Dynasty's dining area is as exquisite as it is comfortable. You'll appreciate the roominess of a free-standing dinette with two chairs (and two folding chairs) standard, or an optional booth dinette ensemble.

Cook up a masterpiece in a kitchen featuring high-end appliances, hardwood cabinetry, solid surface countertops, a decorative tile and glass backsplash, with a pull-out countertop extension with drawers.

The comfortable cockpit boasts UltraLeather™, six-way power pilot and co-pilot seats, in-dash driver message center, 3-camera color rear vision system, GPS and optional SiriusXM™ Satellite Radio (requires subscription).

Luxurious décor and fabric styles, along with a standard queen bed (king available), a 32-inch LCD TV and DVD player make Dynasty's master bedroom the perfect place to retire at the end of an eventful day.

In the Dynasty's bathroom, you'll find gorgeous porcelain tile flooring, a solid surface countertop with integrated bowl and decorative backsplash, and a roomy Corian® shower.

Make yourself at home with dinette, recliner and sofa options, as well as amenities like a home theater system with a 42-inch LCD flatscreen TV, MP3 USB port and an optional in-motion satellite system.

Due to continuous product improvements, please visit us online at MonacoCoach.com for the latest in standards, options, specifications and technical data.

¹ Towing capacity is limited by GCWR; your vehicle's towing capacity is the difference between the GCWR and the actual vehicle weight, including all water, fuel, passengers and cargo. Your towed vehicle should be equipped with auxiliary brakes if the weight of the towed vehicle exceeds 1,000 lbs. consult your owner's manual for further towing information.

² All tank capacities are estimated based upon calculations provided by the tank manufacturers and represent approximate capacities. The actual "usable capacity" may be greater or less than the estimated capacities based upon fabrication and installation of the tanks.

³ Actual filled LP capacity is 80% of listing due to safety shut-off required on tank.

The actual overall length of the recreational vehicle may differ from that indicated in the brochure due to variances in the manufacturing process and/or installed components. The actual length may be greater or less than that indicated. Due to the large variety of options and floorplan arrangements available to our customers, actual weights for each unit can differ significantly. Monaco provides a weight sticker on each unit we produce which includes that unit's tank capacities and approximate weight. Consult your local Monaco dealer for unit availability and further information. The information printed in this brochure reflects product design, fabrication, and component parts at the date of printing. The manufacturer reserves the right, at any time, to make changes in product design or material or component specifications as its sole option, without notice. This includes the substitution of

components of a different brand or trade name which will result in comparable performance. All information printed in this brochure is subject to change after the date of printing. Some features shown or mentioned in this brochure are optional and may only be available in selected floorplans. Photographs may depict a floorplan option that has been discontinued or is no longer available at the time of your purchase. Photographs may show props or decorations that are not standard equipment. While the color of the motorhome's exterior and the interior fabrics depicted in this sales brochure are fair and reasonable depictions, the colors depicted may not be an exact match of the actual colors because of the variances in

photo-processing and printing. Due to product improvements, changes during the model year and/or transcription errors that may occur, information represented within this brochure may not be accurate at the time of your purchase. If certain information is significant to your purchasing decision, please confirm the information with your dealer. Component part and appliance manufacturers issue limited warranties covering portions of the recreational vehicle not covered under the Limited Warranties issued by Monaco RV, LLC. To learn specific details regarding warranty coverage, please contact your selling dealership or review the warranty packet inside the recreational vehicle.
