The power of a diesel or rear engine gas coach is now within reach. Presenting the LaPalma XL for 2008. This is what can happen when you take last year’s XL features, make them all standard, and add a long list of upgrades like a 26” LCD TV, a central water filtration system, and the leatherette swivel rocker shown here (34PDD). With luxury this close, you simply have to make it yours.

**KITCHEN.** In the kitchen, we’ve included all the topnotch appliances you’d expect from Monaco, plus a few extras. Like a Corian® backsplash, smoked mirrors behind the cooktop, and a large pantry with rollout storage.

**BEDROOM.** One look at the sumptuous headboard on the queen bed, and you’ll know you’ve found the right coach. The 34PDD shown here features a desk/dresser opposite the bed, a 20” color TV with remote, blackout day/night shades, and new wooden slide-out fascia. Very nice.

**WHAT’S NEW FOR ’08.**

- Available rear gas engine Workhorse chassis floorplan
- 26” LCD TV in cockpit overhead
- Spacesaver convection microwave
- Central water filtration system
- China toilet with sprayer
- New profile raised panel cabinet doors
- New hardwood pocket door
- All XL package items now standard — redesigned baggage doors, beveled kitchen mirror, upgraded linoleum with runner, new slide-out fascia, upgraded countertops, new decorative wallboard, upgraded sofa, and more
Wherever you travel across America, it’s easy to spot the Monaco owners. They’re the ones with the smug, happy grins on their faces. And who could blame them? When you own a Monaco, you own the best. The best in luxury, performance, safety, technology and comfort. It’s all here. And it’s all yours for the taking. Come on, freedom lovers. Make your move to Monaco luxury. After all, you already know how to grin.
BACK ROADS OR FREEWAY? GAS OR DIESEL?

1-PIECE WINDSHIELD
At Monaco, we like to keep everybody happy. That’s why, for 2008, we’re offering a real doozy of a choice for all you gas engine fans out there. Introducing our new rear gas engine Workhorse chassis (38PLT only). It combines everything you love about gas engines with a super quiet ride.

But whether you choose gas or diesel, it’s going to be a sweet ride all the way — with a six-way power pilot seat, power sunvisors, and a rear vision system with audio and adjustable camera. To keep you humming along, there’s also a CD player/radio with weather band, six speakers, and Sirius-ready compatibility.

NO SEAMS. ADDED SAFETY. With our exclusive Panaview™ 1-Piece Windshield, you get a clear view of the world ahead. There’s no annoying black rubber seam running down the middle of the windshield. It’s the largest unobstructed view in the industry.

COCKPIT. Is it a cockpit or a conversation area? Either way, you’ll be totally comfy in our plush leatherette helm seats and swivel rocker shown here (34PDD). The party table is just right for snacks, beverages, a laptop, or a quick game of cards. And this year, we’ve upgraded the TV to a 26” LCD model.

PASS-THROUGH STORAGE. Got stuff? Good, because we have roomy pass-through storage areas (under the slide-outs) and one-piece polyethylene boxes for quick and easy cleaning.
MAY WE BUILD YOU A CHASSIS?

Did you know that every Roadmaster chassis is custom designed and built for the Monaco coach that will ride on it? It’s a novel idea, but our owners seem to like it. And it pays off — in better performance, safety and reliability. Owners also like the fact that Roadmaster, a division of Monaco Coach Corporation, only does one thing: They build chassis for motorhomes. Not trucks. Not buses. Just motorhomes. So naturally, they do it better. No wonder Roadmaster is the leading high-end diesel chassis manufacturer in America.

WORKHORSE UFO RAISED RAIL CHASSIS:

Available on the 38PLT floorplan
- GM Vortec 8100 V8 (8.1L) Gas Engine with Allison® 2000 Series 6-Speed Automatic Transmission with 5th and 6th Gear Overdrives
- 5,000 Lb. Hitch Receiver with Dual Connector 4-Pin or 7-Pin

ROADMASTER RSR RAIL CHASSIS

With the LaPalma Diesel XL, you enjoy the added assurance of knowing you’re riding on a Roadmaster RSR Rail chassis. All Roadmaster chassis are custom designed and built to the exact specifications of each floorplan for best-in-class performance, safety and comfort. The smooth-handling RSR chassis is teamed here with a Cummins® 340 HP rear diesel engine for a powerful diesel pusher package that’ll take you anywhere you want to go in style.

