Welcome to Monaco — welcome to the 2004 Monarch SE. If this is your first look at a Monaco gas coach, we’d like to show you a few of the highlights designed to give you the best possible RV experience. Inside the coach, you’re greeted by your choice of three beautiful color schemes and three styles of gorgeous woodwork. Our designers have put together a sophisticated combination of details, including crown molding, wood slide-out fascia, decorative wall board and raised panel cabinet doors with brass hardware. And to help keep your coach looking great for years to come, we’ve added new carpeting with Scotchgard™ stain release pad, as well as Teflon® fabric protection.

The newly styled automotive dash features a beige GRID INSTRUMENT PANEL and TWO-TONE VINYL. Other conveniences you’ll enjoy include a FRONT PRIVACY DRAPE with tie backs, a CENTER CONSOLE with SNACK TRAY, CO-PILOT SIDE CUP HOLDERS with MAGAZINE RACK, and a DASH WORKSTATION.

The remarkable kitchen area welcomes you with style and conveniences. This year, we’ve added handy details throughout, such as a PANTRY with ADJUSTABLE SHELVES (N/A on the 32PBD), COUNTERTOP EXTENSIONS (on the 34PDT and 36PED), and OVERHEAD CABINETS with adjustable shelf. Other highlights include TOE KICKS in the base cabinets and LINOLEUM FLOORING in the kitchen and entryway (Wilsonart® plank flooring is standard on the 34PDT).
SIMPLY PUT, THIS IS A GREAT PLACE TO LIVE.

The Monarch SE gives you a wide range of versatile double and triple slide-out floorplans, including an exciting bath-and-a-half model. You'll enjoy mealtimes at the arched back wood booth dinette with sliding tabletop and storage drawers — or, the freestanding dinette with chairs and a wall cabinet, standard on the 34PDT and 36PED, and optional on all others. Over the cockpit, you can see the 27" stereo color TV (on most floorplans), which can be accompanied by an optional VCR, DVD player and digital satellite system prep. Another option allows you to have the TV and VCR wired through the ceiling speakers, for superior audio.

A beautiful BEVELED MIRROR reflects the 34 SBD bedroom’s warm ambience. A 19" color TV with remote control is available as an option. Shown are Paradise Bay fabrics with Vintage Oak woodwork.

A QUEEN BED WITH NIGHTSTANDS is standard in the Monarch SE. And the attractive bedspread comes with two decorator pillows. Shown here is the 34SBD in Chateau Stone with Vintage Oak.

Our optional HIDE-A-BED is a cozy sofa by day and a roomy double bed by night, adding sleeping space and increasing the versatility of your coach’s floorplan.
OUR RECIPE FOR COMFORT AND SAFETY.

It takes dozens of meticulous details to create a coach that’s worthy of the name Monaco. And each of them is held up to the highest standards while being constantly re-evaluated — both for quality and for innovation. For us, that means setting the bar higher and higher with every year. And for you, it means your Monaco coach will always be a step ahead of the rest. If you’d like to learn more, a dealer near you will be happy to show you firsthand the details that add up to the Monaco difference. Or, visit our website at www.monacocoach.com

Each Monaco coach is designed to turn heads wherever you go, with sleek, contemporary styling and a distinctive appearance that reflects the quality you’ll find throughout the coach. You’ll appreciate the durable exterior of the smooth aluminum walls — or, if you prefer, the optional gel coat fiberglass walls — and the painted mask and skirt with vinyl graphics.

1. Our exclusive SLIDE-OUT design is the strongest and most reliable you’ll find anywhere. It features our exclusive multi-layer construction to give you maximum insulation and to reduce the chance of warping, twisting or shifting.

2. The front of the coach features a new MOLDED FIBERGLASS CAP with INTEGRATED BUMPER and newly styled headlights with turn signals.

3. The Monarch SE features our exclusive EASYSTOR COMPARTMENTS that move out with the slide-outs for easy loading and unloading. In addition, our new STREAMLINED BAGGAGE DOORS include secure, easy-to-open integrated single-handle latches.
For 2004, our designers have selected exquisite fabric combinations for each model of the Monarch SE. Now, it’s your turn to choose.

Manufactured in, not added on. 3M Scotchgard™ Carpet Stain Release is applied during the carpet manufacturing process for a higher level of protection. DuPont Teflon® soil repellant is applied to virtually all upholstery fabric during the finishing process for superior coverage.*

*Brand and application of carpet or upholstery fabric protection may vary depending on date recreational vehicle was manufactured.

**In addition, Wilsonart® plank flooring is optional in the kitchen and bathroom, in a selection of styles to match your choice of woodwork.**
Monaco is proud to offer you a wide range of floorplans to suit your lifestyle. As you can see here, you have numerous optional features from which to choose.
Each year, our designers work to find new ways to maximize your living area and create valuable storage space.

The actual overall length of the recreational vehicle may differ from that indicated in the brochure due to variances in the manufacturing process and/or installed components. The actual length may be greater or less than that indicated. Due to the large variety of options and floorplan arrangements available to our customers, actual weights for each unit can differ significantly. Monaco Coach provides a weight sticker on each unit we produce which includes that unit's tank capacities and approximate weight. Consult your local Monaco Coach dealer for unit availability and further information. Your towed vehicle should be equipped with auxiliary brakes if the weight of the towed load exceeds 1,000 lbs. The information printed in this brochure reflects product design, fabrication, and component parts at the date of printing. The manufacturer reserves the right, at any time, to make changes in product design or material or component specifications as its sole option, without notice. This includes the substitution of components of a different brand or trade name which will result in comparable performance. All information printed in this brochure is subject to change after the date of printing. Some features shown or mentioned in this brochure are optional and may only be available in selected floorplans. Photographs may show props or decorations that are not standard equipment on Monaco Coach models. Monaco Coach, the Monaco logo and its design, are registered trademarks. While the color of the motorhome’s exterior and the interior fabrics depicted in this sales brochure are fair and reasonable depictions, the colors depicted may not be an exact match of the actual colors because of the variances in photo-processing and variances caused by inserting the photographs within the sales brochure. Due to product improvements, changes during the model year and/or transcription errors that may occur, information represented within this brochure may not be accurate at the time of your purchase. If certain information is significant to your purchasing decision, please confirm the information with your dealer prior to submitting your order.
