High In Style, High In Value...

Since 1963, National RV has earned a reputation for quality, innovation, and outstanding value. One of the main reasons is our Sea Breeze motorhome.

Instead of building another box on wheels, we've created a stylish RV with high-line sculptured fiberglass skirting and refreshing exterior graphics. New for 1997 is a high gloss gel-coat on sidewalls and front and rear fiberglass caps, a feature found on only the finest buses.

Review the specifications, and you'll see this exceptional low-profile motorhome leads on standard equipment, spaciousness, storage, liquid capacities, and more. Another pleasant surprise is how the richly appointed Sea Breeze beats its competition on price as well.

Look it over. New gas struts make it easy to swing open the insulated compartment doors, revealing the most generous basement storage capacity in its category. Compartments are framed in rustproof galvanized steel. Inside the coach, there's loads of storage and drawer space, plus a huge pantry. And with all it holds, Sea Breeze has a lower overall height than most of its competition.

You'll also welcome such amenities as ducted roof air conditioning, directed by the Intellitec Dual Air System, an effective energy management system for 30 amp service. Topping each coach is a thoroughly insulated rubber roof. Additional standard features include sound-dampening Ozite ceilings that replace the vinyl ordinarily employed on competitive models. A close inspection of the galley reveals mortise-fit drawers running on ball bearing roller guides for smooth, trouble-free operation. For entertaining and personal viewing pleasure, each Sea Breeze has a 19" in-dash TV, while the bedroom is conveniently pre-wired for a second set.

With over three decades of catering to RV enthusiasts, we know how to make travel most enjoyable. Dump valves, for instance, are located so you won't have to crawl around to reach them.

Another nice touch is an outside shower so you can hose everything down after dumping the tanks, or wash off those dirty little feet before entering the coach.

Built Better From The Ground Up...

- 1/4" Structure Wood
- Foam Insulation
- Rubber Roof
- Steel Tube
- Insulated Air Conditioning Duct
- Molded Insulated Foam
- 6" Overall Thickness
- Unicore Fiber Board Molded to Ceiling Fas
- Molding
- Steel Z Sections
- Deluxe Highlift Carpet & Pad
- 3/8" Structure Wood
- 1" x 2" Steel Tubing
- Vinyl Clad Luan Panel
- 1" x 1.5" Steel Tubing

Each Sea Breeze is protected by thoroughly insulated rubber roof, supported by more steel cross members than most RVs. Chassis construction incorporates a heavy gauge galvanized sub-floor installed directly on the frame.
The Inside Story on Sea Breeze Value...

From the moment we opened our doors, National RV began building a reputation for superior products. We've always insisted on the most thorough engineering, the best materials, and the finest craftsmanship. This uncompromising dedication to quality is a key characteristic of Sea Breeze motorhomes, drawing upon advanced manufacturing techniques and then proving performance through extensive testing.

Our roofs have more steel cross members than most competitors with 24" to 30" centers compared to 36" to 48" for others. Diagonal steel "X" straps have been added for extra strength.

Custom designed furniture receives its finishing touches in our factory to guarantee high levels of quality and comfort.

Each unit is thoroughly rain-tested before delivery. This important step helps assure a quality motorhome.

State-of-the-art fiberglass manufacturing holds to tight tolerances and achieves the highest levels of quality.

Extensive undercoating is applied to each unit to provide properly sealed compartments and to enhance sound deadening.

Due to continual product improvements, we reserve the right to change materials, colors, specifications, and prices at any time, without notification. Effective 11/96 production.
Specifications

EHICULAR DRIVING AREA
- Chevrolet 454 CID-7.4 Liter V8 EFI
- L19-230 HP Engine (129 & 131)
- L29-290 HP Vortec Chevrolet Engine (133)
- Ford 460 CID-7.5 Liter V8 EFI
- Engine Oil Cooler
- Transmission Oil Cooler
- Power Steering/Brakes
- Electric Fuel Pump
- Auxiliary Start System
- Alternator - 130 Amp Ford, 105 Amp Chevrolet
- Radial Tires (7)
- Tilt Steering Wheel
- Cruise Control
- In-Dash Heat and Air Conditioning
- Full Panoramic Wrap-Around Tinted Windshield
- Panoramic Windshield Wipers w/Intermittent Speed Control
- Map Light
- Cigarette Lighter
- Reclining Bucket Seats w/Swivel
- Acrylic Sun Visors
- AM/FM Auto Reverse Stereo Cassette
- Wheel Covers
- Deluxe Exterior Mirrors w/Convex
- Class III Trailer Hitch
- Dash Fans

INTERIOR FEATURES
- Insulated Cargo Bin Floors
- Outside Shower
- Power Entry Step
- Roof Rack & Ladder
- Oak Framed Raised Panel Cabinet Doors
- Decorative Mirrored Doors in Lounge & Bedroom
- Oak Trim Throughout

Truly Inviting Interiors Grace Every Model

National RV’s unsurpassed quality and extensive array of standard features contribute greatly to your travelling pleasure. The expansive windshield brings the panorama of outdoor vistas inside when you’ve stopped for the day. Enjoy your dinner in a gourmet galley. Stretch out in your spacious master suite, replete with an island queen bed, plus loads of storage space that includes wardrobes in the dressing areas.

You’ll appreciate National RV’s extensive amenities throughout each of our well organized floor plans. For instance, there’s an inviting L-shaped galley in Model SB129. Like all Sea Breeze motorhomes, it features solid oak drawer fronts with ball bearing drawer guides. Color-coordinated interiors in Model SB129 have popular mini-blinds, while Limited Edition units include both day/night shades and mini-blinds.

In Dash T.V.
As standard, a 19” remote-control color TV is mounted in the dash for convenient viewing.

Add elegance and style with appealing fabrics in your choice of color schemes.

Barbados

Bermuda

Sunset Beach

Elegant Garden Bath
This large garden bath is an exclusive highlight of Model SB133. There’s a beautiful glass enclosed garden shower and lavatory on one side of the hall and a separate toilet room on the other. Goldtone fixtures and trim provide elegant accents, while a domed skylight contributes to the overall lighting and spacious feeling.
Every Sea Breeze is sensational. In these luxury versions, they're truly remarkable! The exciting Limited Edition package adds a wealth of special features for enhanced comfort, convenience and luxury.

National RV's decorating team had a free hand to custom-design these interiors. You're sure to delight in the results, which employ handsome woven fabrics, deluxe carpeting, raised panel hardwood cabinet doors, and day/night shades with designer valance in the lounge area.

This prestigious package also includes a flush-mounted Corian counter top and raised panel cabinetry in the galley, a second coach battery, single-lever galley faucet, power heated mirrors, electric horn, heated holding tanks and a battery disconnect switch. In addition, you can choose from a host of unique National RV options that are available only to Limited Edition owners.

Limited Edition's Galley
Complete food preparation facilities, expansive storage, and easy care have long been exceptional Sea Breeze strengths. A clever new folding Corian counter top conceals the range when not in use. An additional Corian extension is available (133) for extra counter space. Handsome oak trim is utilized throughout.
