*Luxury Red*

*Adrenaline Blue*

*Luxury Blue*

## Top Ten Checkpoints!

The SuperNova offers the Comfort/Plus Dream Dinette for easy conversion from dinette to bed and back..

SuperNova offers an optional extra safety feature in the Back up Monitor. Gives you extra viewing behind the RV.

The SuperNova has nearly 7' interior ceilings for a residential look and feel with 6 foot ceilings in the slideroom.

## Value, Added

**FLUSH FLOOR**  
Slide out rooms

The SuperNova includes flush floor slides for a clean residential look and feel.

Conquest has eliminated the carpeting on the built in stair well to make the cleaning process easier and to add traction so there is less likely to be slipping when maneuvering in and out of the vehicle. Several models also have the magnetic door stays that are easy to use and dependable.

**CONQUEST**  
TRAILHOMES

PRE-DRILLED  
HARDWOOD  
CONSTRUCTION

**SOLID  
HARDWOOD  
CABINETRY**

COMPETITOR'S CABINETRY

Our residential style cabinets are constructed of solid hardwood doors and fronts that are pre-drilled and screwed, then they are stained and top coated with a furniture grade finish that provides long lasting beauty and durability as well as adding strength and quietness to your motorhome.

Other companies use wrapped cabinet fronts prone to peeling, fading, and tearing. The softer composite wood used does not hold screws as well as hardwood resulting in loss of strength and squeaking. Discoloration will degrade the beauty and lower the value of the motorhome.

## Added, Value

Dual metal H-Ducted air conditioning system eliminates mildew causing condensation and is wrapped in foil bubble insulation for improved climate control.

Unlike traditional plywood and foam seating Comfort Plus Seating features the strength of steel and the comfort of a sprung dinette cushion.

**GALVANIZED  
STEEL  
STORAGE  
COMPARTMENTS**

Seamless, carpeted, galvanized steel storage compartments safely cradle your valuables. Rust protective paint and foam sealed for extended life and a quiet ride.

**Excellent Weathering -**  
Maintaining the vehicle's quality appearance enhances its resale value.

**Tear Resistance -** Flexroofs hard abuse resistant finish resists tearing, a condition that can cause leaks and lead to expensive repair.

**Low Maintenance -** Road grime can easily be removed with normal cleaning maintenance. Rubber chalking due to solar breakdown of the roof surface is eliminated, preserving the original appearance and resale value of the vehicle.

**Stain Resistance -** Fiberglass Flexroof is designed to resist staining and maintain its quality appearance.

**Structural Integrity -** Unlike conventional EPDM rubber roof membranes, Flexroof is a structural component of the roof system.

**Textured Fiberglass -** Helps dissipate heat and prevents tree limbs from tearing or scratching your roof.

**Seamless**  
Gild Resistant • Puncture Resistant  
**FIBERGLASS ROOF**

## Value, Added

**G.O.L.D. Program**

(Gulf Stream Ownership

Lifetime of Dedication)

Gulf Stream is dedicated to our customers and their enjoyment of our products. Our golden promise is to call you within four weeks of the new vehicle purchase date welcoming you to the Gulf Stream family. This call, made by your dedicated customer care person, is to let you know that if you ever need assistance with the operation of components, troubleshooting, or if you ever need to locate an authorized service center, you can rest assured that help is but a phone call away. With the G.O.L.D. Program we'll be there for you for the lifetime of your RV.

**Coach-Net®**

## **CHASSIS COMFORT AND SAFETY...**

When living the life of an RVer, half the fun is experienced enjoying the open road. It's no wonder that Conquest motorhomes and International focused greatly on the ergonomics, handling, weight capacities and safety of the Chassis to keep you safe and comfortable. Even when fully loaded.

# SUPERNOVA

## Superior Towing Capacity\*

The front windshield features over 2,000 sq. in (12,903 sq. cm.) of glass for excellent visibility. The one-piece design, thicker outer glass and swept-back angle increases safety and noise control - while helping to deflect road debris.

Three-step prime/base/clear coat process for hood and cab provides outstanding resistance to corrosion and fading, lowers maintenance costs and increases resale value.

Two-way breakaway mirror design can withstand an impact up to 9-mph, which eliminates door damage and reduces repair and replacement costs.

- GCWR - 33,000
- GVWR - 25,500

- 70 Gallon Fuel Tank

- VT365 International Diesel; 300 HP

Standard composite construction headlights with halogen bulbs are longer-lasting and easy to replace for increased uptime.

- Heavier Duty 2500 Series Allison Transmission!

A clean frame rail CA (cab to axle) simplifies body and equipment mounting.

Interior door handles wide door openings, three-point entry system and non-slip treaded steps provide easy entry and egress.

Powder-coated components resist rust, chips and scratches for added durability and longer-lasting good looks.

A set-back axle provides outstanding maneuverability and a tight turning radius, making it easier to negotiate through cramped spaces, which increases driver efficiency and productivity.

