REGENCY2005

YOU'VE DREAMT OF FREEDOM LIKE THIS. NOW IT'S YOURS.

It's not everyday that you embark on a new journey; a journey that surprises the mind, delights the senses and refreshes the soul. And with Regency you'll be traveling on that journey in comfort and style. Both fashionable and sporty at the same time, Regency can sleep up to six people, making it ideal for couples and families alike. It is also built to Triple E's uncompromising quality standards and loaded with more standard features and homey comforts than you would expect including:

- 13,500 BTU air-conditioner with heat strip
- Vacuum bonded aluminium framed sidewall and roof construction
- Microwave oven
- Filon Plus FRP sidewalls
- Oak finish cabinetry with solid oak door and drawer fronts
- Solid oak counter top edging

A place for everything and everything in its place; Regency's smartly designed galley maximizes counter and storage space.

The pull-out pantry (selected models only) stores your food and non perishable groceries.

You'll enjoy Regency's extra touches such as a dinette that expands your sleeping space by converting into a bed, pleated shades on the windows and a high quality sofa by Flexsteel.

The under counter caddy is ideal for storing cleaning supplies; another example of Regency's smart use of space (select models only).

Yes you can take it with you. Regency's pass-through exterior baggage compartments are surprisingly large and easy to access (select models only).

Regency options include an entertainment console with 20" flat screen TV.

Regency's charm lies in the details. The cabinetry features solid oak cabinet doors and drawer fronts with a rich oak finish. The furniture, fixtures and appliances are all top quality, ensuring you of years of trouble free use and enjoyment. Both living and storage space has been maximized thanks to the combination of intelligent floor plans and clever storage areas throughout the vehicle. Finally, Regency allows you to personalize and enhance your vehicle to meet your exact needs with a large number of options that include:

- Exterior patio awning
- 4.0 KW Onan Micro-Quiet® generator
- Electric step
- Exterior ladder
- Exterior shower
- XL convenience package

This convenient TV cabinet neatly closes off with a tambour sliding door to protect your electronics when not in use.

You'll enjoy sleeping-in, in Regency's spacious master bedroom with its comfortable double or queen bed. Both feature a residential quality spring coil mattress.

COLOUR OPTIONS

Personalize Regency's interior décor with one of four contemporary design schemes. Each motif has been selected by professional interior designers to skillfully coordinate upholstery, carpeting and window treatments for an overall effect that is both warm and inviting.

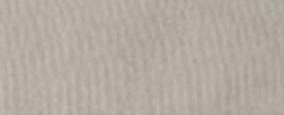

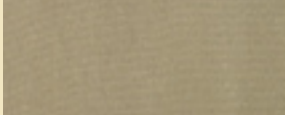

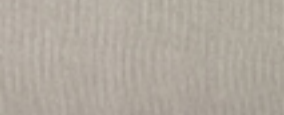

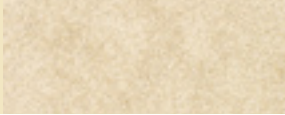

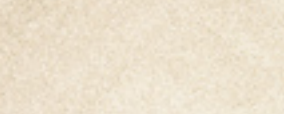

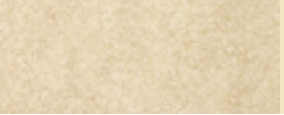

Autumn Oak Cabinetry

The Regency is equipped with Filon Plus smooth exterior sidewalls. Extremely dent and weather resistant, these panels will keep your motorhome looking its best for years to come.

GVWR (GROSS VEHICLE WEIGHT RATING)

The maximum permissible weight of this motorhome. The GVWR is equal to or greater than the sum of the unloaded vehicle weight (UVW) plus the net carrying capacity (NCC).

UVW (UNLOADED VEHICLE WEIGHT)

The weight of the motorhome as built at the factory with full fuel, engine oil, and coolants. The UVW does not include cargo, fresh water, LP gas, occupants, factory or dealer installed accessories.

NCC (NET CARRYING CAPACITY) — The maximum weight of all occupants, including the driver, personal belongings, food, fresh water, LP gas, tools, tongue weight of towed vehicle, factory and dealer installed accessories, etc., that can be carried by this motorhome. (NCC is equal to or less than GVWR minus UVW.)

Please see your dealer for weights of factory installed options.

2 Year Limited Warranty

Triple E is proud to offer a 2 year limited warranty on structure as well as most major components. Please see your dealer for further details.

A reputation for excellence since 1965

For forty years Triple E has produced style, comfort, durability and uncompromising quality in recreation vehicles. We've built our reputation by maintaining full control of the manufacturing process, and almost everything you see in the finished product has been built on site to our renowned high standards, plus those of the Canadian Standards Association or Recreational Vehicle Industry Association. Triple E was also one of the first RV manufacturers to achieve ISO 9001 certification. If you demand the best in your RV, you've found it in Triple E.
