“These are the days we’ll remember.”

DYNASTY
2009

MONACO
DRIVING YOUR DREAM.
Your life together is a book that’s written with every milestone. Epic in scope, rich with new adventures and rewards. And now, you’re setting out to make every day a new chapter. Because now, you’re setting out in the 2009 Dynasty. You’re combining your appreciation for life’s finer things with a passion for blazing a trail. You’ve found a luxury motorcoach that’s designed for both the journeys and the destinations. Designed to add volumes to your life story.
COME HOME TO THIS.

Start and end each day in the graciousness of the Dynasty’s kitchen and dining area. No matter how far-flung your adventures are, you’ll always return to its state-of-the-art amenities and impeccable styling. With so many impressive details, even if you’re not a gourmet chef, you’ll always have the option of becoming one.

Many ingenious features help you make the most of your time — and get the most from your space. With a place for everything, you’ll have less clutter and more room for the things that make this your home. Shown on the left is the optional central vacuum system with a toe-kick vacuum in the galley, for the ultimate convenience.
The Dynasty is designed to give you the flexibility to choose the standard and optional features that best suit you. Select a queen bed or king. Traditional mattress or air mattress. Ceramic tile or plank flooring. Shower or bathtub. These are just a few of the ways you can create the perfect living quarters — and the ultimate experience on the road.

YOUR MASTER SUITE.

The Dynasty is designed to give you the flexibility to choose the standard and optional features that best suit you. Select a queen bed or king. Traditional mattress or air mattress. Ceramic tile or plank flooring. Shower or bathtub. These are just a few of the ways you can create the perfect living quarters — and the ultimate experience on the road.
Every detail in the Dynasty’s cockpit is calculated to give you the utmost control and comfort behind the wheel – switches at your fingertips, memory settings in the pilot seat and optional GPS and Bluetooth™ technologies.

When parked, the front of the coach transforms into a place for projects or relaxation with a dash workstation and a power footrest on the co-pilot’s seat. And the exclusive Panaview 1-piece windshield provides an enormous, unobstructed view of what’s ahead.
4 The semi-monocoque design, with trussed superstructure, distributes stress unmatched strength. Structural steel; rails are spaced 44" on center for a wider stance and quiet ride (G670 RV tire).

5 P295/80R/22.5 Goodyear steel-belted all-season tires ensure a safe and evenly throughout the entire chassis and adds strength to sidewalls and bays.

6 Cushion Air Glide suspension system positions ten shocks and ten air bags, eight of which are outboard mounted with auto-leveling for greater stability, a smoother ride and the best handling in its class.

7 Unique three-degree rear axle tilt perfectly aligns the engine, transmission and differential, minimizing stress on the drivetrain and reducing noise in the coach.

8 Automatic Traction Control (ATC) eliminates wheel slippage in slick conditions and heightens control.

9 Tag axle lifts for added maneuverability in tight spots.

10,000 lb. hitch receiver offers powerful towing capacity with 7/4-way trailer plug (55,000 lb. hitch receiver optional).

11 Allison® 3000 MH 6-speed transmission for smooth shifting; our exclusive use of synthetic transmission fluid allows for up to three-year maintenance intervals. Allison® 4000 MH is also available with optional 500 HP engine.

12 Cushion Air Glide suspension system positions ten shocks and ten air bags, eight of which are outboard mounted with auto-leveling for greater stability, a smoother ride and the best handling in its class.

13 All chassis are equipped with steel cage construction, steel firewall and steel stepwell for added safety.

14 Accuride rim with AccuShield coating that cleans easily with soap and water.

15 Cummins® ISL 425 HP

16 The Dynasty is equipped with a gutsy Cummins® ISL 425 HP engine for exceptional power and torque at the RPM where you need it most. Want even more muscle? Check out this all-new option for 2009 — the Cummins® ISM 07 Emissions 500 HP engine. Yes, that’s 500 environmentally friendly, palm-sweating horses. (Optional engine available on all floorplans.)

17 The R.H. Sheppard power steering box allows for a 50-degree front wheel turn angle in both directions for better maneuverability and returns the steering wheel to its center position to eliminate driver fatigue.

18 Full-length frame rails fabricated from 3” by 8” by 1/4” 60,000 PSI structural steel; rails are spaced 44” on center for a wider stance and unmatched strength.

19 The semi-monocoque design, with trussed superstructure, distributes stress evenly throughout the entire chassis and adds strength to sidewalls and bays.

20 P295/80R/22.5 Goodyear steel-belted all-season tires ensure a safe and quiet ride (G670 RV tire).

THE DIFFERENCE IS IN THE DETAILS.

