ERGONOMIC KITCHEN...
The Independence offers abundant storage and kitchen work space to prepare your family's favorite meals. This unique kitchen features a large refrigerator, 3-burner range, convection microwave and dual basin sink. Corian counters and sink covers provide a durable and spacious food preparation area.

BATHROOM...
The wide open concept bathroom with neo-angled shower delivers the extra space needed to get ready for the day ahead.

SPACIOUS BEDROOM...
Gulf Stream's Two-Zone living concept gives you 30% more room to utilize throughout the day. By adding a sitting area to the bedroom and giving you the ability to shut the bedroom off from the rest of the coach allows you to read a good book, watch TV or work at the computer station.

The Independence offers this unique bunk bed configuration built into the slide room with exterior access and flip up bunk for transporting bikes or other large items.

VALUE...
Gulf Stream believes in adding value to the coach by utilizing residential hardware, durable cloth decor, residential carpet and linoleum, and Gulf Stream's very own Comfort Plus Furniture found only in a Gulf Stream Coach.

The main living area of the Independence also features a flat screen television, large hide-a-bed sofa, and spacious dinette which can be replaced with a free standing dinette table and chairs if you so choose.
**SPACIOUS LIVING...**

The newly redesigned Independence delivers more high end features than any other coach in its class. Enjoy dining in the Gulf Stream exclusive suite featuring a free standing dinette table and two chairs. The European style dinette can be moved about to suit your needs.
Excellent Weathering - Maintaining the vehicle's quality appearance enhances its resale value.

Tear Resistance - Flexroofs have abuse resistant finish, resist tearing, a condition that can cause leaks and lead to expensive repair.

Low Maintenance - Road grime can easily be removed with normal cleaning maintenance. Rubber chalking due to solar breakdown of the roof surface is eliminated, preserving the original appearance and resale value of the vehicle.

Stain Resistance - Fiberglass Flexroof is designed to resist staining and maintain its quality appearance.

Structural Integrity - Unlike conventional EPDM rubber roof membranes, Flexroof is a structural component of the roof system.

Textured Fiberglass - Helps dissipate heat and prevents tree limbs from tearing or scratching your roof.

Unlike traditional plywood and foam seating, Comfort Plus dinette seating features the strength of steel and the comfort of a sprung cushion.

All Comfort Plus furniture by Gulf Stream Coach also features residential styling, solid construction, total comfort and a comprehensive warranty.

Gulf Stream offers true flush floor slide out rooms to give you more headroom in the slide and eliminates the step up into the slide room that you will experience in many of our competitors motorhomes.

The Cradle of Strength super strength truss system is unmatched in the RV industry. The structural subfloor foundation begins by welding a network of integrated steel trusses to the chassis rail. Specifically designed to distribute and transfer the tremendous forces from the coach to the chassis rail, these trusses are individually tested to withstand 6,000 pounds each.

An all steel overhead structure installed above the cockpit brings strength and rigidity to the upper portion of the coach providing a safe, strong platform to install a TV that will not break free in an impact and maximizing overhead storage.

Seamless, carpeted, galvanized steel storage compartments safely cradle your valuables. Rust protective paint and foam sealed for extended life and a quiet ride.

High Efficiency VAC H-DUCTED ROOF AIR

Dual metal H-Ducted air conditioning system with foil bubble wrapped insulation for superior climate control.
**Optional Diesel Package**

**G.O.L.D. Program**

(Gulf Stream Ownership
Lifetime of Dedication)

Gulf Stream is dedicated to our customers and their enjoyment of our products. Our golden promise is to call you within four weeks of the new vehicle purchase date welcoming you to the Gulf Stream family. This call, made by your dedicated customer care person, is to let you know that if you ever need assistance with the operation of components, troubleshooting, or if you ever need to locate an authorized service center, you can rest assured that help is just a phone call away. With the G.O.L.D. Program we'll be there for you for the lifetime of your RV.
Holding tank capacities (both fresh water and waste water) are volume calculations based on overall tank dimensions. The capacities may differ from published calculations due to the result of tank installation, tank material variation, tank fitting locations and other plumbing variables.
Gulf Stream Coach
