Beyond every wow — beyond every ooh and ah — there is the wordless admiration you save for those rare occasions when you’ve seen the very best there is. In the world of luxury diesel motorcoaches, this is it. The Signature Series. Yes, it inspires awe. Who knows, it could even inspire you to write a sonnet.

You’ll marvel at the spacious interior which is beautifully enhanced by the unique radius ceiling design with Imagicor accent. The floors gleam with high gloss tile, and optional sculptured carpet adds a graceful flourish in the living area.

Power Silhouette® shades raise and lower at the touch of a button.

Throughout the coach you’ll enjoy Corian® surfaces and the impeccable ambience of halogen lighting.

1 Luxury comes standard on this plush fabric J-lounge with drawer. The matching ottoman also offers generous storage space for games, blankets and other carry-alongs.

(45 Castle IV, Natural Cherry, Tropic Wine)

2 The woodwork reflects Monaco’s singular craftsmanship, with hardwood raised panel cabinet doors and decorative hardwood slide-out fascia. (45 Castle IV, Natural Cherry, Tropic Wine)
Our exclusive Panaview™ 1-piece windshield gives you the largest unobstructed view of the road ahead. The wipers are discreetly mounted below your sightline, and the side pillars are more slender, for a wraparound effect. Also conveniently mounted on the front cap are the triple head, heated chrome mirrors with security cameras and turn indicator lights.
Even the high technology is a higher art form.

In the Signature Series, even the bells and whistles are elegant. As you take control of 500, or even 600 horsepower, you’ll have every imaginable advanced system at your fingertips. From GPS navigation to Eaton® VORAD® collision avoidance to the Aladdin™ video coach monitoring, you’ll have a heightened perception of every aspect of the coach’s performance.

With a Sirius or XM satellite radio, countless varieties of music, news and sports programming will follow you across the country (requires subscription).

We’ve pulled out all the stops for your entertainment, with a 37” LCD TV mounted in the ceiling, a fully automatic digital satellite system and a Bose® system with DVD player and recessed surround sound speakers.

Supreme comfort awaits you in the leather heated cockpit seats with six-way power controls, adjustable armrests and electric headrests. The pilot’s seat features an electric sliding seat cushion and memory capabilities, while the co-pilot’s has an electric footrest. (45 Castle IV, Natural Cherry, Tropic Wine)
In the luxurious private quarters, we’ve fashioned every possible detail with residential styling. A bedroom dresser with raised panel drawer faces. A large wardrobe closet. And stunning window treatments with Duette® shades.

A queen island bed with a hinged pillow top mattress is a standard feature, or you may choose the optional king size version. To give you precision control of your bed’s firmness, we offer an optional air mattress with digital remote, in either queen or king size.

Naturally, the bedroom also features a remarkable entertainment center, with a 22” LCD TV, a DVD player and a second receiver for the digital satellite system. You’ll also enjoy the combination clock radio/stereo/MP3 CD player.

1 The beautiful bathroom vanity has a Corian® top with a stylish, integrated sink and ceramic tile backsplash. You’ll also appreciate the large Corian® shower with ceramic tile accents, a caddy, and a shower head with volume control.

(45 Castle IV, Natural Cherry, Tropic Wine)
10,000 lb. hitch receiver offers powerful towing capacity with 7/4-way trailer plug.

The three-point engine mounting system lowers the coach’s center of gravity and reduces the amount of vibration that reaches the coach. The mounting also makes the engine easier to service by allowing the engine to be easily lowered through the bottom of the coach.

Cummins® ISM 500 HP engine. The highest power-to-weight ratio in its class and patented Variable Geometry Turbocharger (VG Turbo) give you peak performance at every RPM. For added power, you can choose the optional Series 60 Detroit Diesel 515 engine, Cummins® ISX 525, or Cummins® ISX 600.

Allison® 4000 MH 6-speed transmission for smooth shifting; our exclusive use of synthetic transmission fluid allows for up to three-year maintenance intervals.

Cushion Air Glide suspension system positions ten Bilstein® shocks and ten air bags, eight of which are outboard mounted with auto-leveling for greater stability, a smoother ride and the best handling in its class.

Unique three-degree rear axle tilt aligns the engine, transmission and differential, minimizing stress on the drive-train and reducing noise in the coach.

Automatic Traction Control (ATC) eliminates wheel slippage in slick conditions and heightens control.

Tag axle lifts for added maneuverability in tight spots.

Basement structure rust inhibitor. To prevent corrosion, the basement storage area is constructed with pre-primed steel with rust-inhibiting paint.

Full-length frame rails fabricated from 3” by 8” by 1/4” 60,000 PSI structural steel; rails are spaced 44” on center for a wider stance and unmatched strength.

