Elegant Interior Appointments...

Gulf Stream offers a comprehensive list of interior appointments, not offered by other manufacturers. This is easily seen by our "Brass & Glass" interior accents, that have raised the standard of light fixtures and mirrors for all motorhomes.

The *Scenic Cruiser* Luxury Diesel Motorhomes feature two distinctive floorplans. These creatively designed models are sure to meet the needs of your family.

RESIDENTIAL STYLE CABINETS

Hardwood Cabinets...

Our residential style cabinets are constructed with solid hardwood stiles and doors. This brings both structural integrity and beauty to your living environment.

Durable Construction...

Gulf Stream's advanced engineering begins with a seamless fiberglass roof, vacuum bond laminated sidewalls to give your home the very best rigidity as well as increased insulating value.

There is plenty of exterior storage for your travel needs. The *Scenic Cruiser's* sub-floor features steel construction with a combination of tubular steel and strong steel trusses. The basement storage compartments are formed of galvanized steel for superior strength and durability. They are carpeted to protect your belongings, and lighted for easy loading and unloading at night.

COMFORTABLY DESIGNED COCKPIT

Driver Comfort...

The cockpit is ergonomically designed to bring the controls to your fingertips. Large easy to read gauges and luxurious seating will make your driving time more comfortable.

Panoramic View...

The *Scenic Cruiser* provides you a pleasant driving experience. While traveling, you will enjoy the spacious panoramic view as you scan the countryside through the large one-piece windshield.

Advanced Water System...

Our advanced water manifold system provides a main distribution point for all water system hook-ups. This includes appliances and shut-off valves. The quick-response design also helps conserve water (40' only).
