“Everything we’ve waited for is here.”

DYNASTY
2010

MONACO
DRIVING YOUR DREAM.
Your life together is a book that’s written with every milestone. Epic in scope, rich with new adventures and rewards. And now, you’re setting out to make every day a new chapter. Because now, you’re setting out in the 2010 Dynasty. You’re combining your appreciation for life’s finer things with a passion for blazing a trail. You’ve found a luxury motorcoach that’s designed for both the journeys and the destinations. Designed to add volumes to your life story.
COME HOME TO THIS.

Start and end each day in the graciousness of the Dynasty's kitchen and dining area. No matter how far-flung your adventures are, you’ll always return to its state-of-the-art amenities and impeccable styling. With so many impressive details, even if you’re not a gourmet chef, you’ll always have the option of becoming one.

Many ingenious features help you make the most of your time – and get the most from your space. With a place for everything, you’ll have less clutter and more room for the things that make this your home. Shown on the left is the optional central vacuum system with a toe-kick vacuum in the galley, for the ultimate convenience.
The Dynasty is designed to give you the flexibility to choose the standard and optional features that best suit you. Select a queen bed or king. Traditional mattress or air mattress. Ceramic tile or plank flooring. Shower or bathtub. These are just a few of the ways you can create the perfect living quarters – and the ultimate living experience on the road.
Every detail in the Dynasty’s cockpit is calculated to give you the utmost control and comfort behind the wheel – switches at your fingertips, memory settings in the pilot seat and optional GPS and Bluetooth™ technologies.

When parked, the front of the coach transforms into a place for projects or relaxation with a dash workstation and a power footrest on the co-pilot’s seat. And the exclusive Panaview 1-piece windshield provides an enormous, unobstructed view of what’s ahead.
4 full-length frame rails fabricated from 3” by 8” by 1/4” structural steel; rails are spaced 44” on center for a wider stance and smoother ride and the best handling in its class.

5 The semi-monocoque design, with trussed superstructure, distributes unmatched strength.

6 The power steering box allows for a 50-degree front wheel turn angle in both directions for better maneuverability and returns the steering wheel to its center position to eliminate driver fatigue.

7 All chassis are equipped with steel cage construction, steel firewall and steel stepwell for added safety.

8 AccuShine rim with AccuShield coating that cleans easily with soap and water.

- Tag axle lifts for added maneuverability in tight spots.
- Automatic Traction Control (ATC) eliminates wheel slippage in slick conditions and heightens control.
- The power steering box allows for a 50-degree front wheel turn angle in both directions for better maneuverability and returns the steering wheel to its center position to eliminate driver fatigue.
- All chassis are equipped with steel cage construction, steel firewall and steel stepwell for added safety.
- AccuShine rim with AccuShield coating that cleans easily with soap and water.

ROADMASTER S-SERIES SEMI-MONOCOQUE CHASSIS

1 10,000 lb. hitch receiver offers powerful towing capacity with 7/4-way trailer plug. Optional 15,000 lb. hitch receiver also available.

2 Allison® 4000 MH 6-speed transmission for smooth shifting; our exclusive use of synthetic transmission fluid allows for up to three-year maintenance intervals.

3 Cushion Air Glide suspension system positions ten shocks and ten air bags, eight of which are outboard mounted for greater stability, a smoother ride and the best handling in its class.

- Unique three-degree rear axle tilt perfectly aligns the engine, transmission and differential, minimizing stress on the drivetrain and reducing noise in the coach.
- Automatic Traction Control (ATC) eliminates wheel slippage in slick conditions and heightens control.
- Tag axle lifts for added maneuverability in tight spots.
- Full-length frame rails fabricated from 3” by 8” by 1/4” 60,000 psi structural steel; rails are spaced 44” on center for a wider stance and unmatched strength.
- The semi-monocoque design, with trussed superstructure, distributes stress evenly throughout the entire chassis and adds strength to sidewalls and bays.

