Finally, a coach that lives up to all your romantic notions of what Class A living should be. The 2008 Knight. This chivalrous coach has everything you’ve been dreaming of — stylish new furnishings, Ultraleather™ pilot seats with six-way power, a giant 37” flatscreen LCD TV (40SKQ only), even a handsome face (featuring a new front cap and full-body painted graphics). Why, it’s enough to make you swoon.

KITCHEN. For those who prefer a front kitchen, the 40SKQ (below) is happy to oblige. You’ll also be treated to a convection microwave, an easy-clean cooktop with three sealed burners, polished solid surface countertops, and new ceramic tile. Stunning.

BEDROOM. In the sleeping quarters, you’ll find everything you need — a plush queen bed, nightstands, roomy overheads, an oversized wardrobe.... Even the 20” LCD TV is now standard.

WHAT’S NEW FOR ’08.

- New front molded fiberglass cap with black chrome accent
- New graphics (4 paint colors)
- New automotive style dash
- VIP steering wheel
- Ultraleather™ pilot seats with 6-way power
- Ceramic tile in kitchen, bath and entryway
- New style furniture
- 32” LCD TV in living room overhead now standard
- 20” LCD TV in bedroom now standard
WHEREVER YOU TRAVEL ACROSS AMERICA, IT’S EASY TO SPOT THE MONACO OWNERS. THEY’RE THE ONES WITH THE SMUG, HAPPY GRINS ON THEIR FACES. AND WHO COULD BLAME THEM? WHEN YOU OWN A MONACO, YOU OWN THE BEST. THE BEST IN LUXURY, PERFORMANCE, SAFETY, TECHNOLOGY AND COMFORT. IT’S ALL HERE. AND IT’S ALL YOURS FOR THE TAKING. COME ON, FREEDOM LOVERS. MAKE YOUR MOVE TO MONACO LUXURY. AFTER ALL, YOU ALREADY KNOW HOW TO GRIN.
THE ROAD TO FREEDOM IS CALLING.
Trade in your to-do list for a trusty road atlas, and climb aboard. The 2008 Knight is ready to roam. And what a comfortable ride it’s going to be — with Ultradeather™ upholstery, adjustable brake and accelerator pedals, power sunvisors, easy-to-read analog gauges, and a new VIP steering wheel. Even the in-dash radio/CD player is poised for long road trips with its built-in weather band and Sirius-ready compatibility.

Care to sweeten the deal? Your options include GPS navigation, Sirius satellite radio, an engine monitoring system, and a three-camera rear vision system with audio and adjustable camera (single-camera is standard).

NO SEAMS. ADDED SAFETY. With our exclusive Panaview™ 1-Piece Windshield, you get a clear view of the world ahead. There’s no annoying black rubber seam running down the middle of the windshield. It’s the largest unobstructed view in the industry.

COCKPIT. This year, we did some major upgrading, and now both captain’s chairs are equipped with six-way power for the ultimate in lumbar support. The co-pilot’s seat also comes with a power footrest. Ahhhh, yes.

STORAGE. If you have big items to carry, we have even bigger places to store them. Check out the large pass-through storage bay shown below. It’s made of one-piece polyethylene for easy washdowns. An optional slide-out tray is also available.
ROADMASTER RR8R
RAISED RAIL CHASSIS

1. The Knight features a gutsy standard Cummins® ISC 360 diesel engine with 1,050 lbs./ft. of torque.
2. A steel cage cockpit gives the Roadmaster chassis incomparable strength and safety in the front of the coach.
3. Every Roadmaster chassis features a steel firewall for added protection in the cockpit.
4. The main rails feature an exclusive raised rail design which provides for larger full pass-through storage bays with flush floors.
5. Dual fuel fill allows you to fill the tank from either side of the coach, for greater convenience and flexibility at the pump.
6. This steel truss system is engineered as part of the chassis and provides outstanding strength and rigidity plus pass-through storage. In addition, the structure is pre-primed and coated with a rust-inhibiting paint.
7. Eight air bags work in conjunction with eight gas-charged shock absorbers to prevent road trauma from ever reaching the coach. Ride height sensors continually adjust the air pressure at each axle to maintain a level ride and eliminate nosediving, weight transfer, and floating on curved roads. This system also stabilizes the coach on uneven surfaces.
8. Automatic Traction Control (ATC) eliminates wheel slippage in slick conditions and heightens control. The Anti-lock braking System (ABS) gives you superior stopping power, especially on steep grades. Together, these sophisticated systems offer the very best safety on the road.

