

SEA BREEZE

FIFTH WHEEL TRAILERS

SEA BREEZE

The Sea Breeze Fifth Wheel Trailer from National RV strikes the ideal balance between form and function, with its appealing design and high-quality construction. Crafted in the same tradition of excellence which has distinguished National RV motorhomes since 1963, this sleek Fifth Wheel is sure to provide many years of enjoyment on the road.

A perfect choice for traveling in comfort, the stylish Sea Breeze is engineered for

easy towing and well-equipped for the long haul. Among the trailer's standard features are heavy-duty 6000 lb. axles with eight lug wheels (most competitors have six), large tinted safety glass

tional protection from the elements, the trailer's weather-resistant design also includes a one-piece rubber roof crowned in the center for water run-off, and top-of-the-line A&E awning.

Wheel's aerodynamic shape also helps improve fuel economy. Another head-turning feature of the Sea Breeze is color-coordinated ABS skirting, which enhances the trailer's visual appeal while adding durability.

Inside and out, the Sea Breeze offers generous storage and living space, from the luxury of slide-out rooms that greatly expand living areas to the convenience of large holding tanks and abundant outside storage.

Whether you are heading for the open highway or a deserted back road, the Sea Breeze Fifth Wheel Trailer lets you travel in exceptional quality and style.

windows, and electric front jacks.

The Sea Breeze is very well-insulated, with Mende Board-backed fiberglass side-walls that are thicker than most models on the market today. For addi-

The Sea Breeze cuts a pleasing profile with its rounded front and rear caps of molded fiberglass, for an attractive alternative to boxy competitive models. Beyond its aesthetic advantages, this Fifth-

The structurally solid design begins with a heavy-duty framework of 12" I-beam steel combined with box-tube construction.

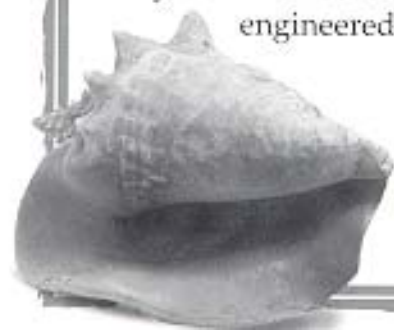

Side wall construction features bonded, laminated Mende Board fiberglass for thicker, better insulated walls.

Modern facilities and an automated production process ensure smooth, error-free manufacturing from start to finish.

Each unit is weather-tested in the rain chamber and thoroughly inspected prior to delivery, in accordance with strict quality control measures.

Step into the gracious living environment of the Sea Breeze and discover a fully-appointed interior where you'll feel right at home. The large, power slide-out rooms with color coordinated, padded fascia board instantly transform the well-organized floor plan into an attractive and expansive living space.

Conveniences such as a 30" wide front door, sound dampening Ozite fabric ceiling, central air and in-floor ducted heat are among the standard features included for your comfort. The galley is recessed at the bottom for extra foot room, while the slide-out pantry, three-burner range, large oven and other kitchen amenities facilitate meal preparation.

You'll find quality touches throughout the Sea Breeze, from solid oak drawer fronts and ceramic tile countertop to the free-standing oak dinette table, oak paddle ceiling fan, and Flex Steel Hide-A-Bed with innerspring mattress. For luxury living on the road, the only way to go is in a Sea Breeze.