4 500 Hp diesel engine

500 Hp Cummins® ISM 500 HP

The 2010 Dynasty rules the road with a big Cummins® ISM 500 HP diesel engine (optional on the Cheshire IV). Power you never dreamed possible.

MULTIPLEX WIRING

Multiplex wiring, used throughout the coach, replaces cumbersome bundles of wire with separate modules. These modules communicate via a single wire, making servicing easier and reducing the overall weight of the RV.

A service technician can simply hook up a laptop directly to the modules for easy troubleshooting.

8-LAYER MOLDED FIBERGLASS ALL-SEASON FOAM INSULATED ROOF

(top to bottom)

- One-piece 1/4” fiberglass roof is crowned for easy water runoff and seamlessly joined with front and rear caps; non-skid walkways provide added safety and convenience
- Vapor barrier
- 3/1-2” tapered bead foam supports the crowned roof, center tunnel houses wiring and air conditioner ducts
- 1/4” marine grade plywood sheathing
- Tubular steel framework
- State-of-the-art closed cell foam seals every nook and crevice
- Luxan and vinyl paneling are Vac-U-Bonded
- Padded vinyl interior headliner absorbs sound and is easy to clean

6-LAYER LAMINATED GEL COAT FIBERGLASS SIDEWALLS

(left to right)

- Decorative wall coverings
- Luxan paneling, walls are Vac-U-Bonded for added strength
- Heavy-gauge tubular steel and 4” plate backers
- State-of-the-art closed cell foam seals every nook and crevice
- Luxan paneling
- Gel coat fiberglass outer wall

5-LAYER FLOORING

(top to bottom)

- Tile or 1/2” carpet pad and carpeting
- OSB flooring provides strength and durability
- Decibel paper intercepts and dampens road noise
- OSB flooring
- Waterproof Darco underbelly provides moisture barrier

THE DIFFERENCE IS IN THE DETAILS.

Take the wheel of a luxury motorhome, and you’re taking the wheel of the chassis it rides on. That’s why the Dynasty rides exclusively on a Roadmaster chassis that is custom built to deliver the very best diesel motorhome experience. Roadmaster’s semi-monocoque construction utilizes the most advanced design and engineering to distribute stress evenly throughout the entire chassis, reducing the possibility of torque or twisting and increasing durability and reliability. The Cushion Air Glide suspension system features 10 shocks and air bags, eight of which are outboard mounted, and the system is supported by the largest ping tanks in the industry. And front and rear disc brakes (drum on the tag axle) provide added security, especially in poor road conditions. It’s the ultimate foundation for a luxury ride.

Dynasty’s roomy storage bays feature insulated side-swing doors with power locks. Pullout pass-through compartments easily accommodate larger items, and a slide-out tray means no awkward bending or reaching.
NOW FOR THE HARD PART.

Choosing the Dynasty was easy. Now, it’s time to make it your own. For 2010, our designers are pleased to present a stunning array of standard and optional decors and cabinetry styles. But don’t worry, even if you end up flipping a coin, you’ll both win.

RALPH LAUREN PACKAGE:
Here’s a feast for your senses. Our exclusive Ralph Lauren package offers upgraded features throughout the coach. Because we want your life on the road to be beautiful.

- Exclusive Ralph Lauren Fabrics, Both Living Room and Bedroom
- Upgraded Villa Furniture Featuring 2-Tone Ralph Lauren Fabric/Leather and Villa Dinette Chairs

- Exclusive Fabriza Carpet
- Black Microwave

Note: Colors depicted are a reasonable representation though they may not be an exact match of the actual colors due to variances in processing and production. See your dealer for actual fabric and paint chip samples.
ALL ROADS LEAD TO WWW.MONACOCOACH.COM.

Wherever the road takes you, you're never more than a click away from your friends at Monaco. Just go to www.monacocoach.com for all the latest product news, club dates and destinations, a dealer locator function, and factory tour information. You can also e-mail us directly through the site at any time.

