CONTESSA 2003

One Coach At A Time.
Take A Seat.

She knows how to make heads turn. From her sleek exterior to the luxurious interior spread, you’ll appreciate every elegant detail that distinguishes the Contessa. A spacious living area, ample seating, and plenty of fine hardwood storage cabinets make her a stand-out beauty. Delight in the hand-crafted throw pillows and hand-made window valances, which give the Contessa her royal touch.
Enjoy the exquisite details in the wide range of interior design choices. Contessa offers a warm Cinnamon décor, a kaleidoscopic Sepia décor, a luscious Juniper décor or an earthy River Rock décor. Even more options await with the fantastic fabrics by Paloma Picasso in a Cosmopolitan or Caravan décor. And, don’t forget the elegant cabinet wood choices in Oak, Walnut, Maple and Natural Cherry. With so many choices, you can make your Contessa a reflection of your personal style.
