The main living space features hardwood cabinetry, full kitchen, deluxe carpet, control panel, dual sinks, and stand alone chair.

LIVING AREA WITH OPTIONAL CABOVER BED AND SIDE-OVER LCD MODEL 6331, 6340
Living Area with Optional Cabover Bed and Side-Over LCD Model 6331.6340

The main living space features hardwood cabinetry, full kitchen, deluxe carpet, control panel, and stand-alone chairs.

Features and equipment include a surround sound system, a side-over LCD TV and DVD player, a sofa bed, a dining table, and your family dining your home.
Gulf Stream specifies an extra heavy duty hitch rated at 10,000 lb, however it is up to the owner not to exceed the Gross Combined Weight Rating (gcwr). gcwr is calculated as follows:

- 22,000 gcwr is loaded to its maximum of 22,000 lb. This would leave towing capacity of 4,000 lb. to the 26,000 gcwr.
- 19,500 gcwr is loaded to its maximum of 19,500 lb. This would leave 6,500 lb. towing capacity to 26,000 gcwr.

Towing capacity can be increased by reducing payload appropriately.

**STABIL-RIDE™ Suspension System**

The best just got better. The optional Stabil-Ride™ suspension system integrates parabolic leaf springs, auxiliary springs, a stabilizer bar and tuned shocks, designed to provide a low maintenance, stable ride comparable to the ride of a diesel pusher. Enjoy unsurpassed handling with reduced body sway particularly while cornering and superior straight-line stability.

- **INTENSE 22,000 LB. GVWR (6378)**
- **19,500 LB. GVWR (6331,6340,6316)**
- **SUPERIOR TOWING CAPACITY 26,000 GCWR**
- **10,000 LB. HITCH RATING**

Backup monitor built in the overhead for unobstructed viewing and safer backing.

Breakaway mirrors fold 90 degrees inward or outward to manage tight spaces reducing the risk of damage.

126-square inch-surface mirror including a 6x7 inch convex section on both mirrors.

Our residential style cabinets are constructed of solid hardwood doors and fronts that are predrilled and screwed then they are stained and top coated with a furniture grade finish that provides long lasting beauty and durability as well as adding strength and quietness to your motorhome.

Other companies use wrapped cabinet fronts prone to peeling, fading and tearing. The softer composite wood used does not hold screws as well as hardwood resulting in loss of strength and squeaking. Discoloration will degrade the beauty and lower the value of the motorhome.

Seamless, carpeted, galvanized steel storage compartments safely cradle your valuables. Rust protective paint and foam sealed extended life and a quiet ride.

Dual metal H-Ducted air conditioning system with foil bubble wrapped insulation for superior climate control.

Excellent Weathering -
Maintaining the vehicle's quality appearance enhances its resale value.

Tear Resistance - Flexroofs hard abuse resistant finish resists tearing, a condition that can cause leaks and lead to expensive repair.

Low Maintenance - Road grime can easily be removed with normal cleaning maintenance. Rubber chalking due to solar breakdown of the roof surface is eliminated, preserving the original appearance and resale value of the vehicle.

Stain Resistance - Fiberglass Flexroof is designed to resist staining and maintain its quality appearance.

Structural Integrity - Unlike conventional EPDM rubber roof membranes, Flexroof is a structural component of the roof system.

Textured Fiberglass - Helps dissipate heat and prevents tree limbs from tearing or scratching your roof.

Gulf Stream offers true flush floor slide out rooms to give you more headroom in the slide and eliminates the step up into the slide room that you will experience in many of our competitor motorhomes.

The Endura has nearly 7' interior ceilings for a residential look and feel with 6 foot ceilings in the slideout.
The Cadence® Strength Super Truss System is unmatched in the RV industry, offering support and durability to withstand the 6,000 pounds each sheath stress to the chassis. These features are designed to distribute and accommodate the rear suspension across the entire RV, providing a network of integrated support for a comfortable ride.

---

Holding tank capacities (both fresh water and waste water) are volume calculations based on installed tank dimensions. The capacities may differ from published calculations due to the results of field installation, tank material variation, tank fitting locations and other plumbing variables.
Gulf Stream Coach

has been a manufacturer of recreational vehicles for over 20 years. Our slogan, "Family Value", speaks to our family-owned company, the value offered in our products and to our customers.

We use advanced manufacturing techniques to build everything from entry-level travel trailers to luxury motorhomes. We offer the largest product line in the industry.

RV dealers and consumers look to Gulf Stream for high-value products offering quality construction, innovative features, contemporary design, unmatched service and on-going support.

We'd love to have you as part of the family.

The Gulf Streamers RV Club is a valuable benefit to all Gulf Stream owners. Members enjoy staying active and participating in the various rallies and caravans offered throughout the United States and Canada. The Main Stream, the club magazine, with up-to-date product information, service tips and company highlights. Members benefit from the Emergency Road Service and Gulf Streamers Insurance options. Both are available at competitive rates with friendly, reliable service. The 10% discount program at campgrounds throughout the U.S. and Canada. As a member, you'll receive discounts at National Theme Parks and special attractions, including RV and travel guides, directories and magazines.

Gulf Streamers spend time touring attractions, enjoying fabulous meals, taking in area highlights and shows to help make the most out of your RV experience. Special rallies throughout the year include Gulf Stream supplier seminars, complimentary minor repairs by Gulf Stream technicians, Gulf Stream dealer product displays and round table discussions to voice your product improvement ideas.