- 266" Wheel Base

\*towing based on model and customer load requirements

## CONSTRUCTION...

Quality, Comfort, Strength and Value are four great words to describe our mind set while designing and constructing the conquest lineup of products. You can see and feel the quality and attention to detail we gave every component. From the strength of our foundation, roof, floor and sidewalls, down to the comfort of our seat cushions, nothing was skipped.

### SUPER STRENGTH TRUSS SYSTEM

### 9" C CHANNEL

The super strength truss system is unmatched in the class C industry. The structural subfloor foundation begins by welding a network of steel web trusses to the chassis rail. Specifically designed to distribute and transfer the tremendous forces from the coach to the chassis rail these trusses are individually tested to withstand 6,000 pounds each.

## Conquest Motorhomes, Dare to Compare

1. Seamless Fiberglass Flexroof Designed to Resist Staining and Maintain Quality Appearance; Dissipates Heat and Prevents Tree Limbs from Tearing or Scratching Roof.
2. Luan Decking for Additional Strength.
3. Molded, High Density EPS (Expanded Polystyrene) Roof Brick Insulation - Provided Consistent Insulation Value as well as Superior Dimensional Rigidity.
4. One-Piece Formed Aluminum Air Conditioning Duct, Completely Surrounded By EPS Insulation.
5. Bubble-Wrapped Foil Insulation Provides Superior Insulation and Helps Prevent Condensation.
6. Rugged Welded Tubular Aluminum Roof Framing.
7. Rugged Heavy-Gauge Tubular Aluminum, Fixture Welded to Form the Sidewall Framing.
8. High-Density EPS Insulation Provides Superior Lamination and Bonding Characteristics and Insures Greater Energy Efficiency.
9. Interior Wall Panels Securely Laminated to Sidewall Framing.
10. "Super Slick" Fiberglass Exterior Vacuum-bond Laminated to Sidewall Framing for Lasting Beauty and Durability. (Option)
11. High-Quality Stain-Resistant Carpeting Available in Designer Coordinated Colors.
12. Extra-Thick Padding Under Carpet Provides Extra Comfort and Increases Carpet Durability.
13. Floor Decking Laminated to Steel Floor Structure Assures a Quiet, Long-Lasting Rigid Floor and comes with a 10-Year Warranty.
14. Heavy-Gauge Tubular Steel Floor Framing, Fixture Welded for Extra Strength and Stability.
15. Heavy-gauge Tubular Steel Framed, Fixture Webbed Floor Truss System Provides the Strongest Class C Foundation in the Industry.
16. Seamless Layer of Galvanized Steel Securely Laminated to the Steel Floor Framing.
17. Galvanized Steel Used to Form Each Storage & Holding Compartment.
18. Durable All-Weather Carpeting Completes Each Accessible Storage Compartment, Providing Extra Protection for Luggage and Valuables.
19. Rust-Prohibitive Paint Coating Applied to All Steel Framing Assures Corrosion and Rust Protection.
20. The Industry's Strongest, Most Spacious Exterior Storage Compartments.

## MODEL 6331

Chassis	International 4000 Series	Fuel	70 Gal.
Engine	300 Hp. V-8	Black	52 Gal.
GVWR	25,500	Grey	52 Gal.
Wheelbase	266"	Fresh	94 Gal.
Length	34' 1"	LP Gas Tank	64 lbs.
Exterior Height w/AC	12' 9"	Furnace	30,000 BTU
Exterior Width	101"	Water Heater	6 Gal.
Interior Height	84"	Basement Storage	96.73 cu. ft.

## MODEL 6362

Chassis	International 4000 Series	Fuel	70 Gal.
Engine	300 Hp. V-8	Black	52 Gal.
GVWR	25,500	Grey	52 Gal.
Wheelbase	266"	Fresh	94 Gal.
Length	37' 1"	LP Gas Tank	64 lbs.
Exterior Height w/AC	12' 9"	Furnace	30,000 BTU
Exterior Width	101"	Water Heater	6 Gal.
Interior Height	84"	Basement Storage	103.78 cu. ft.

## MODEL 6372

Chassis	International 4000 Series	Fuel	70 Gal.
Engine	300 Hp. V-8	Black	52 Gal.
GVWR	25,500	Grey	52 Gal.
Wheelbase	266"	Fresh	94 Gal.
Length	37' 2"	LP Gas Tank	68 lbs.
Exterior Height w/AC	12' 9"	Furnace	30,000 BTU
Exterior Width	101"	Water Heater	6 Gal.
Interior Height	84"	Basement Storage	111.88 cu. ft.

