- **I** New generation, state-of-the-art low-profile body design (under 12 feet)
Enjoy your next family meal together with a variety of dinette choices, including UltraLeather™ U-shaped dinette (pictured, standard), or an optional UltraLeather booth dinette ensemble with either a J-lounge or hide-a-bed sofa, together with amenities like hardwood cabinetry, tile flooring and huge scenic windows. (Pictured: 35PBD)
Cook up a masterpiece in a kitchen featuring high-end appliances, hardwood cabinetry, tile floors throughout, Corian® countertops with decorative backsplash, and an extra large scenic window.

(Pictured: 35PBD)
Luxurious décor and fabric styles, along with a standard queen bed, plush carpeting, an optional 24-inch LCD TV and DVD player make Vesta's master bedroom the perfect place to retire at the end of an eventful day. (Pictured: 35PBD)

In the Vesta's bathroom, you’ll find gorgeous tile flooring, a Corian® countertop with decorative backsplash, a roomy one-piece shower and plenty of storage. (Pictured: 35PBD)
Make yourself at home with a variety of dinette, recliner and sofa options, as well as amenities like a 32-inch LCD flatscreen TV, optional home theater system with DVD player and iPod® docking station. (Pictured: 35PBD)
The comfortable cockpit boasts UltraLeather™ six-way power pilot and copilot seats, in-dash driver’s message center, 3-camera color rear vision system and available GPS and Sirius Satellite Radio. (Pictured: 35PBD)
FLOORPLANS FOR LIVING.
Select from two floorplan designs in lengths of 32 and 35 feet, including a single and double-slide, along with multiple furniture options and configurations.

FURNITURE OPTIONS:
- HIDE-A-BED SOFA
- BOOTH DINETTE ENSEMBLE WITH HIDE-A-BED
- BOOTH DINETTE ENSEMBLE WITH J-LOUNGE
MAKE IT HOME.
Choose from a stunning selection of décor styles and exterior colors, designed to surround you in comfort and luxury.

MORE TO STORE.
Vesta features large storage bays with side-hinged baggage doors, along with a mega storage compartment in the rear, available on the 32PBS.

AROUND THE CLOCK SERVICE AND SUPPORT
When you take delivery of your new recreational vehicle, it’s just the beginning of our exclusive around-the-clock Owner Advantage Program.

We offer an extensive support program that provides complete roadside assistance and special motor club benefits that follow you wherever your travels take you. We’ve teamed up with the largest RV emergency road service company in the country to give you immediate access to fast, dependable service when and where you need it. Add our toll-free service appointment assistance, plus a technical assistance hotline, and you have the security of full-time support at your fingertips.

For details, call toll-free 877-211-8135

WARRANTIES
Enjoy your next RV adventure with the peace of mind that comes with a 12 month/24,000 mile basic limited warranty; a 5 year/50,000 mile limited warranty on aluminum or steel frame structure; and a 3 year/50,000 mile limited warranty on the Roadmaster Chassis. Review your coach’s limited warranty in full for complete terms and conditions.

Note: colors depicted are a reasonable representation though they may not be an exact match of the actual colors due to variances in processing and production.
MAXXFORCE® POWER

The MaxxForce® 7 is a significantly upgraded V8 turbodiesel specifically designed to meet the needs of medium-duty motorhome customers. These upgrades include:

- High-pressure common-rail fuel system
- Dual sequential turbochargers
- Compacted graphite iron block

These features deliver a better performing engine with outstanding power, performance, reliability and fuel economy.

Navistar's MaxxForce Advanced EGR emissions technology prevents NOx from forming in-cylinder. You don’t have the taxing work of sourcing urea, filling a urea tank and maintaining additional components. The result is optimal performance and low cost.

ROOF CONSTRUCTION

(top to bottom)
- One-piece peaked fiberglass roof
- Lauan backing
- Thick, tapered bead foam insulation
- Aluminum double I-beam superstructure filled with fiberglass insulation
- Vapor barrier
- Structure foam: thermal insulative barrier
- 1/2" bead foam insulation
- Foam padding for extra insulation
- Padded vinyl ceiling

SIDEWALL CONSTRUCTION

(left to right)
- Wallpaper
- Décor board
- 1-1/2" x 1-1/2" square tubular aluminum frame
- High performance thermal insulation
- Gel coat fiberglass composite sidewall

FLOOR CONSTRUCTION

(top to bottom)
- Structurwood™
- 1-1/2" tube
- High-performance thermal insulation foam
- Lauan
- 3-ply backer

---

1 Towing capacity is limited by GCWR: your vehicle’s towing capacity is the difference between the GCWR and the actual vehicle weight, including all water, fuel, passengers and cargo. Your towed vehicle should be equipped with auxiliary brakes if the weight of the towed vehicle exceeds 1,000 lbs. Consult your owner’s manual for further towing information.

2 All tank capacities are estimated based upon calculations provided by the tank manufacturers and represent approximate capacities. The actual “usable capacity” may be greater or less than the estimated capacities based upon fabrication and installation of the tanks.

3 Actual filled LP capacity is 80% of listing due to safety shut-off required on tank.

The actual overall length of the recreational vehicle may differ from that indicated in the brochure due to variances in the manufacturing process and/or installed components. The actual length may be greater or less than that indicated. Due to the large variety of options and floorplan arrangements available to our customers, actual weights for each unit can differ significantly. Monaco provides a weight sticker on each unit we produce which includes that unit’s tank capacities and approximate weight. Consult your local Monaco dealer for unit availability and further information. The information printed in this brochure reflects product design, fabrication, and component parts at the date of printing. The manufacturer reserves the right, at any time, to make changes in product design or material or component specifications as its sole option, without notice. This includes the substitution of components of a different brand or trade name which will result in comparable performance. All information printed in this brochure is subject to change after the date of printing. Some features shown or mentioned in this brochure are optional and may only be available in selected floorplans. Photographs may show props or decorations that are not standard equipment. Monaco, the Monaco logo and its design, are registered trademarks. Other products and company names are trademarks and/or registered trademarks of their respective holders. While the color of the motorhome’s exterior and the interior fabrics depicted in this sales brochure are fair and reasonable depictions, the colors depicted may not be an exact match of the actual colors because of the variances in photo-processing and printing. Due to product improvements, changes during the model year and/or transcription errors that may occur, information represented within this brochure may not be accurate at the time of your purchase. If certain information is significant to your purchasing decision, please confirm the information with your dealer. Component part and appliance manufacturers issue limited warranties covering portions of the recreational vehicle not covered under the Limited Warranties issued by Monaco RV, LLC. To learn specific details regarding warranty coverage, please contact your selling dealership or review the warranty packet inside the recreational vehicle.
### BODY CONSTRUCTION
