## Sea Breeze Fifth Wheel Trailers- Quality & Value For The Long Haul

For over three and a half decades, National RV has brought you recreational vehicles of exceptional quality and lasting value. Sea Breeze fifth wheel trailers epitomize this on-going commitment with rock-solid construction that few fifth wheels can equal.

Built for the long haul, Sea Breeze features a rugged 12" I-beam mainframe, 1-1/2" tubular steel framed walls with smooth gel coat fiberglass exteriors, front and rear molded fiberglass caps and ABS skirting for lasting beauty.

Engineered for easy towing, Sea Breeze makes short

work of long trips. There's ample storage inside and out, plus large holding tanks and an enclosed area that keeps dump and water valves clean. We've also included large tinted safety glass windows to showcase the beauty of nature. Inside, you'll find expansive living areas with easy to operate slide-out rooms, sumptuous master suites and baths all accented with the rich look of oak.

As you can see, we've spared no expense in making Sea Breeze your home away from home. It's an investment you'll be proud to own.

*Each slide-out room incorporates an exceptionally strong engineered steel framework and a trouble-free electric glide system. Extensive weather sealing and insulation are used throughout.*

## Enjoy All The Comforts Of Home At Every Turn

**S**ea Breeze is a model of efficiency. Stretch out and relax in the living room as an oak-paddle ceiling fan stirs whisper-quiet. Wherever you look, color-coordinated designer fabrics and highline carpeting add style and warmth. Cabinets are richly accented with solid oak raised panel doors and drawer fronts. A free-standing oak dinette table helps to make this your home away from home. For additional sleeping space, a hide-a-bed sofa can instantly be converted into a comfortable bed. Sea Breeze maintains your comfort level with sound-dampening, soft-touch ceilings, roof ducted air, floor ducted heat, even a wide 30" front door.

An exquisite oak-trimmed entertainment center keeps you well connected with a 27" color television (19" in 2031), VCR with remote control, AM/FM stereo cassette, and telephone jacks. Dual swivel recliner rocking chairs are available in most models.

As you can see, when it comes to quality, features and value, Sea Breeze is the best thing going.

## Spacious Galleys

**S**ea Breeze galleys are worthy of your finest recipes. Whether you choose a model with a roomy wrap-around rear galley or an efficient L-shaped configuration, you'll be sure to delight with many outstanding features. All galleys have spacious counter-tops (Corian optional) and abundant storage areas. The porcelain sink, slide-out pantry, adjustable shelving, spacemaker microwave, three-burner range and large oven offer exceptional practicality. The rich look of oak is evident in the raised panel cabinetry and the easy-to-clean plank floor.

