## 6.2L Diesel Models

If you like the performance of a strong diesel engine and the economy of a compact, you're going to love our new 25' motorhome built on a 10,000 GVW Chassis, with a purebred diesel engine...

# Introducing the Motorhome of the 80's

Dolphin, a premier manufacturer of fine quality RV's for 18 years has recognized the need for a luxury-sized motorhome that will give you the economy of a compact, with the liveability and performance of a large motorhome. This type of performance is now available, thanks to the all new 6.2 Litre Diesel engine.
