Treasure the Freedom of Affordable Travel
**ERGONOMIC KITCHEN...**
The Independence offers abundant storage and kitchen work space to prepare your family’s favorite meals. This unique kitchen features a large refrigerator, 3-burner range, convection microwave and dual basin sink. Corian counters and sink covers provide a durable and spacious food preparation area.

**SPACIOUS BEDROOM...**
Gulf Stream’s Two-Zone living concept gives you 30% more room to utilize throughout the day. By adding a sitting area to the bedroom and giving you the ability to shut the bedroom off from the rest of the coach allows you to read a good book, watch TV or sleep in peace and quiet.

The Independence offers beautiful decor options and plentiful storage.

**BATHROOM...**
The wide open concept bathroom with neo-angled shower delivers the extra space needed to get ready for the day ahead.

**SPACIOUS LIVING...**
The newly redesigned Independence delivers more high end features than any other coach in its class. Gulf Stream believes in adding value to the coach by utilizing residential hardware, luxurious hardwood cabinetry, durable cloth decor, residential carpet and linoleum, and Gulf Stream’s very own Comfort Plus Furniture found only in a Gulf Stream Coach.

The main living area of the Independence also features a flat screen television, large hide-a-bed sofa, and spacious dinette which can be replaced with a free standing dinette table and chairs if you so choose.
Independence Exclusive Features & Benefits

**Dual metal H-Ducted air conditioning system**
with foil bubble wrapped insulation for superior climate control.

**Seamless, carpeted, galvanized steel storage compartments** safely cradle your valuables. Rust protective paint and foam sealed for extended life and a quiet ride.

- **PRE-DRILLED HARDWOOD CONSTRUCTION**
- **COMPETITOR’S CABINETRY**

Our residential style cabinets are constructed of solid hardwood doors and fronts that are pre-drilled and screwed then they are stained and top coated with a furniture grade finish that provides long lasting beauty and durability as well as adding strength and quietness to your motorhome.

Other companies use wrapped cabinet fronts prone to peeling, fading and tearing. The softer composite wood used does not hold screws as well as hardwood resulting in loss of strength and squeaking. Discoloration will degrade the beauty and lower the value of the motorhome.

**GULF STREAM VS. BRAND A**
Cool Down Comparison

- At 15 minutes, Gulf Stream cooled 7 degrees cooler.
- At 30 minutes, Gulf Stream cooled 9 degrees cooler.
- At 1 hour, Gulf Stream cooled 9 degrees cooler.

Finally, empirical data demonstrating the efficiency and performance of a roof air conditioning system versus a floor air conditioning system.

Winner: Roof air conditioning by Gulf Stream
The Cradle of Strength super strength truss system is unmatched in the RV industry. The structural subfloor foundation begins by welding a network of integrated steel trusses to the chassis rail. Specifically designed to distribute and transfer the tremendous forces from the coach to the chassis rail, these trusses are individually tested to withstand 6,000 pounds each.

An all steel overhead structure installed above the cockpit brings strength and rigidity to the upper portion of the coach providing a safe strong platform to install a TV that will not break free in an impact and maximizing overhead storage.

2. Lauan Decking for Additional Strength.
3. Molded, High Density EPS (Expanded Polystyrene) Roof Brick Insulation - Provides Consistent Insulation Value as well as Superior Dimensional Rigidity.
4. One-Piece Formed Aluminum Air Conditioning Duct, Completely Surrounded By EPS Insulation.
5. Bubble-Wrapped Foil Insulation Provides Superior Insulation and Helps Prevent Condensation.
6. Rugged Welded Tubular Aluminum Roof Framing.
7. Rugged Heavy-Gauge Tubular Aluminum, Fixture Welded to Form the Sidewall Framing.
9. Interior Wall Panels Securely Laminated to Sidewall Framing.
11. High-Quality Stain-Resistant Carpeting Available in Designer Coordinated Colors.
13. Seamless Structurewood Floor Decking Laminated to Steel Floor Structure Assures a Quiet, Long-Lasting Rigid Floor.
15. Heavy-gauge Steel I-Beam Floor Truss System Provides the Strongest Foundation in the Industry.
16. Seamless Layer of Galvanized Steel Securely Attached to the Steel Floor Framing.
17. Galvanized Steel Used to Form Each Storage & Holding Compartment.
18. Durable All-Weather Carpeting Completes Each Accessible Storage Compartment, Providing Extra Protection for Luggage and Valuables.
19. Rust-Prohibitive Paint Coating Applied to All Steel Framing Assures Corrosion and Rust Protection.
20. The Industry’s Strongest, Most Spacious Exterior Storage Compartments.

Take the Time to Compare... and you will see the exceptional value of a Gulf Stream Coach
