Coastal Style

Your Quality Time Comes From Our Quality Planning
Dive into Paradise
Owning a Caribbean is like experiencing a piece of paradise.
Take the plunge, and you'll never look back. This streamlined coach is so
very pleasing to the eye; easy style that flatters you. A neutral interior theme
with tropical overtures lends to your sunny mindset.

From seascapes to mountain views and everything that's green in between,
The Gulf Stream touch lifts you above and beyond.
Food, family, and friends come together in this winning kitchen and dining area featuring well-loved wood cabinetry of maple, spotless countertops of Corian, a functional dinette, and welcomed 32" LCD TV. No need to dine out or carry in; prep time is pleasant and efficient for all your meals and snacks.
Relax & Rejuvenate

Everyone knows the Caribbean stands for R&R. The master suite makes this apparent with stylish appointments that make rejuvenating comfortable and easy. There is space to unwind, exhale, and drift off at night and space to awaken, inhale, and dress in the morning. The Gulf Stream touch takes you away and brings you back.

Gulf Stream
And at the End of the Day...

Caribbean stories are told.  
Memories are born.  
It's all a breeze in your Caribbean.

The Gulf Stream touch ensures countless adventures ahead.
1. Laminated seamless fiberglass roof
2. Loan decking for additional strength
3. Molded high density EPS (Expanded Polystyrene) roof brick insulation
4. One-piece formed aluminum air conditioning duct, supported by EPS insulation
5. Bubble-wrapped foil super insulation helps prevent condensation
6. Rugged welded tubular aluminum roof framing
7. Rugged heavy-gauge tubular aluminum, fixture welded to form the sidewall framing
8. High-density EPS insulation provides superior laminating and bonding characteristics and insures greater energy efficiency
9. Interior wall panels are laminated to sidewall framing
10. "Super Stick" fiberglass exterior vacuum-bond laminated to sidewall framing for lasting beauty and durability
11. High-quality stain-resistant carpeting in designer coordinated colors
12. Extra-thick padding under carpet provides extra comfort and increases carpet durability
13. Seamless structure wood floor decking laminated to steel floor structure assures a quiet, long-lasting floor
14. Heavy-gauge tubular steel framing, fixture welded to form each storage and holding compartment
15. Heavy-gauge steel I-beam floor truss system - the strongest foundation in the industry
16. Seamless layer of galvanized steel securely attached to the steel floor framing
17. Galvanized steel used to form each storage & holding compartment
18. Durable all-weather carpeting completes each accessible storage compartment, providing extra protection for luggage and valuables
19. Rost-prohibitive paint coating applied to all steel framing assures corrosion and rust protection
20. The industry's strongest, most spacious exterior storage compartments

The Cradle of Strength
Super Strength Truss System is unmatched in the RV industry. The structural subfloor foundation begins by welding a network of integrated steel trusses to the chassis rail. Specifically designed to distribute and transfer the tremendous forces from the coach to the chassis rail, these trusses are individually tested to withstand 6,000 pounds each.

An all steel overhead structure installed above the cockpit brings strength and rigidity to the upper portion of the coach providing a safe/strong platform to install a TV that will not break free in an impact while maximizing overhead storage.
Features & Exclusive Benefits

Solid Hardwood Cabinetry

Gulf Stream residential style cabinets are constructed of solid hardwood doors and fronts that are pre-drilled and screwed then stained and top coated with a furniture grade finish - providing long lasting beauty and durability as well as strength and quietness to your motorhome.

Other companies use wrapped cabinet fronts prone to peeling, fading and tearing. The softer composite wood used does not hold screws as well as hardwood resulting in loss of strength and squeaking. Discoloration will degrade the beauty and lower the value of your motorhome.

Galvanized Steel Storage Compartments

Seamless, carpeted, galvanized steel storage compartments safely cradle your valuables. Rust protective paint and foam sealed for extended life and a quiet ride.

High Efficiency H-Ducted Roof Air

Dual metal H-Ducted air-conditioning system with foil bubble wrapped insulation for superior climate control. Gulf Stream’s roof air-conditioning system is a proven leader versus other brands’ floor systems:

- After 15 min. - 7 degrees cooler
- After 30 min. - 9 degrees cooler
- At 1 hour - remains 9 degrees cooler

Flush Floor Slide Out Rooms

True flush floor side out rooms to give you more headroom in the slide and eliminates the step up into the slide room that you will experience in many other brand motorhomes.

Comfort Plus Furniture

Gulf Stream’s own Comfort Plus Furnitures feature Leather Touch residential styling, solid construction, total comfort and a comprehensive warranty.

Unlike traditional plywood and foam seating, Comfort Plus dinette seatings features the strength of steel and the comfort of a sprung cushion.

Seamless, Skid Resistant, Puncture Resistant, Fiberglass Roof

Excellent Weathering:
Maintaining the vehicle’s quality appearance enhances its resale value.

Tear Resistance:
Flexroofs hard abuse resistant finish resists tearing, a condition that can cause leaks and lead to necessary and expensive repair.

Low Maintenance:
Road grime can easily be removed with normal cleaning maintenance. Rubber chalking due to solar breakdown of the roof surface is eliminated, preserving the original appearance and resale value of the vehicle.

Stain Resistance:
Fiberglass Flexroof is designed to resist staining and maintain its quality appearance.

Structural Integrity:
Unlike conventional EPDM rubber roof membranes, Flexroof is a structural component of the roof system.

Textured Fiberglass:
Helps dissipate heat and prevents tree limbs from tearing or scratching the roof.

24 Month
24,000 Mile, Warranty

Gulf Stream warranty on structural components. See the official written warranty for details.
