

MONACO<sup>®</sup>

DRIVING YOUR DREAM.

2006 ESQUIRE<sup>™</sup>

By day, this cozy booth dinette features a table top with side-slide adjustment. At night, it's easily converted into a bed that's perfect for kids or guests.

## THE MINI-MOTORHOME WITH MEGA-QUALITY AND MEGA-STYLING. AFTER ALL, IT'S A MONACO.

Looking for a mini-motorhome that's easy to drive and easy to own? Look no further. The 2006 Esquire combines the legendary quality, craftsmanship and owner support you'd expect from a high-end Monaco coach, with the convenience and affordability of a mini. Yes, even in our smallest motorhome, you're enthusiastically welcomed into the Monaco family — and that's a worry-free way to see the country. So gather up the kids and all your gear. You're headed for some mega-adventures.

The Monaco Esquire's distinctive styling starts with the quality and beauty of the woodwork. Highlights include cabinet doors with woven raffia inserts and wood slide-out fascia with fabric inserts. For durability, you can count on wood drawer boxes and heavy-duty ball-bearing drawer guides. And for easier use, the overhead cabinets are top-hinged and self-supporting. Throughout the interior, satin nickel hardware, kitchen faucets, bath accessories and decorative lighting unify the decor.

- 1 Versatility is the buzzword in the galley, with plenty of countertop workspace and roomy storage space. The large double-door refrigerator is perfect for longer intervals between pit stops, and the combination convection/microwave oven has easy-to-use settings for many styles of cooking. (27PBD, Champagne Select, Birch Bark)
- 2 This optional built-in radio/CD player makes an excellent addition to the living area. (27PBD, Champagne Select, Birch Bark)
- 3 The vanity and medicine cabinet provide roomy, secure storage for all your necessities. The decorative wallboard and attractive wallpaper border carry into the bathroom, and the newly styled satin nickel vanity lights add a delightful finishing touch. (27PBD, Champagne Select, Birch Bark)

## SIMPLY THROW A DART AT THE MAP, AND YOU'RE OFF AND RUNNING.

In an Esquire mini-motorhome, you have the freedom to head in any direction at a moment's notice. And while you're underway, you'll appreciate the well-organized comfort of the cockpit, with tilt steering wheel, cruise control, power steering and multi-positioned sunvisors — all designed to help reduce driver fatigue. Yes, in a Monaco, more than half the fun is getting there.

Our ergonomically designed cockpit seats double as recliners when you're parked. Six-way power controls are standard on the pilot's seat and optional for the co-pilot.

The rear vision system enhances your safety with a view of what's behind the motorhome.

- 1 The Esquire comes standard with this front entertainment center with a 24" TV, a DVD player and wraparound cabinets. In its place you have the option of a front cab sleeping area with a 20" TV and a DVD player.

(27PBD, Champagne Select, Birch Bark)

**A GREAT PLACE TO KICK BACK  
AND KICK OFF YOUR SHOES.**

Welcome to the Esquire's surprisingly spacious bedroom that's big on residential-style details. The queen bed comes with a beautifully color-coordinated bedspread and decorative pillow. A fabric headboard is featured in the 31PKS and 31PBS — unless you choose instead to have an optional rear window. Other highlights include cozy padded carpeting, an attractive wallpaper border and blackout day/night pleated shades.

The 27PBD and 29PBD floorplans offer the added convenience of a large wardrobe closet with mirrored doors.

To unwind in style, you have the option of a 13" color TV with remote control in the bedroom.

In the bathroom, you'll find a convenient shower/step tub with a stylish obscure glass enclosure.

## ALUMAFRAME® CONSTRUCTION

The Esquire features Monaco's exclusive Alumaframe® Superstructure.

Our revolutionary system of aluminum C-Channel crossmembers runs the entire length of the unit, with double-welded intersections for added strength. This rigid design is both lighter and sturdier than wood or tubular aluminum frames — and much more reliable than butt-welded or screwed joint designs. From dirt roads to potholes, you can count on Alumaframe® to handle the relentless stresses of the road and provide superior structural integrity for many years to come.

Wood

Aluminum  
(Butt-Welded)

Alumaframe®  
(C-Channel)

### FLOOR CONSTRUCTION: (top to bottom)

- Structurwood™
- 1-1/2" aluminum tube
- Blue foam insulation
- 3-ply underbelly

### ROOF CONSTRUCTION: (top to bottom)

- Fiberglass exterior roof
- Luaun backing
- Thick, tapered bead foam insulation
- Aluminum double I-beam superstructure filled with fiberglass insulation
- Vapor barrier
- Structure foam: thermal insulative barrier
- Vapor barrier
- Luaun backer
- Vinyl ceiling

### SIDEWALL CONSTRUCTION: (left to right)

- Smooth .063 aluminum is standard; high-gloss gel coat fiberglass is optional
- Interlocking C-Channel filled with 1-1/2" fiberglass insulation bonded in place so it doesn't sag or leave spaces uninsulated
- Vapor barrier
- Bead foam adds comfort, saves energy and provides a thermal insulative barrier
- Interior paneling

The 2006 Esquire is available in a selection of roomy, innovative floorplans ranging from 27' to 31', with single and double slide-outs. No matter which one you choose, you'll enjoy more livable interior space and more easy-to-reach storage than any other manufacturer has to offer.