Model 2030

## Unwind In A Sea Breeze

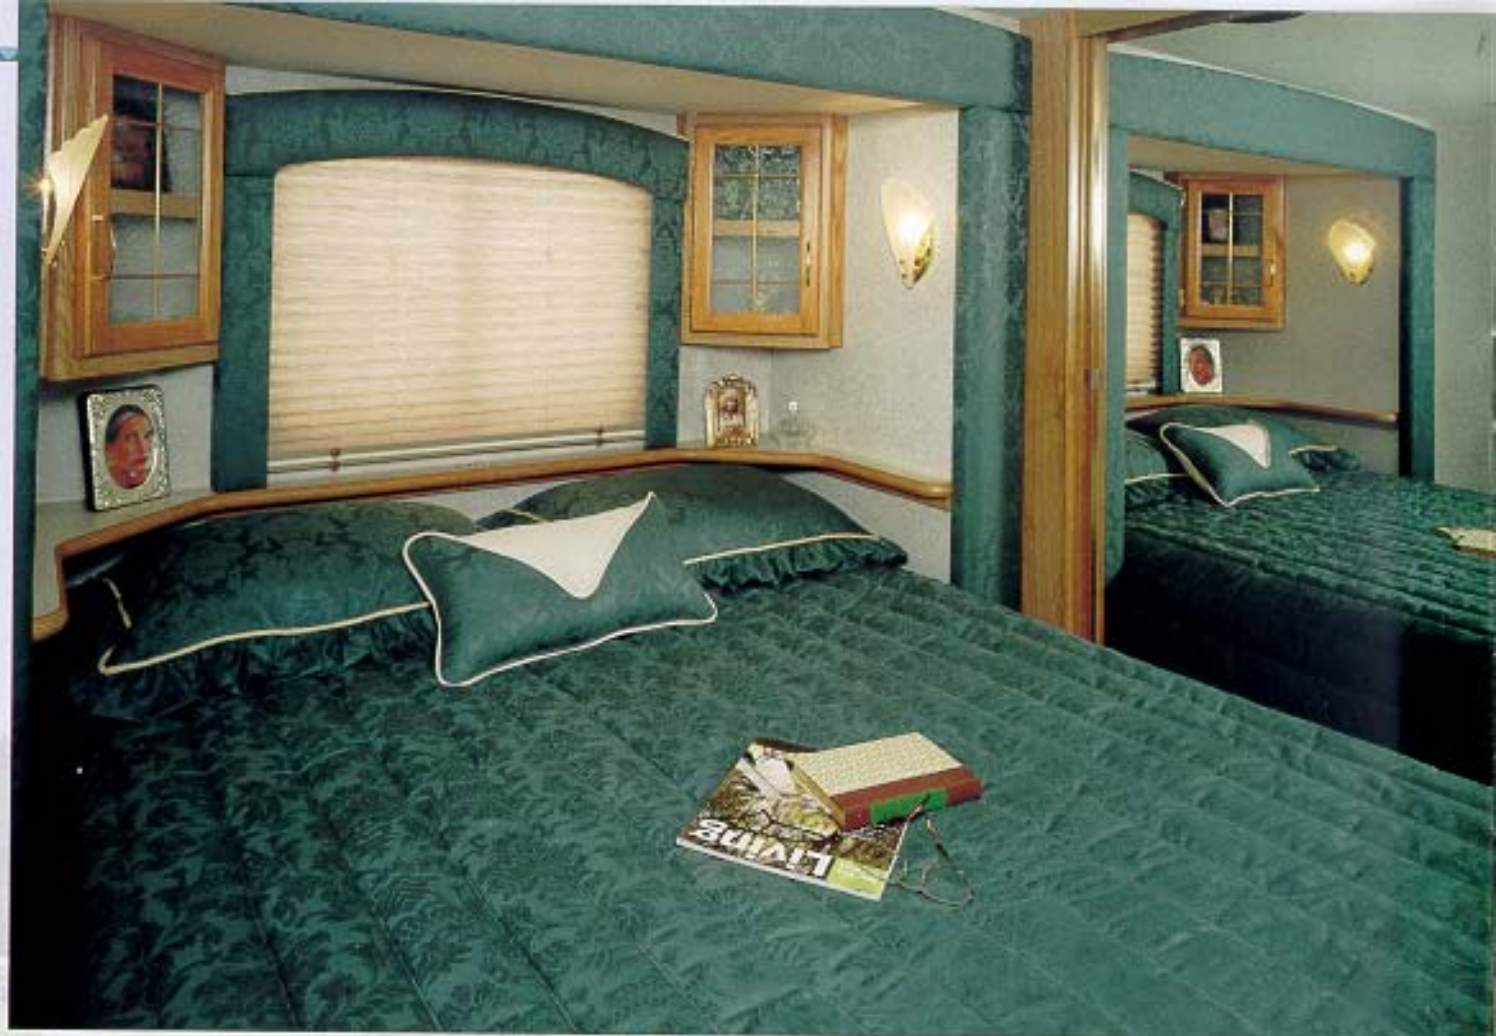

The Sea Breeze fifth wheel is designed for easy traveling, comfortable living and a good night's sleep. You'll wake up refreshed in the spacious slide-out bedroom. This sumptuously appointed suite features a luxurious queen size bed with soft inner-spring mattress. Attractive lighting and paned glass cabinets provide a restful ambiance. An expansive wardrobe with gold trimmed mirrored doors spans the full width of the bedroom.

### Beautiful Built-In Vanity

Also typical of Sea Breeze's efficient use of space is an elegant sit-down vanity with flip-up counter top that conceals a makeup mirror and jewelry drawer. The built-in vanity is framed by spacious drawers, overhead cabinets and a TV shelf.

### Garden Bath

You'll feel at home on the road in our beautiful garden bath. A glass enclosed tub/shower combination is accented with goldtone fixtures, and a domed skylight create an ambiance of luxury. Standard equipment includes large sinks, a quality porcelain toilet with spray attachment, and a wall mounted hair dryer. A private toilet room is ideally situated across the hall from the lav and shower on models with garden baths

# Quality Built, From Roof To Road

**C**rafted in the tradition of excellence that has distinguished National RV since 1963, this sleek fifth wheel was built from the ground up to hold up. A heavy-duty 12" I-beam steel mainframe, 1-1/2" tubular steel framed walls and heavy duty 6000 lb. axles with eight-lug 16" wheels provide rugged stability. Sea Breeze also ensures superior protection from the elements with durable side walls that feature laminated high gloss gel-coat fiberglass and a one-piece rubber roof, crowned in the center for water run off. Each unit is weather-tested in our rain chamber and thoroughly inspected before shipping.

An optional Joey slide-out box provides convenient lighted storage for all kinds of odds and ends. Side door and flip-down panel at front of unit ensure fast and immediate access to stored items.

One-piece rubber roof

4-3/4" laminate roof w/1-1/2" tubular steel frame and foam insulation