Take the wheel of a luxury motorhome, and you’re taking the wheel of the chassis it rides on. That’s why the Dynasty rides exclusively on a Roadmaster chassis that is custom built to deliver the very best diesel motorhome experience. Roadmaster’s semi-monocoque construction utilizes the most advanced design and engineering to distribute stress evenly throughout the entire chassis, reducing the possibility of torque or twisting and increasing durability and reliability. The Cushion Air Glide suspension system features 10 shocks and air bags, eight of which are outboard mounted, and the system is supported by the largest ping tanks in the industry. And front disc brakes provide added security, especially in poor road conditions. It’s the ultimate foundation for a luxury ride.

WHY DYNASTY.”

MULTIPLEX WIRING

Multiplex wiring, used throughout the coach, replaces cumbersome bundles of wire with separate modules. These modules communicate via a single wire, making servicing easier and reducing the overall weight of the RV. A service technician can simply hook up a laptop directly to the modules for easy troubleshooting.

WARRANTIES

12 Month/24,000 Mio. basic limited warranty
5 Years/50,000 Mio. limited warranty on aluminum or steel frame structure of sidewall, roof, front and rear cap
3 Years/50,000 Mio. limited warranty on Roadmaster chassis

See owner’s manual for complete details.
Choosing the Dynasty was easy. Now, it’s time to make it your own. For 2009, our designers are pleased to present a stunning array of standard and optional decors and cabinetry styles. But don’t worry, even if you end up flipping a coin, you’ll both win.

THE VIEW FROM ABOVE.

We invite you to take a moment and look over the Dynasty’s spacious, innovative floorplans. For 2009, just a few of the highlights include the new Bishop IV, the Yorkshire IV with a private bath, the huge, wall-mounted 46-inch TV in the Squire IV and new, deeper bed slide-outs on all models.
Due to continuous product improvement, please see the website for the latest in standards and options, specifications, and technical data. Go to www.monacocoach.com.

### Body Construction

- Heavy-Duty Steel Superstructure with Steel Cage Cockpit Construction
- Seamless One-Piece Molded Crowned Fiberglass Roof
- All-Season Foam Insulated Roof
- Laminated Gel Coat Fiberglass Sidewalls
- Five-Layer Flooring with Two Layers of OSB Flooring
- Deluxe Full-Body Paint
- Panaview™ 3-Piece Front Windshield
- Double-Head Power-Controlled Heated Chrome Exterior Mirrors with Turn Indicators
- Indicator Lights
- Halogen Fog Lamps
- Daytime Running Lights
- Recessed Side Docking Lights
- Roof-Mounted Dual Trumpet Air Horns
- Entry Step Storage
- Insulated Aluminum Baggage Doors with Power Locks
- Lined Pass-Through Storage compartments
- Interlocking Aluminum Framed Slide-Out Houses
- Side-Winged Baggage Doors with Electric Locks
- Rear Ladder
- Monaco Full-Length Mudflap with Stainless Steel Legs
- 34 Films Front Mask
- Storage Bay Slide-Out Tray (Complete Pass-Through)

### Chassis/Engine/Suspension

- Roadmaster 5 Series Semi-Monaco Chassis
- Multiple Choice Wiring
- Cummins® ISM or Emissions 500 HP (11.0L) Engine with Allison® 4000MH 6-Speed World Transmission and Electronic Shifter
- Torque: (@ 1300 RPM) 1,550 lbs./ft. Max. Net
- Engine Displacement: 667.1 (11.0L) (Stafford IV, Yorkshire IV & Regal IV Only)
- Cummins® ISM 425 (6.8L) Electronic Engine with Fuel Injection; Allison® 5000MH 6-Speed World Transmission and Electronic Shifter
- Torque: (@ 1300 RPM) 1,200 lbs./ft. Max. Net
- Engine Displacement: 538.7 (8.9L) (N.A: Stafford IV and Yorkshire IV)
- Dual Fuel Fill
- 12V DC System
- Rear Axle Ratio: 4.37:1 (Stafford IV, Yorkshire IV & Regal IV Only)
- 10,000 Lb. Hitch Receiver and 74/8\" Trailer Plug
- Remote Connection

### Options

- Cummins® ISM 67 Emissions 500 HP (11.0L) Engine with Allison® 4000MH 6-Speed World Transmission and Electronic Shifter
- Torque: (@ 1300 RPM) 1,550 lbs./ft. Max. Net
- Engine Displacement: 667.1 (11.0L) (Standard on Stafford IV, Yorkshire IV & Regal IV Only)
- 15,000 Lb. Hitch Receiver with Non-Liftable Tag Tow Vehicle Is Hugged Hook
- Dual Levelling Systems (Air/Hydraulic)
- Collision Avoidance System

