

REGENCY 06

REGENCY 06

Never compromise.

Loaded with many of the features found in our larger Class A motorhomes, Regency is ideal for couples and small families who want a compact motor home but still want to travel first class. From the oak cabinetry in its well appointed kitchen to the many thoughtful extras we've added to its luxuriously furnished living area and, Regency offers more of what you need to make life on the road truly special.

C30G shown with Wrangler Decor

Need extra sleeping room? Regency has it covered with its spacious bunk and smartly designed dinette that quickly converts into a bed.

Available on select models, this pull-out pantry is a great way to keep your kitchen supplies neatly organized.

The chef will love Regency's ample galley storage space and its convection microwave oven (select models only).

Regency's charming bedroom is beautifully finished off with a decorative bedspread and matching pillows.

GVWR (GROSS VEHICLE WEIGHT RATING)

The maximum permissible weight of this motorhome. The GVWR is equal to or greater than the sum of the unloaded vehicle weight (UVW) plus the net carrying capacity (NCC).

UVW (UNLOADED VEHICLE WEIGHT)

The weight of the motorhome as built at the factory with full fuel, engine oil, and coolants. The UVW does not include cargo, fresh water, LP gas, occupants, factory or dealer installed accessories.

NCC (NET CARRYING CAPACITY)

The maximum weight of all occupants, including the driver, personal belongings, food, fresh water, LP gas, tools, tongue weight of towed vehicle, factory and dealer installed accessories, etc., that can be carried by this motorhome. (NCC is equal to or less than GVWR minus UVW.)

Please see your dealer for weights of factory installed options.

RECREATIONAL VEHICLES

Triple E Recreational Vehicles P.O. Box 1230, Winkler, Manitoba, Canada R6W 4C4 Telephone: (204) 325-4361 Fax: (204) 325-5241

www.tripleerv.com

Triple E Recreational Vehicles meet or surpass CSA-CRVA-RVIA standards covering electrical services, gas services, plumbing services and vehicular safety. Regency Motorhomes exceed 96" in width. In some states, 96" is the maximum width of vehicles travelling some or all state roads. It is the responsibility of the owner to be familiar with the road usage laws of the states in which you travel. Product improvement is a continuing process at Triple E Recreational Vehicles. Thus, we reserve the right to change specifications on any or all products without prior notice; errors and omissions excepted. Triple E Recreational Vehicles is under no obligation to undertake modification to units manufactured prior to changes on specifications. Brochure pictures may be shown with optional equipment. Colours may not be exactly as shown due to the printing process. Please see your dealer for specific colours.
