FS324RB in Encore Décor.

The Jack & Jill bed converts to a great play area and living space for the kids, or it can serve as a major storage space with exterior access.

We've thought of everything in our well-designed bathrooms. Convenient linen storage is located next to the full-sized neo-angle shower. The cherry medicine chest and vanity lend the space functional beauty.

Nothing could be finer. Topaz floorplans FS326 and FS341 have incorporated opposing slides for exceptional roominess. These layouts feature a residential kitchen with island, corian countertops, elegant free-standing table and chairs as well as the convenience of a convection microwave.