The semi-monocoque design, with trussed superstructure, distributes stress evenly throughout the entire chassis and adds strength to sidewalls and bays.

Two-stage Jake brake system assures you of safely traveling steep grades while 6-wheel anti-lock brakes with disc brakes in front help you maintain control in severe road conditions.

P295/80R/22.5 Goodyear steel belted all-season tires ensure a safe and quiet ride (G670 RV tire).

The truss power steering box allows for a 50-degree front wheel turn angle in both directions for better maneuverability and returns the steering wheel back to its center position to eliminate driver fatigue.

All chassis are equipped with steel cage construction, steel firewall and steel stepwell for added safety.

OUTBOARD AIR BAG SUSPENSION

The outboard-mounted air bags are protected by two steel plates and are placed approximately 7-1/2 feet apart, providing a wider and more stable platform for the coach. The active suspension automatically adjusts the pressure of the air bags as you drive and virtually eliminates nose-diving and the side-to-side body sway associated with high wind conditions, curvy roads and emergency maneuvers.
The quality of your coach all starts with the chassis on which it’s built. Everything from safety and reliability to performance and convenience begins with the chassis you’re driving. A division of Monaco Coach Corporation, Roadmaster is the leading high-end diesel chassis manufacturer — because that’s all we do. Yes, we have a 100% commitment to producing only chassis for motorhomes. And that’s something no other chassis manufacturer can say.

The Signature Series’s standard Cummins® ISM 500 HP engine delivers more torque and horsepower when you need it most – for the mountain pass or the passing lane.
With the Signature Series, Monaco leads the industry to new levels of engineering. Even the less-than-glamorous details remind you of a high performance sports car. We invite you to take a closer look at all the elements of the ultimate motorcoach experience.

Our deluxe full-body paint process gives the coach a rich luster and superior durability. A 3M film front mask comes standard, for additional protection on the road.

A seamless one-piece molded, crowned fiberglass roof offers unbeatable strength and features all-season foam insulation.

Even the chores go more smoothly, thanks to the Super Service Center with hot and cold water faucet, a power water hose reel and the optional RV Sani-Con tank drainage system.

1 You’ll enjoy the added convenience and security of a keyless entry system with pocket remote. (45 Castle IV, Tropic Wine)

2 Thanks to the slide-out trays, there’s no need to stretch or strain to reach your items stowed in the large basement storage compartments. (45 Castle IV, Tropic Wine)

The insulated aluminum baggage doors feature the convenience of power locks.
AWNINGS

The full complement of awnings features a roof-mounted Girard® automatic front patio awning. An automatic rear patio awning is just one of the attractive options.

SLIDE-OUTS

You can count on Monaco for the most reliable slide-out construction, with our exclusive interlocking aluminum frame design and multi-layer insulation.
The 2006 Signature Series is available in a remarkable selection of innovative floorplans ranging from 40’ to 45’, with triple and quad slide-outs. No matter which one you choose, you’ll enjoy more livable interior space and more easy-to-reach storage than any other manufacturer has to offer.

**Furniture Options:**
- King Island Bed with Pillowtop Hinged Mattress
- Roadside: Glider Recliner with Ottoman
- Roadside: Computer Desk with Leather Euro-Recliner with Cable for Computer Display on TV
- Curbside: Computer Desk with 37” LCD TV (N/A: 44 Conquest III)
- Bathtub

When you think Monaco, you think impeccable styling. And 2006 is no exception. No matter where your tastes lie — from traditional to contemporary, conservative to bold — we give you more ways to turn your motorhome into your dream home. The Signature Series is proud to offer the Landsdown II and Black Pearl decors by Ralph Lauren.

Note: Colors depicted are a reasonable representation though they may not be an exact match of the actual colors due to variances in processing and production. See your dealer for actual fabric and paint chip samples.

Better Stain Protection
Manufactured in, not added on. For added protection against stains, soil repellent is applied to virtually all upholstery fabric during the finishing process for superior coverage.*

* Brand and application of upholstery fabric protection may vary depending on date recreational vehicle was manufactured.

