A room with a view, wherever you go.
**SPACIOUS LIVING...**

Gulf Stream’s exclusive sun room slideout, which is getting rave reviews from many RVers, is available on both the 8410 and 8411 floorplans. This first in the industry innovative sun room gives you a wide range of sight from the curb side of the coach and opens up the coach to eliminate that boxed in feeling that other motorhomes give you. Also Gulf Stream makes you feel at home by introducing other residential features like hardwood cabinetry, residential hardware, deluxe carpet, flatscreen television with Gulf Stream’s own 5.1 G-sound, residential lighting fixtures, large refrigerator w/ optional icemaker, radius shower, and free standing dinette and recliner.

**ERGONOMIC...**

The Bathroom and Kitchen of the Atrium Special Edition are designed with practicality as well as aesthetics in mind. The bathroom features residential shower door and porcelain stool while the kitchen boasts abundant storage and workspace.
The bedrooms on the Atrium Special Edition feature Gulf Stream’s Two-Zone Living Concept. By adding a sitting area in the bedroom, we have increased the amount of useful daytime living area by 30%. With this arrangement, you have the ability to close off the bedroom area from the rest of the coach to give you privacy and the peace and quiet you deserve. This feature-packed bedroom also gives you washer/dryer hookups for the optional washer/dryer appliance in the 8410, a computer desk/vanity in the 8411 and 8408, and as with all Atrium Models a 20” flat screen television and more wardrobe storage than you would imagine.

Luxurious...
The entry of the bedroom/bathroom is adorned by elegantly designed French doors. Made with Amish craftsmanship out of 100% hardwood, we assure you these doors along with the hardwood interior appointments will maintain their luster for years.

Atrium SE Exclusive Features & Benefits

Our residential style cabinets are constructed of solid hardwood doors and fronts that are predrilled and screwed then they are stained and top coated with a furniture grade finish that provides long lasting beauty and durability as well as adding strength and quietness to your motorhome.

Other companies use wrapped cabinet fronts prone to peeling, fading and tearing. The softer composite wood used does not hold screws as well as hardwood resulting in loss of strength and squeaking. Discoloration will degrade the beauty and lower the value of the motorhome.

Seamless, carpeted, galvanized steel storage compartments safely cradle your valuables. Rust protective paint and foam sealed for extended life and a quiet ride.

Dual metal H-Ducted air conditioning system with foil bubble wrapped insulation for superior climate control.

Excellent Weathering - Maintaining the vehicle’s quality appearance enhances its resale value.

Tear Resistance - Flexroofs hard abuse resistant finish resists tearing, a condition that can cause leaks and lead to expensive repair.

Low Maintenance - Road grime can easily be removed with normal cleaning maintenance. Rubber chalking due to solar breakdown of the roof surface is eliminated, preserving the original appearance and resale value of the vehicle.

Stain Resistance - Fiberglass Flexroof is designed to resist staining and maintain its quality appearance.

Structural Integrity - Unlike conventional EPDM rubber roof membranes, Flexroof is a structural component of the roof system.

Textured Fiberglass - Helps dissipate heat and prevents tree limbs from tearing or scratching your roof.

Gulf Stream offers true flush floor slide out rooms to give you more headroom in the slide and eliminates the step up into the slide room that you will experience in many of our competitors motorhomes.

The Cradle of Strength super strength truss system is unmatched in the RV industry. The structural subfloor foundation begins by welding a network of integrated steel trusses to the chassis rail. Specifically designed to distribute and transfer the tremendous forces from the coach to the chassis rail, these trusses are individually tested to withstand 6,000 pounds each.

An all steel overhead structure installed above the cockpit brings strength and rigidity to the upper portion of the coach providing a safe strong platform to install a TV that will not break free in an impact while maximizing overhead storage.

Take the time to compare... and you will see the exceptional value of a Gulf Stream Coach.
Full body paint and three color options each protects the exterior and offers a cutting edge look with classic simplicity. Gulf Stream delivers the options you want to protect your investment, suit your budget, and visual preference.

The practice of Raised Rail Construction delivers more ceiling height while increasing the amount of underbody storage space. Gulf Stream Coach uses one-piece steel boxes in our underbody storage compartments which are then carpeted on the inside to protect your belongings while traveling down the road and coated with anti-corrosion paint on the underside to prevent deterioration. Slam latch doors on each storage compartment with lights in each and electrical outlets in two will provide all the conveniences you need to load and unload safely with ease.

The Gulf Streamers RV Club is a valuable benefit to all Gulf Stream owners. Members enjoy staying active and participating in the various rallies and caravans offered throughout the United States. Others simply enjoy the value of receiving their Main Stream, the club’s 44-page newsletter, with all its up-to-date product information, service tips and company highlights. Whether or not group camping is a part of your RV use, everyone can benefit from the Emergency Road Service and Gulf Streamers Insurance options. Both are available at competitive rates with friendly, reliable service. Another great benefit is the 10% Program, where campgrounds throughout the U.S. and Canada provide Gulf Streamers with a 10 percent discount on camping. As a member, you’ll also receive discounts on National Theme Parks and special attractions, including RV and travel guides, directories and magazines.

Rally and caravan participants spend time touring attractions, enjoying fabulous meals, taking in area highlights and shows, while having plenty of free time to relax or explore on their own. Our pre-scouted events include knowledgeable staff to assure you of the finest routes, the tastiest restaurants and the friendliest atmosphere to help make the most out of your RV experience. Special rallies throughout the year also include Gulf Stream supplier seminars, complimentary minor repairs by Gulf Stream technicians, Gulf Stream dealer product displays and round table discussions to voice your product improvement ideas.