The 38PLT floorplan features the innovative rear-powered Workhorse UFO™ raised rail chassis with a GM Vortec gas engine. Together they give you rear-powered performance combined with the easy maintenance of a gas engine.

Our exclusive SmartStructure II truss system is engineered as part of the chassis and provides superior strength, rigidity and balance. To prevent corrosion, the structure is pre-primed and coated with rust-inhibiting paint.

ITEMS 2-5 APPLY ONLY TO DIESEL FLOORPLANS

1. The steel cage cockpit gives the Roadmaster and Workhorse chassis incomparable strength and safety at the front of the coach.
2. Every Roadmaster chassis features a steel firewall for added protection in the cockpit.
3. The Allison® 1000 MH (34SBD & 34PDD) (2100 MH on 36SBD & 36WBD) 6-speed transmission features a pushbutton shift pad.
4. A 4,000 lb. (34SBD & 34PDD) (5,000 lb. on 36SBD & 36WBD) hitch receiver with dual connector, 4-pin or 7-pin, is prewired for a supplemental braking system that works with your tow vehicle.
5. Radial tires (255/70R/22.5) let you drive with peace of mind.
**CONSTRUCTION**

WE’RE HERE. ANYTIME, EVERY TIME.

- Reach us anytime — literally — via our live customer support line.
- Drive in to one of our 350 Service Centers.
- Enjoy the first year free when you enroll in our Owner Advantage Roadside Assistance Program.
- See where it all begins with a tour of one of our facilities in Indiana or Oregon. Call 1-800-650-7337 or 1-800-634-0855 to find out more.

---

**LAPALMA® XL CONSTRUCTION**

9-LAYER ROOF CONSTRUCTION:  
(top to bottom)
- One-piece peaked fiberglass roof
- Luana backing
- Thick, tapered bead foam insulation
- Aluminum double l-beam superstructure filled with fiberglass insulation
- Vapor barrier
- Structure foam: thermal insulative barrier
- 1/2” bead foam insulation
- Foam padding for extra insulation
- Padded vinyl ceiling

5-LAYER SIDEWALL CONSTRUCTION:  
(left to right)
- Smooth gel coat fiberglass
- Interlocking C-Channel filled with 1-1/2” fiberglass insulation bonded in place so it doesn’t sag or leave spaces uninsulated
- Vapor barrier
- Bead foam adds comfort, saves energy and provides a thermal insulative barrier
- Interior paneling

4-LAYER FLOOR CONSTRUCTION:  
(top to bottom)
- Structurwood™
- Blue foam insulation
- 1-1/2” aluminum tube
- Three-ply poly underbelly

---

**WARRANTIES**

- **12 Month/24,000 Mile** basic limited warranty
- **5 Year/50,000 Mile** limited warranty on aluminum or steel frame structure of sidewall, roof, front and rear cap
- **3 Year/50,000 Mile** limited warranty on Roadmaster chassis
- **3 Year/36,000 Mile** limited warranty on Workhorse UFO™ Raised Rail Chassis

Applies to certain models. See owner’s manual for complete details.
AUTUMN TRAIL
WHICH WAY WILL YOU GO?

We know you love choices. That’s why our designers give you so many tempting options. From mild to wild, discriminating to daring, Monaco offers lots of fun ways to go.

Note: Colors depicted are a reasonable representation though they may not be an exact match of the actual colors due to variances in processing and production. See your dealer for actual fabric and paint chip samples.
Ready to choose? The LaPalma XL is available in six thoughtfully designed floorplans from 34 to 38 feet. This year, you can choose from double or triple slide-outs to suit your lifestyle. And remember, rear gas engine Workhorse chassis floorplan is now available (38PLT).
Wherever the road takes you, you’re never more than a click away from your friends at Monaco. Just go to www.monacocoach.com for all the latest product news, club dates and destinations, a dealer locator function, and factory tour information. You can also e-mail us directly through the site at any time.
Due to continuous product improvement, please see the website for the latest in standards and options, specifications, and technical data. Go to www.monacocoach.com.

*Towing capacity is limited by GCWR; your vehicle’s towing capacity is the difference between the GCWR and the actual vehicle weight, including all water, fuel, passengers and cargo. Your towed vehicle should be equipped with auxiliary brakes if the weight of the towed vehicle exceeds 1,000 lbs. Consult your owner’s manual for further towing information.

