Living Convenience...

Our spacious living quarters feature a well equipped galley, space saving entertainment center, stain resistant plush carpet, comfort plus furniture, and H-ducted ventilation system giving you all the comforts you would enjoy at home.

Off the map, on the mark.

6341 Comfort Plus/Dream Dinette offers more than a great place to visit and eat. It's soft spring loaded cushions turn down to form a sleeping area.

6341 Kitchen Galley features a 3-burner high performance range; 2-door, 2-way refrigerator, deluxe countertops and large convection microwave.
When living the life of an RVer, half the fun is experienced enjoying the open road traveling to your destination. It’s no wonder that Conquest motorhomes, Chevrolet and International focus on the ergonomics, handling, visibility and weight capabilities of the Chassis to make your travels safe and comfortable.

### STABIL-RIDE Suspension System

The best just got better. The optional Stabil-Ride™ suspension system integrates parabolic leaf springs, auxiliary springs, a stabilizer bar and tuned shocks, designed to provide a low maintenance, stable ride comparable to the ride of a diesel pusher. Enjoy unsurpassed handling with reduced body sway, particularly while cornering, and superior straight-line stability.

Gulf Stream specifies an extra heavy duty hitch rated at 10,000 lb. However, it is up to the owner to not exceed the Gross Combined Weight Rating (GCWR).

- GCWR is calculated as follows:
  - 19,500 GVWR is loaded to its maximum of 19,500 lb. This would leave 6,500 lb. towing capacity to 26,000 GCWR.

- Towing capacity can be increased by reducing payload appropriately.

Quality, Comfort, Strength and Value are four great words to describe our mindset while designing and constructing the conquest lineup of products. You can see and feel the quality and attention to detail we gave every component. From the strength of our foundation, roof, floor and sidewalls, down to the comfort of our seat cushions, nothing was skipped.

Off the map, **on the mark.**

**CONSTRUCTION...**

The super strength truss system is unmatched in the class C industry. The structural subfloor foundation begins by welding a network of steel web trusses to the chassis rail. Specifically designed to distribute and transfer the tremendous forces from the coach to the chassis rail these trusses are individually tested to withstand 6,000 pounds each.

When the chassis is stretched, Gulf Stream stands alone in the industry by using a full (6" on LE) or (8" on Super C and 10" on International) C channel extension versus the traditional 4" or less. This practice adds to the strength of the foundation and offers peace of mind that towing is safe on an extension that is true to the chassis.

GULF STREAM'S GOLDEN PROMISE

Gulf Stream is dedicated to our customers and their enjoyment of our products. Our golden promise is to call you within four weeks of the new vehicle purchase date welcoming you to the Gulf Stream family. This call, made by your dedicated customer care person, is to let you know that if you ever need assistance with the operation of components, troubleshooting, or if you ever need to locate an authorized service center, you can rest assured that help is but a phone call away. With the G.O.L.D. Program we'll be there for you for the lifetime of your RV.

**Value, Added**

Gulf Stream Class C’s have nearly 7’ interior ceilings for a residential look and feel.

Seamless, carpeted, galvanized steel storage compartments safely cradle your valuables. Rust protective paint and foam sealed for extended life and a quiet ride.

Gulf Stream Class C’s offer flush floor slides for a residential look and feel with 6 foot ceilings.

**Pre-drilled Hardwood Construction**

Our residential style cabinets are constructed of solid hardwood doors and fronts that are pre-drilled and screwed then they are stained and top coated with a furniture grade finish that provides long lasting beauty and durability as well as adding strength and quietness to your motorhome.

Other companies use wrapped cabinet fronts prone to peeling, fading and tearing. The softer composite wood used does not hold screws as well as hardwood resulting in loss of strength and squeaking. Discoloration will degrade the beauty and lower the value of the motorhome.

**Added, Value**

Unlike traditional plywood and foam seating Comfort Plus Seating features the strength of steel and the comfort of a sprung dinette cushion.

The Gulf Stream Class C’s have nearly 7’ interior ceilings for a residential look and feel.

Conquest has eliminated the carpeting on the built in stair well to make the cleaning process easier and to add traction so there is less likely to be slipping when maneuvering in and out of the vehicle. Several models also have the magnetic door stays that are easy to use and dependable.

**Solid Hardwood Cabinetry**

Dual metal H-Ducted air conditioning system with foil bubble wrapped insulation for improved climate control.

**Competitor’s Cabinetry**

The Conquest Checkpoint is the outward physical symbol of our role as industry leaders. Our exacting standards for creating the best possible RV Customer experience are the direction the rest of the industry seeks.

Beyond the beaten path, to a new destination.

Conquest constantly looks to the future, casting a clear vision of "the next big thing" and making it happen. We don't follow trends; we set them. Beyond imagination, to reality.

Conquest Motorhome Division is a member of the Gulf Stream Coach family of products. As a privately owned company with nearly 25 years of RV manufacturing experience, Gulf Stream has set itself apart from the rest of the RV industry by giving the market exactly what it's looking for. We are constantly talking to our customers and dealers, taking their suggestions, and implementing them in our products. We also use Lean Manufacturing Techniques, Six-Sigma Quality Control, Creative Standardization and 5S practices to maximize our production efficiency and eliminate waste. Our efficiency has received accolades from Vincennes University for Total Quality Management. These practices have also gained recognition from the state of Indiana, as we have received the Indiana Governor's Award for Recycling, making us one of the few eco-friendly manufacturing companies in the industry. All these initiatives go back to one goal... To give you the highest value product offerings, quality construction, innovative features, contemporary designs, and unmatched service and on-going support.

The Gulf Streamers RV Club is a valuable benefit to all Gulf Stream owners. Members enjoy staying active and participating in the various rallies and caravans offered throughout the United States and Canada. Go to www.gulfstreamcoach.com for more information.
