DOLPHIN

GMC 6.2L Diesel

Dolphin teams up with GMC's all new high mileage 6.2 litre diesel to bring you one of the finest recreational vehicles to be offered to date. The combination of a GMC 15,000 GVW chassis, and Dolphin's lightweight, yet sturdy construction will provide you with the kind of performance you haven't been able to find all now.
The GMC 6.2 litre diesel offers everything you’ve always wanted in an R.V. and more. The combination of a spacious, well appointed interior along with the fact that it gets 50 to 100% better gas mileage than comparably sized motorhomes, makes this unit very attractive. You won’t be stopping very often at the gas pumps either. The Dolphin GMC 6.2 litre diesel has dual gas tanks!

Set your sights high and far . . . Let Dolphin take you there.
