ENJOY THE JOURNEY.

# EXCEEDING YOUR EXPECTATIONS

The Free Spirit sets the standard by which all other Class B's are compared. Leisure Travel Vans is committed to quality and attention to detail, and without a doubt you will see that a Free Spirit exceeds your expectations in everyway. The combination of the many features of the Sprinter Chassis gives the Free Spirit performance, maneuverability, handling, and a ride quality vastly superior to anything else in its class. High-end fabrics, curved solid wood cabinetry, solid surface countertop, and recessed LED lights compliment the entire unit. On top of all this, the Free Spirit is the most fuel efficient RV in the Leisure Travel Vans product lineup, boasting an impressive estimated up to 22 miles per gallon.

Unlike many Class B's, the Free Spirit houses a spacious enclosed bathroom with a toilet, sink and vanity, and handheld shower.

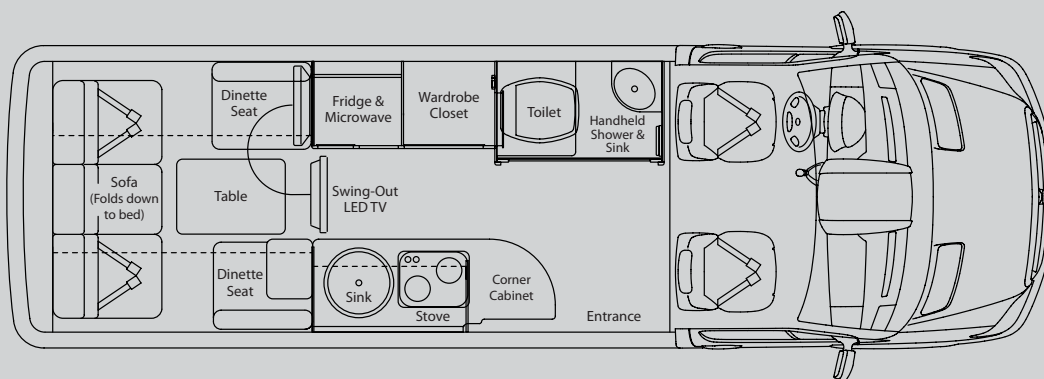

Enjoy the truly inviting comfort offered by warm interior colours, supple ultra-leather fabrics, and a luxurious "hardwood look" flooring.