BUY LOCALLY. ENJOY EVERYWHERE.

Monaco RV strongly encourages our retail customers to purchase from their local dealerships whenever possible. Buying a new Monaco RV locally allows a customer to establish a relationship with a dealer close to home and provides convenient service and support from product-trained technicians. On our end, Monaco RV will continue to provide our dealer partners and customers with the finest recreational vehicles in the industry.
Due to continuous product improvement, please visit www.monacocoach.com for the latest in standards and options, specifications, and technical data.

**BODY CONSTRUCTION**
- Heavy-Duty Steel Superstructure with Steel Cage Cockpit Construction
- Seamless One-Piece Molded Crowned Fiberglass Roof
- All-Season Foam Insulated Roof
- Laminated Floor Contour Fiberglass Sidewalls
- Five-Layer Flooring with Two Layers of USB Flooring
- Deluxe Full-Body Paint
- Panaview™ 1-Piece Front Windsheild
- Double Head Power Controllned Heated Chrome Exterior Mirrors with Cameras
- Halogen Fog Lamps
- Daytime Running Lights
- Recessed Side Docking Lights
- Roof Mounted Dual Trumpet Air Horns
- Entry Step Storage
- Insulated Aluminum Baggage Doors with Power Locks
- Lined Pass-Through Storage Compartments
- Interlocking Aluminum Framed Slide-Out Houses
- Side-Hinged Baggage Doors with Electric Locks
- Rear Ladder

**CHASSIS/ENGINE/SUSPENSION**
- Roadmaster S-Series Semi-Monocoque Chassis
- Multiple Chassis Wiring
- Cummins® ISM 500 HP (11.0L) Engine with Allison® 4000 MH 6-Speed World Transmission and Electronic Shifter
- Torque: (p@ 1,300 RPM) 1,550 lbs./ft. Max. Net
- Engine Displacement: 661"/11.0L (Majestic V, Yorkshire IV and Regal IV)
- Cummins® ISL 425 HP (8.8L) Electronic Engine with Fuel Injection; Allison® 3000 MH 6-Speed World Transmission and Electronic Shifter
- Torque: (p@ 1,200 RPM) 1,200 lbs./ft. Max. Net
- Engine Displacement: 538"/8.9L (Cheshire IV Only)
- Dual Fuel Fill with Locking Fuel Cap
- 200-Amp Alternator
- Rear Axle Ratio: 4.31:1 (Majestic V, Yorkshire IV and Regal IV)
- Rear Axle Ratio: 4.78:1 (Cheshire IV Only)
- Tires: 295/ROR/22.5
- Remote Transmission Fill
- Polished Aluminum Wheels
- Full-Cushion Air Glide Suspension with Ten-Air Bags and Ten Shock Absorbers, Eight Outboard-Mounted
- Automatic Traction Control
- Anti-Locking Braking System with Front Disc Brakes and Rear Drum Brakes (Cheshire IV Only)
- Anti-Locking Braking System with Front and Rear Disc Brakes (Majestic V, Yorkshire IV and Regal IV)
- Tag Axle with Anti-Lock Braking System and Drum Brakes
- Two-Stage Jacobs Engine Brake with Toggle Switch on Driver Console
- Prewire for Supplemental Braking System

**Cockpit**
- In-Dash AM/FM Stereo with Single CD Player and Auxiliary Plug-In
- Color Rear Vision System with Air Line to Rear Camera Lens
- In-Dash Driver's Message Center Integrated Compass and Temperature Gauge
- CB Radio Prep
- Recessed Side-Out Dash Workstation
- Electric Cockpit Solar Screens with Blackout Shades
- Power Driver’s Side Cab Window
- Adjustable Brake and Accelerator Pedals
- Litheg V Smartwheel™. With Ignition Key on Column, Two-Tone Leather, Multiplexing 8" Steering Wheel; Controls for Windshield Wipers; ICC and Cruise Control
- Cruise Control Light on Dash
- Six-Way Power Pilot and Co-Pilot Seats; With Electric Lumbar, Memory Capabilities on Pilot Seat; Power Footrest on Co-Pilot Seat