The actual overall length of the recreational vehicle may differ from that indicated in the brochure due to variances in the manufacturing process and/or installed components. The actual length may be greater or less than that indicated. Due to the large variety of options and floorplan arrangements available to our customers, actual weights for each unit can differ significantly.

Monaco Coach provides a weight sticker on each unit we produce which includes that unit’s tank capacities based upon fabrication and installation of the tanks.

All tank capacities are estimated based upon calculations provided by the tank manufacturers and represent approximate capacities. The actual “usable capacity” may be greater or less than the estimated capacities based upon fabrication and installation of the tanks.

*Actual filled LP capacity is 80% of listing due to safety shut-off required on tank.

Due to product improvements, changes during the model year and/or transcription errors that may occur, information represented within this brochure may not be accurate at the time of your purchase. If certain information is significant to your purchasing decision, please confirm the information with your dealer prior to submitting your order. Component part and appliance manufacturers issue limited warranties covering those portions of the recreational vehicle not covered by the Limited Warranties issued by Monaco Coach Corporation. To learn which specific component parts and appliances are excluded from the Limited Warranties issued by Monaco Coach Corporation, please contact your selling dealership or Monaco Coach Corporation directly, or review the warranty packet inside the recreational vehicle.

Additional details and specifications can be found on the Monaco Coach website at www.monacocoach.com.
### ROADMASTER RSR RAIL CHASSIS/ENGINE/SUSPENSION
(DIESEL FLOORPLANS ONLY)
- Cummins® ISB-AD 340 HP Low-Torque Engine with Allison® 1000 MH 6-Speed World Transmission (34SBD, 34PDD) (2000 MH on 36SBD and 36WBD)
- Pushbutton Shift Pad
- Engine Displacement: 4.09"/6.7L
- Torque: (@ 1,600 RPM) 660 lbs./ft. Max. Net
- 75 Gallon Fuel Tank
- 156 Amp Alternator
- Radial Tires: 255/70R/22.5
- Stainless Steel Wheel Simulators
- Leaf Spring Suspension
- Four Gas Shock Absorbers
- Performance Suspension Package
- Hydraulic Anti-Lock Braking System with Hydraulic Disc Brakes
- Exhaust Brake VG Turbo with Engine
- Prewire for Supplemental Braking System
- Air Cleaner Restriction Indicator
- Fully Automatic Hydraulic Leveling System
- 4,000 Lb. Hitch Receiver with Dual Connector 4-Pin or 7-Pin (34SBD, 34PDD)
- 5,000 Lb. Hitch Receiver with Dual Connector 4-Pin or 7-Pin (36SBD, 36WBD)

### WORKHORSE UFO™ RAISED RAIL CHASSIS/ENGINE/SUSPENSION
(GAS FLOORPLANS ONLY)
- GM Vortec 8100 V8 (8.1L) Gas Engine with Allison® 2000 Series 6-Speed Automatic Transmission with 5th and 6th Gear Overdrives
- Engine Displacement: 496"/8.1L
- Power: 340 HP
- Torque: 455 lbs./ft.
- 100 Gallon Fuel Tank
- Upgrade 18” Leather Wrap Steering Wheel
- 145 Amp Alternator
- Radial Tires: 255/80R/22.5
- Polished Aluminum Wheels
- Front Suspension: Monoleaf Springs, Sway-Bar and Bilstein® Shocks
- Rear Suspension: Coil Springs and Bilstein® Shocks Plus Torque Box
- 55 Degree Wheel Cut
- Quadraulic Braking System with Four Wheel Disc Brakes, Four Wheel Anti-Lock Function
- Adjustable Brake Pedal
- Prewire for Supplemental Braking System
- Fully Automatic Hydraulic Leveling System
- 5,000 Lb. Hitch Receiver with Dual Connector 4-Pin or 7-Pin

BEING DIFFERENT MAKES ALL THE DIFFERENCE.

At Monaco, we always strive to be the best. And that means thinking outside the box. Giving you more of what you want in an RV. Like our exclusive Roadmaster chassis. Three factory-owned service centers. And programs like Monaco Financial Services and 24/7 roadside assistance. No other manufacturer can match Monaco’s offerings. No one even comes close. Why not discover the difference for yourself? Go Monaco.

“No other manufacturer can match Monaco’s offerings. No one even comes close.”

Kay Toolson, CEO