### There's Strength in Our Numbers.

As you consider your RV purchase, there's one thing we'd like you to keep in mind: Nobody does customer service like Monaco. Period. Our staff is available 24/7/365 to help you with virtually any situation that may arise — with troubleshooting, operational instruction or facilitating repairs at the nearest of our 350 nationwide service centers. In addition, you’ll be enrolled in our Owner Advantage Roadside Assistance Program free of charge for your first year of ownership — providing additional emergency assistance, including towing, tire repairs and many more services around the clock. In short, when you purchase an RV from Monaco Coach Corporation, you get a wider array of benefits than any other manufacturer can offer. To see it all for yourself, call 1-800-634-0855 or 1-800-650-7337 to arrange a tour of one of our state-of-the-art production facilities in Oregon or Indiana.
## BODY CONSTRUCTION

- Heavy-Duty Steel Superstructure with Steel Cage Cockpit Construction
- Seamless One-Piece Molded Crowned Fiberglass Roof
- All-Season Foam Insulated Roof
- Laminated Gel Coat Fiberglass Walls
- Five-Layer Flooring with Two Layers OSB Flooring
- Deluxe Full-Body Paint
- One-Piece Windshield
- Triple Head Power Controlled Heated Chrome Exterior Mirrors with Security Cameras and Turn Indicator Lights
- Halogen Fog Lamps
- Daytime Running Lights
- Recessed Side Docking Lights
- Dual Trumpet Air Horns
- Insulated Aluminum Baggage Doors with Power Locks
- Lined Pass-Through Storage Compartments
- Interlocking Aluminum Framed Slide-Out Houses
- Interior Paneling with 1-1/2" Insulation
- Storage Bay Slide-Out Tray (One Side)
- Storage Bay Slide-Out Tray (Full Pass-Through)
- Rear Ladder
- Monaco Full-Length Mud Flap with Stainless Steel Logo
- Electric Bay Door Latches
- 3M Film Front Mask

## OPTIONS

- Electric Slide-Out Storage Trays (Complete Pass-Through)
- Exterior Sunscreens

## CHASSIS/ENGINE/SUSPENSION

Roadmaster S-Series:
- Semi-Monocoque Chassis
- Cummins® ISM 500 HP Engine with Allison® 4000 MH 6-Speed World Transmission and Electronic Shifter
  - Torque: (@1,300 RPM) 1,450 lbs./ft.
  - Max. Net (Torque will be 1,550 lbs./ft. built after August 2005)
- Engine Displacement: 661"/11.0L
- Dual Fuel Fill
- 270 Amp Alternator
- Rear Axle Ratio: 4.30:1
- Tires: 295/80R/22.5
- Polished Aluminum Wheels
- Full-Cushion Air Glide Suspension with Ten Outboard Air Bags and Ten Bilstein® Shock Absorbers
- Air Suspension with Ping Tank
- Automatic Traction Control

- Air Disc Brake System with ABS
- Tag Axle with Anti-Lock Braking System
- Auto Slack Adjusters on Brakes
- Two-Stage Jacobs Engine Brake
- Pre-Wire for Supplemental Braking System
- Engine Block Heater with Switch on Dash
- Automatic Air Leveling System
- Undercoating
- 10,000 Lb. Hitch Receiver and 7/4-Way Trailer Plug
- Remote Inflation Connector

## OPTIONS

- Series 60 Detroit Diesel 515 HP Engine with Allison® 4000 MH 6-Speed World Transmission and Electronic Shifter; Torque: 1,650 lbs./ft.; Engine Displacement: 858" Cu. In.
- Cummins® ISX 600 HP Engine with Allison® 4000 MH 6-Speed World Transmission and Electronic Shifter; Torque: 1,850 lbs./ft.; Engine Displacement: 912" Cu. In.
- ADC RV 2-Position Adjustable Shock System
- Hydraulic Leveling System
- Dual Leveling System (Air/Hydraulic)

## COCKPIT

- Fiberglass Automotive Dash with Eagle Burl Instrumentation Panel, White Dash Gauges with Black Lettering and Gold Bezels
- In-Dash Stereo with AM/FM Stereo with Multi-Disc CD Changer
- GPS Navigational System
- Color Rear Vision System
- Rear Vision Camera with Airline to Eliminate View Obstruction
- Aladdin™ Video Coach System with On/Momentary Switch with Security Cameras, Integrated Compass and Temperature Gauge
- CB Radio Prep
- Vienna by Verosol Power Window Blinds
- Power Sunvisors

- Pilot and Co-Pilot Side Window Manual Sunscreens
- Adjustable Brake and Accelerator Pedals
- Lighted VIP Smartwheel® with Controls for Windshield Wiper System, ICC and Cruise Control
- Audible Turn Signals
- Cruise Control Light on Dash
- Leather Pilot and Co-Pilot Seats with 6-Way Power Adjustments/Heated/Integrated 3-Point Seat Belts/Adjustable Armrests, Electric Headrests; Power Footrest on Co-Pilot Seat; Electric Sliding Seat Cushion and Memory Capabilities on Pilot Seat
- 12V and 110V Outlet at Dash
- Carpeted Driver and Passenger Floor Mats

## OPTIONS

- Extra-Wide Co-Pilot Seat with Power Footrest
- CB Radio with Antenna
- XM Satellite Stereo (Requires Subscription)
- Sirius Satellite Radio System (Requires Subscription)