When you think Monaco, you think impeccable styling. And 2006 is no exception. No matter where your tastes lie — from traditional to contemporary, conservative to bold — we give you more ways to turn your motorhome into your dream home.

#### Better Stain Protection

Manufactured in, not added on. For added protection against stains, soil repellent is applied to virtually all upholstery fabric during the finishing process for superior coverage.\*

\*Brand and application of upholstery fabric protection may vary depending on date recreational vehicle was manufactured.

## NOW WE'RE GETTING DOWN TO THE DETAILS.

At Monaco, we believe that every thoughtful feature helps you have a better experience on the road. That's why at every turn, you'll find little things designed to make life that much easier. As you consider your purchase, we invite you to compare the value of the Esquire's total package with any other motorhome in its class.

- 1 Our **pass-through storage** gives you more room for larger items, including sports equipment and patio furniture. The **streamlined baggage doors** with **single-handle latches** are easy to open, and the **one-piece polyethylene bays** are a cinch to wash down. *(27PBD, Birch Bark)*
- 2 The Esquire comes well-equipped with an **Onan® 4.0 kW generator**. *(27PBD, Birch Bark)*
- 3 For additional enjoyment while you're camping, you may choose this optional **exterior entertainment center**, with a radio, a CD player and **two speakers**. *(27PBD, Birch Bark)*

The high-quality awnings include those for the slide-outs as well as a vinyl patio awning with white arms.

- 1 Towing capacity is limited by GCWR; your vehicle's towing capacity is the difference between the GCWR and the actual vehicle weight, including all water, fuel, passengers and cargo. Your towed vehicle should be equipped with auxiliary brakes if the weight of the towed vehicle exceeds 1,000 lbs. Consult your owner's manual for further towing information.
- 2 All tank capacities are estimated based upon calculations provided by the tank manufacturers and represent approximate capacities. The actual "usable capacity" may be greater or less than the estimated capacities based upon fabrication and installation of the tanks.
- 3 Actual filled LP capacity is 80% of listing due to safety shut-off required on tank.

The actual overall length of the recreational vehicle may differ from that indicated in the brochure due to variances in the manufacturing process and/or installed components. The actual length may be greater or less than that indicated. Due to the large variety of options and floorplan arrangements available to our customers, actual weights for each unit can differ significantly. Monaco Coach provides a weight sticker on each unit we produce which includes that unit's tank capacities and approximate weight. Consult your local Monaco Coach dealer for unit availability and further information. The information printed in this brochure reflects product design, fabrication, and component parts at the date of printing. The manufacturer reserves the right, at any time, to make changes in product design or material or component specifications as its sole option, without notice. This includes the substitution of components of a different brand or trade name which will result in comparable performance. All information printed in this brochure is subject to change after the date of printing. Some features shown or mentioned in this brochure are optional and may only be available in selected floorplans. Photographs may show props or decorations that are not standard equipment on Monaco Coach models. Monaco Coach, the Monaco logo and its design, are registered trademarks. All other products and company names are trademarks and/or registered trademarks of their respective holders. While the color of the motorhome's exterior and the interior fabrics depicted in this sales brochure are fair and reasonable depictions, the colors depicted may not be an exact match of the actual colors because of the variances in photo-processing and variances caused by inserting the photographs within the sales brochure. Due to product improvements, changes during the model year and/or transcription errors that may occur, information represented within this brochure may not be accurate at the time of your purchase. If certain information is significant to your purchasing decision, please confirm the information with your dealer prior to submitting your order. Component part and appliance manufacturers issue limited warranties covering those portions of the recreational vehicle not covered by the Limited Warranties issued by Monaco Coach Corporation. To learn which specific component parts and appliances are excluded from the Limited Warranties issued by Monaco Coach Corporation, please contact your selling dealership or Monaco Coach Corporation directly, or review the warranty packet inside the recreational vehicle.

## WARRANTIES

**12 month/24,000 mile**  
basic limited warranty

**5 year/50,000 mile**  
limited warranty on aluminum or steel frame  
structure of sidewall, roof, front and rear cap

limited warranty on Roadmaster chassis

Applies to certain models. See owner's manual for complete details.

## THERE'S STRENGTH IN OUR NUMBERS.

As you consider your RV purchase, there's one thing we'd like you to keep in mind: Nobody does customer service like Monaco. Period. Our staff is available 24/7/365 to help you with virtually any situation that may arise — with troubleshooting, operational instruction or facilitating repairs at the nearest of our 350 nationwide service centers. In addition, you'll be enrolled in our Owner Advantage Roadside Assistance Program free of charge for your first year of ownership — providing additional emergency assistance, including towing, tire repairs and many more services around the clock. In short, when you purchase an RV from Monaco Coach Corporation, you get a wider array of benefits than any other manufacturer can offer. To see it all for yourself, call 1-800-634-0855 or 1-800-650-7337 to arrange a tour of one of our state-of-the-art production facilities in Oregon or Indiana.
