MODERN COCKPIT...

Driving the large and powerful Crescendo may be intimidating at first but once you become accustomed to the controls and smooth handling of the intense 330 horsepower machine you will feel right at home in our ergonomic cockpit designed to put the controls right at your fingertips.

COMFORTABLE DINING BOOTH...

Gulf Stream delivers in the design and construction of the dinette table and seating.

The Comfort Plus dinette booth offers roomy seating for four.

Enhanced by large panoramic windows to take in the view while dining in your luxury motorhome.

GALLEY CONVENIENCE...

Our wide-open galley offers all the comforts of your kitchen at home. 3-burner high performance range; 2-door, 2-way refrigerator and large convection microwave and optional dish washer you will be able to prepare any of your family’s favorite meals.
Spacious Living Quarters...

Open living areas that incorporate large slide rooms and residential style furniture make home away from home very comfortable. The overhead flat screen TV and the entertainment cabinet provide plenty of storage for music and movies to entertain everyone on a rainy day or quiet evening.
**BATHROOM...**
The bathroom in the Crescendo makes it easy to prepare for the day ahead. The mirrored medicine cabinet and under-sink storage gives you room to hide away personal products, and the skylight in the shower stall provides natural light and additional headroom for tall travelers.

**BEDROOM...**
Large bedroom windows open up the bedroom letting in natural light and fresh air. The bedroom delivers plenty of storage for both his and her clothing. All floorplans include deep dresser drawers and large wardrobe storage to hang attire.
Gulf Stream knows that a comfortable night's sleep is an integral part of a great travel experience. That’s why we give you many amenities that you enjoy at home in our cozy bedroom areas. Items including a Queen size bed, windows at the head of the bed for ventilation, air conditioning, vanity mirror, overhead storage and Optional 20” flat screen television.
Our residential style cabinets are constructed of solid hardwood doors and fronts that are predrilled and screwed then they are stained and top coated with a furniture grade finish that provides long lasting beauty and durability as well as adding strength and quietness to your motorhome.

Other companies use wrapped cabinet fronts prone to peeling, fading and tearing. The softer composite wood used does not hold screws as well as hardwood resulting in loss of strength and squeaking. Discoloration will degrade the beauty and lower the value of the motorhome.

Seamless, carpeted, galvanized steel storage compartments safely cradle your valuables. Rust protective paint and foam sealed for extended life and a quiet ride.

Excellent Weathering - Maintaining the vehicle’s quality appearance enhances its resale value.

Tear Resistance - Flexroofs hard abuse resistant finish resists tearing, a condition that can cause leaks and lead to expensive repair.

Low Maintenance - Road grime can easily be removed with normal cleaning maintenance. Rubber chalking due to solar breakdown of the roof surface is eliminated, preserving the original appearance and resale value of the vehicle.

Stain Resistance - Fiberglass Flexroof is designed to resist staining and maintain its quality appearance.

Structural Integrity - Unlike conventional EPDM rubber roof membranes, Flexroof is a structural component of the roof system.

Textured Fiberglass - Helps dissipate heat and prevents tree limbs from tearing or scratching your roof.

Dual metal H-Ducted air conditioning system with foil bubble wrapped insulation for superior climate control.

Gulf Stream offers true flush floor slide out rooms to give you more headroom in the slide and eliminates the step up into the slide room that you will experience in many of our competitors motorhomes.

24 MONTH 24,000 MILE WARRANTY ON STRUCTURAL COMPONENTS®

Comfort Plus furniture by Gulf Stream Coach features residential styling, solid construction, total comfort and a comprehensive warranty.
Unlike traditional plywood and foam seating Comfort Plus dinette seating features the strength of steel and the comfort of a sprung cushion.

The Cradle of Strength super strength truss system is unmatched in the RV industry. The structural subfloor foundation begins by welding a network of integrated steel trusses to the chassis rail. Specifically designed to distribute and transfer the tremendous forces from the coach to the chassis rail, these trusses are individually tested to withstand 6,000 pounds each.

An all steel overhead structure installed above the cockpit brings strength and rigidity to the upper portion of the coach providing a safe strong platform to install a TV that will not break free in an impact while maximizing overhead storage.
Contemporary Looks...

All Crescendo models are available with standard painted graphics or optional Full body paint in tan or blue. Both protect the exterior and offer a cutting edge look with classic simplicity. Gulf Stream delivers the options you want to protect your investment, suit your budget and visual preference.

Model 368

Open living areas that incorporate large slide rooms and residential style furniture make home away from home very comfortable.

The kitchen is well equipped with a 3-burner high performance range; 2-door, 2-way refrigerator and large convection microwave.

Model 378

This bedrooms feature Gulf Stream’s Two-Zone Living Concept. The optional computer workstation and sitting chair give this bedroom functionality beyond sleeping. E-mail, paperwork, picking up a good book or watching TV can all be enjoyed in this second zone.
Gulf Stream Coach

has been a manufacturer of recreational vehicles for over 20 years. Our slogan, “Family Value”, speaks to our family-owned company, the value offered in our products and to our customers.

We use advanced manufacturing techniques to build everything from entry-level travel trailers to luxury motorhomes. We offer the largest product line in the industry.

RV dealers and consumers look to Gulf Stream for high-value products offering quality construction, innovative features, contemporary design, unmatched service and on-going support.

We’d love to have you as part of the family.

The Gulf Streamers RV Club is a valuable benefit to all Gulf Stream owners. Members enjoy staying active and participating in the various rallies and caravans offered throughout the United States and Canada. The Main Stream, the club magazine, with up-to-date product information, service tips and company highlights. Members benefit from the Emergency Road Service and Gulf Streamers Insurance options. Both are available at competitive rates with friendly, reliable service. The 10% discount program at campgrounds throughout the U.S. and Canada. As a member, you’ll receive discounts at National Theme Parks and special attractions, including RV and travel guides, directories and magazines.

Gulf Streamers spend time touring attractions, enjoying fabulous meals, taking in area highlights and shows to help make the most out of your RV experience. Special rallies throughout the year include Gulf Stream supplier seminars, complimentary minor repairs by Gulf Stream technicians, Gulf Stream dealer product displays and round table discussions to voice your product improvement ideas.