# TRANSPORTER II

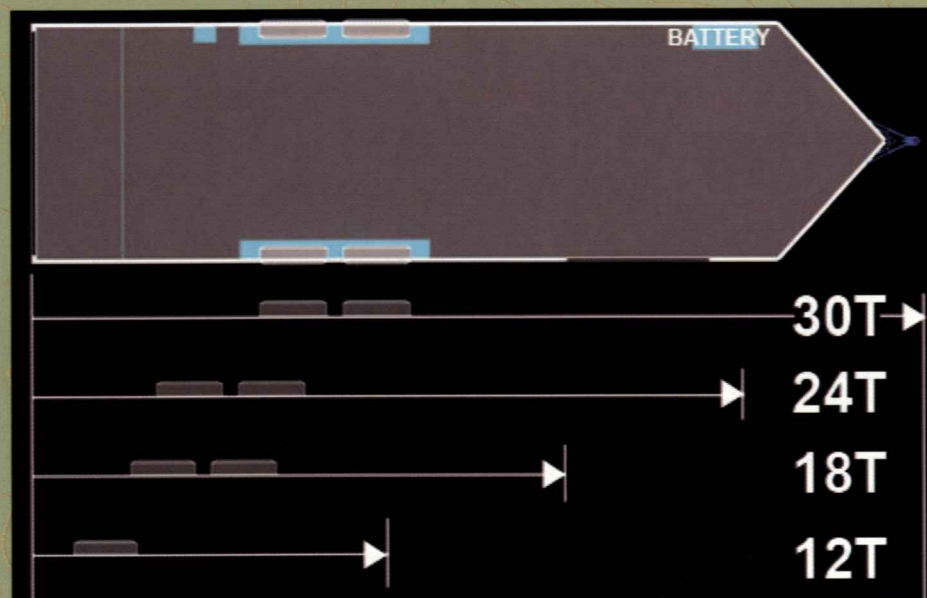

BY ENDURA

Fun destinations await as your fully laminated sports transporter trailer moves and stores your precious sports equipment in a dust free, insulated, and secure environment.

The lightweight sandwich style construction provides superior strength. The Transporter II has a damage resistant high quality gel coated fiberglass exterior that continues to look great after years use.

The Transporter II gives you more options for your hauling and towing needs. Laminated to protect your investment with additionally less wear and tear on your tow vehicle. In our 18' - 30' foot models there is enough room for a car and workbench; great for traveling businesses and sports enthusiasts.

V-nose Cabinet Option

Helmet Holder Option

Cooler Refrigerator Option

## Transporter Specifications & Features

Transporter	12T	18T	24T	30T

Spare tire  
Full body paint  
Graphics package  
Aluminum exterior ladder  
Double curbside swing doors with dual ramps  
Black TPO flooring  
2,500 lb curbside ramp entry door (NA 12T and 18T)

### Popular Options cont.

5,000 lb electric rear ramp door with hinge (NA on the 12T)  
3,000 lb ramp door (12T only)  
110V - 12V DC Cooler freezer tray  
Microwave  
11,000 BTU low profile A/C with a heat strip  
White pebble grain interior IPO Arctic panel  
Cabinet package (includes wardrobe & workbench)  
30 AMP service with (1) 20 AMP GFI outlet, shore cord and 60 AMP service  
1200 WATT inverter with (2) 6V batteries, shore cord and 30 AMP service  
Fluorescent lights  
Helmet storage and container  
Fresh water tank sizes vary: 66 gal 12T; 76 gal 18T; 98 gal 24T and 30T  
24 gallon fuel station with pump (24T and 30T only)  
98 gallon heated water tank with 12V pump and exterior shower (24T and 30T only)  
D-ring tie down system

**CONQUEST**  
MOTORHOMES

The Conquest Checkpoint is the outward physical symbol of our role as industry leaders. Our exacting standards for creating the best possible RV Customer experience are the direction the rest of the industry seeks.

Beyond the beaten path, to a new destination.

Conquest constantly looks to the future, casting a clear vision of "the next big thing" and making it happen. We don't follow trends; we set them. Beyond imagination, to reality.

GULF STREAM

COACH, INCORPORATED

Conquest Motorhome Division is a member of the Gulf Stream Coach family of products. As a privately owned company with nearly 25 years of RV manufacturing experience, Gulf Stream has set itself apart from the rest of the RV industry by giving the market exactly what it's looking for. We are constantly talking to our customers and dealers, taking their suggestions and implementing them in our products. We also use Lean Manufacturing Techniques, Six-Sigma Quality Control, Creative Standardization and 5 S practices to maximize our production efficiency and eliminate waste. Our efficiency has received accolades from Vincennes University for Total Quality Management. These practices have also gained recognition from the state of Indiana, as we have received the Indiana Governor's Award for Recycling, making us one of the few eco-friendly manufacturing companies in the industry. All these initiatives go back to one goal... To give you the highest value product offerings, quality construction, innovative features, contemporary designs, and unmatched service and on-going support.

The Gulf Streamers RV Club is a valuable benefit to all Gulf Stream owners. Members enjoy staying active and participating in the various rallies and caravans offered throughout the United States and Canada. Go to [www.streamers.gulfstreamcoach.com](http://www.streamers.gulfstreamcoach.com) for more information.
