy Efficiency.
9. Interior Wall Panels Securely Laminated to Sidewall Framing.
10. "Super Slick" Fiberglass Exterior Vacuum-bond Laminated to Sidewall Framing for Lasting Beauty and Durability. (Option)
11. High-Quality Stain-Resistant Carpeting Available in Designer Coordinated Colors.
12. Extra-Thick Padding Under Carpet Provides Extra Comfort and Increases Carpet Durability.
13. Floor Decking Laminated to Steel Floor Structure Assures a Quiet, Long-Lasting Rigid Floor and comes with a 10-Year Warranty.
14. Heavy-Gauge Tubular Steel Floor Framing, Fixture Welded for Extra Strength and Stability.
15. Heavy-gauge Tubular Steel Webbed Tuff-Truss Floor Truss System Provides the Strongest Class C Foundation in the Industry.
16. Seamless Layer of Galvanized Steel Securely Laminated to the Steel Floor Framing. (Underbelly
17. Galvanized Steel Used to Form Each Storage & Holding Compartment.
18. Durable All-Weather Carpeting Completes Each Accessible Storage Compartment, Providing Extra Protection for Luggage and Valuables.
19. Rust-Prohibitive Paint Coating Applied to All Steel Framing Assures Corrosion and Rust Protection.
20. The Industry's Strongest, Most Spacious Exterior Storage Compartments.



Added, **Value**

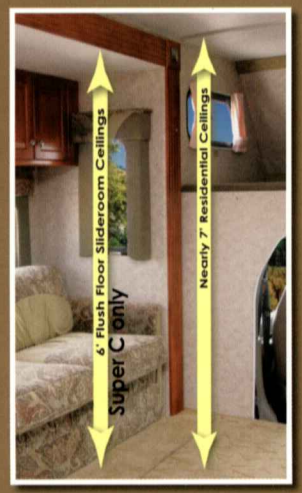
Comfort Plus Furniture

Super C & LE only

Unlike traditional plywood and foam seating Comfort Plus Seating features the strength of steel and the comfort of a sprung dinette cushion.

Our residential style cabinets are constructed of solid hardwood doors and fronts that are pre-drilled and screwed then they are stained and top coated with a furniture grade finish that provides long lasting beauty and durability as well as adding strength and quietness to your motorhome.

Other companies use wrapped cabinet fronts prone to peeling, fading and tearing. The softer composite wood used does not hold screws as well as hardwood resulting in loss of strength and squeaking. Discoloration will degrade the beauty and lower the value of the motorhome.



The Gulf Stream Class C's have nearly 7' interior ceilings for a residential look and feel

Gulf Stream Class C's offer flush floor slides for a residential look and feel with 6 foot ceilings.

Super C & LE only

Dual metal H-Ducted air conditioning system with foil bubble wrapped insulation for improved climate control.

Our lowered entry door and built in stair well eliminates the need for an exterior step making entry into your motorhome safer and easier. Several models have magnetic door stays that are easy to use and dependable.

Seamless, carpeted, galvanized steel storage compartments safely cradle your valuables. Rust protective paint and foam sealed for extended life and a quiet ride.

Only available on the Super C 6316 Enormous, four point access (3 exterior, 1 interior), one-piece molded fiberglass storage garage designed to maximize storage capacity and accessibility.

Yellowstone BY GULF STREAM®

The Conquest Checkpoint is the outward physical symbol of our role as industry leaders. Our exacting standards for creating the best possible RV Customer experience are the direction the rest of the industry seeks. Beyond the beaten path, to a new destination.

Conquest constantly looks to the future, casting a clear vision of "the next big thing" and making it happen. We don't follow trends; we set them. Beyond imagination, to reality.

GULF STREAM COACH, INCORPORATED

Conquest Motorhome Division is a member of the Gulf Stream Coach family of products. As a privately owned company with nearly 25 years of RV manufacturing experience, Gulf Stream has set itself apart from the rest of the RV industry by giving the market exactly what it's looking for. We are constantly talking to our customers and dealers, taking their suggestions,s and implementing them in our products. We also use Lean Manufacturing Techniques, Six-Sigma Quality Control, Creative Standardization and 5 S practices to maximize our production efficiency and eliminate waste. Our efficiency has received accolades from Vincennes University for Total Quality Management. These practices have also gained recognition from the state of Indiana, as we have received the Indiana Governor's Award for Recycling, making us one of the few eco-friendly manufacturing companies in the industry. All these initiatives go back to one goal... To give you the highest value product offerings, quality construction, innovative features, contemporary designs, and unmatched service and on-going support.

GULF STREAMERS INTERNATIONAL RECREATIONAL VEHICLE CLUB

The Gulf Streamers RV Club is a valuable benefit to all Gulf Stream owners. Members enjoy staying active and participating in the various rallies and caravans offered throughout the United States and Canada. Go to www.streamers.gulfstreamcoach.com for more information.