### Cockpit

- In-Dash AM/FM Stereo with Single CD Player and Auxiliary Input
- Color Rear Vision System with Airline to Rear Camera Lens
- In-Dash Driver’s Message Center
- Integrated Compass and Temperature Gauge
- CB Radio Prep (Cable and Antenna)
- Recessed Slide-Out Dash Workstation
- Electric Cockpit Solar Screens with Blackout Shades
- Power Driver’s Side Window
- Adjustable Brake and Accelerator Pedals
- Lightweight VIP Smartmatic® with Ignition Key on Column and Controls for Windshield Wipers, ICC and Cruise Control
- Cruise Control Light on Dash
- Six-Way Power Pilot and Co-Pilot Seats with Electric Lumbar, Memory Capabilities on Pilot Side, Power Footrest on Co-Pilot Seat
- CB Radio
- Multi-Disc CD Player
- KrewGIS GPS Navigation System
- Passenger Side GPS Screen
- Bluetooth® HandsFreeLink® System
- Trip Info/Smarte Pressure Sensor System
- Sirius Satellite Radio System with FM Modulator (Requires Subscription)
- SEE-Vision Coach Monitoring System
- Winegard Trav’ler Slimline KU/KA Satelite with 5 LBs (Receivers Not Included)

- Oil Rubbed Bronze Finish on Hardware Throughout

PLUMBING AND LP SYSTEMS

- Central Water Filtration System in Service Bay
- Manabic Water System for Entire Coach
- Insulated Systems Compartment with Easy Access to Hook-Up
- Water Pump Switch in Galley, Bathroom and Service Bay
- China Toilet

HEATING, VENTS AND AIR CONDITIONING

- Two Low-Profile Ducted 15,000 BTU Rooftop Air Conditioners with Wall Thermostat and Heat Pump (Bishop IV Only)
- Three Low-Profile Ducted 15,000 BTU Rooftop Air Conditioners with Wall Thermostat and Heat Pump (42’ and Longer Floorplans Only)
- Girard® Heating System
- Electronic AC/Heat Climate Control System
- Center Defroster Vents
- 21” Atlas Fan with Full Thermostat and Rain Sensors in Private Lavatory and Galley

ELECTRICAL SYSTEMS AND LIGHTS

- 50 Amp 125/240V Distribution Panel and Power Cord with Quick Disconnect
- Onan® 10.0 kW QD Generator on Power with Flush-Mounted Covers
- Slide-Out Tray with Auxiliary Start Switch and Automatic Temperature Start
- 2,000 Watt Pure Sine Wave Inverter with Auto Gen Start and Auto Temp Start
- Pilot and Co-Pilot Map Lights
- Switches for Bedroom Decorative Lights on Both Sides of Bed
- 12V Mattress with Digital Remote (N/A: Squire IV)
- Smoke Detector
- Carbon Monoxide Detector
- Integrated Pilot and Co-Pilot Three-Point Seatbelts
- Third Brake Safety Light
- Egress Windows

WINDOWS, DOORS AND AWNINGS

- Flush-Mounted Radius Dual Pane Safety Glass Dark Tinted Windows
- Front Door Entry with Air Seal, Removable Top Screen and Automatic Front Door Awning
- Keyless Remote Entry System with Pocket Remote
- Topper Awning on Slide-Out Houses
- Window Awnings on All Slide-Outs’ House Windows (N/A: Passenger Side Front Slide-Out Windows)
- Automatic Patio Awning

FURNITURE (FLOORPLAN DEPENDENT)

- Legless Side-Slide Solid Surface Dinette Table with Two Reextending Dinette Chairs and Two Folding Chairs
- Fabric Sleeper Sofa with Drawer
- Leather Sleeper/Lounge with Drawer
- Queen Mattress (60”x80”)

- King Bed (72”x 80”) (N/A: Squire IV)
- Queen Air Mattress with Digital Remote
- King Air Mattress with Digital Remote (N/A: Squire IV)
- Roadside: Computer Table with Leather Euro-Recliner and Ottoman
- Leather Sleeper Sofa with Drawer

- Leather Hide-a-Bed with Air Mattress
- Leather Hide-a-Bed
- Leather Lounger

Take a closer look, and you'll discover that Monaco Coach Corporation gives you more industry “bests” than any other RV manufacturer. Like the incomparable ride and handling of the Roadmaster Chassis. The convenience of our 3,500 service centers. The peace of mind of 24/7 roadside assistance. The value of Monaco Financial Services. And the online support of monacocoach.com. At Monaco, we've built our reputation by listening to you — and answering to you. And that's the difference that's made us the best.