**STANDARD & OPTIONS**
- Engine Block Heater with Switch on Dash
- Automatic Air Leveling System
- 15,000 Lb. Hitch Receiver and 7-Way Trailer Plug
- Remote Inflation Connection

**OPTIONS**
- Cummins® ISM 500 HP (11.0L) Engine with Allison® 4000 MH 6-Speed World Transmission and Electronic Shifter
- Torque: (p@ 1,200 RPM) 1,550 lbs./ft. Max. Net
- Engine Displacement: 661"/11.0L (Standard on Majestic V, Yorkshire IV and Regal IV Only)
- 15,000 Lb. Hitch Receiver with Non-Liftable Tag When Tow Vehicle Is Hooked Up
- Dual Leveling Systems

**Options**
- CB Radio
- I-Link CD Player
- GPS Navigation System
- Bluetooth® HandsFreeLink™ (Requires GPS Navigation System)
- Sirius Satellite Radio System with FM Modulator (Requires Subscription)
- SEE-Vision Coach Monitoring System

- Onan® 5.5 kW Generator on Power Slide-Out Tray with Auxiliary Start Switch and Automatic Temperature Start
- 2,200 Watt Pure Sine Wave Inverter with Auto Gen Start and Auto Temp Start
- Pilot and Co-Pilot Map Lights
- Switches for Bedroom Decorative Lights on Both Sides of Bed
- Lighted Utility Center: Phone, Cable TV, Water, Electrical Hook-Ups
- 120V Outlet in Private Bath

PLUMBING AND LP SYSTEMS
- Central Water Filtration System in Service Bay
- Manabloc Water System for Entire Coach
- Insulated Systems Compartment with Easy Access to Hook-Up
- Water Pump Switch in Galley, Bathroom and Service Bay
- China Toilet

HEATING, VENTS AND AIR CONDITIONING
- Three Low-Profile Ducted 850 BTU Roof Air Conditioners with Wall Thermostat and Heat Pump
- Aqua-Hot® Heating System
- Electronic AC/Heat Climate Control System
- Center Defroster Vents
- 12V Attic Fan with Wall Thermostat and Rain Sensors in Private Lavatory and Galley

WINDOWS, DOORS AND AWNINGS
- Flush-Mounted Radius Dual Pane Safety Glass Dark Tinted Windows
- Front Entry Door with Air Seal, Removable Top Screen and Automatic Front Door Awning
- Keyless Remote Entry System with Pocket Remote

SAFETY
- Backup Alarm
- Fire Extinguisher
- Deadbolt Lock on Entrance Door
- Lighted Interior and Exterior Grab Handles
- 120V GFI Protected Circuit (Galley, Bathroom, Storage Bay)
- LP Gas Detector

OPTIONs
- Onan® Power-Shield with Directional Coupling
- Multiple 12V Wiring for Dash/Instrument Panel Gauges and Interior of Coach
- 100 Watt Solar Panel
- Accent Patio Lighting
- Power Water Hose Reel
- RV Sani-Con Tank Drainage System
- Changer® Water System
- Bathshower (N/A Cheshire IV)

- Girard® Automatic Patio Awning with Remote
- Girard® Automatic Front Door Awning
- Girard® Automatic Patio Awning
- Girard® Automatic Patio Awning with Remote
At Monaco RV it’s our goal for all our customers to enjoy their RV experience from the beginning. We have forged strong, reliable relationships with our dealer partners, and we encourage our customers to do the same. We’re proud to boast a network of over 350 dealership partners and service centers across North America. We’re confident that this relationship will only enhance your RV experience and provide the added peace of mind you desire, so you can focus on the important stuff. After all, we’re not just selling a world-class product, we’re selling “fun.” You can rest assured, Monaco RV will be along for the ride, every mile your RV adventure takes you.
