Meet the 2011 Montclair. With this smart new B+, it’s all about choices. For starters, choose from three floorplans in lengths of 25, 28 and 29 feet, designed for maximum livability. Select from three stylish interior décor packages and four exterior color themes, three of which are optional full-body paint. A Ford chassis with 6.8L Triton® V-10 gasoline engine, or Chevy chassis with a Vortec® 6.0L V-8 gasoline engine? It’s up to you. Choosing Montclair was easy; deciding where to take it for your first adventure won’t be. *(Pictured: 25PCS/ Autumn Trail II/Newport Cherry)*
Note: Colors depicted are a reasonable representation though they may not be an exact match of the actual colors due to variations in processing and production. See your dealer for actual fabric and paint chip samples.