WARRANTIES
12 Month/24,000 Mile basic limited warranty
5 Year/50,000 Mile limited warranty on aluminum or steel frame structure of sidewall, roof, front and rear cap
3 Year/50,000 Mile limited warranty on Roadmaster chassis
Applies to certain models. See owner’s manual for complete details.

MAY WE BUILD YOU A CHASSIS?

Did you know that every Roadmaster chassis is custom designed and built for the Monaco coach that will ride on it? It’s a novel idea, but our owners seem to like it. And it pays off — in better performance, safety and reliability. Owners also like the fact that Roadmaster, a division of Monaco Coach Corporation, only does one thing: They build chassis for motorhomes. Not trucks. Not buses. Just motorhomes. So naturally, they do it better. No wonder Roadmaster is the leading high-end diesel chassis manufacturer in America.
24/7 ASSISTANCE
SALES • TECH • ROADSIDE
1-877-4MONACO

WE’RE HERE. ANYTIME, EVERY TIME.
• Reach us anytime — literally — via our live customer support line.
• Drive in to one of our 350 Service Centers.
• Enjoy the first year free when you enroll in our Owner Advantage Roadside Assistance Program.
• See where it all begins with a tour of one of our facilities in Indiana or Oregon. Call 1-800-650-7337 or 1-800-634-0855 to find out more.

ALUMAFRAME® SUPERSTRUCTURE
The Knight features Monaco’s exclusive Alumaframe® Superstructure. Our revolutionary system of aluminum C-Channel crossmembers runs the entire length of the unit, with double-welded intersections for added strength. This rigid design is both lighter and sturdier than wood or tubular aluminum frames — and much more reliable than butt-welded or screwed joint designs. From dirt roads to potholes, you can count on Alumaframe® to handle the relentless stresses of the road and provide superior structural integrity for many years to come.

OUTBOARD AIR BAG SUSPENSION
The outboard-mounted air bags are protected by two steel plates and are placed farther apart than the competition, providing a wider and more stable platform for the coach. The active suspension automatically adjusts the pressure of the air bags as you drive and virtually eliminates nosediving and the side-to-side body sway associated with high wind conditions, curvy roads and emergency maneuvers.

Allison® 3000 MH 6-speed World Transmission and electronic shifter. The three-point engine mounting system lowers the coach’s center of gravity and reduces the amount of vibration that reaches the coach. The mounting also makes the engine easier to service. A 10,000 lb. tow hitch rating is the highest in its class.

ROOF CONSTRUCTION:
(top to bottom)
• One-piece peaked fiberglass roof
• Luau backing
• Thick, tapered bead foam insulation
• Aluminum double I-beam superstructure filled with fiberglass insulation
• Vapor barrier
• Structure foam: thermal insulative barrier
• 1/2” bead foam insulation
• Foam padding for extra insulation
• Padded vinyl ceiling

SIDEWALL CONSTRUCTION:
(left to right)
• High-gloss gel coat fiberglass
• Interlocking C-Channel filled with 1-1/2” fiberglass insulation glued in place so it doesn’t sag or leave spaces uninsulated
• Vapor barrier
• Bead foam saves energy and provides a thermal insulative barrier
• Interior paneling

FLOOR CONSTRUCTION:
(top to bottom)
• Structurwood™
• 1-1/2” tube
• Blue foam
• Luau
• 3-ply backer

- Dual 15M BTU Roof Air Conditioner with Ducted Air, Heat Pumps and Digital Thermostat Control

- Keyless Entry (Key Fob Only)
BEING DIFFERENT MAKES ALL THE DIFFERENCE.

At Monaco, we always strive to be the best. And that means thinking outside the box. Giving you more of what you want in an RV. Like our exclusive Roadmaster chassis. Three factory-owned service centers. And programs like Monaco Financial Services and 24/7 roadside assistance. No other manufacturer can match Monaco’s offerings. No one even comes close. Why not discover the difference for yourself? Go Monaco.

“No other manufacturer can match Monaco’s offerings. No one even comes close.”

Kay Toolson, CEO
