We’ll Make Your Travel Dreams Come True!

Travel in grand style with Tropi-Cal wide-body motorhomes - National RV's top-of-the-line gas models. For more than three decades, we've catered to customers with innovative designs, extensive features and outstanding value. Fact is, each Tropi-Cal comes with such a wealth of standard equipment that the option list is remarkably short. You'll be pleasantly surprised at all your RV investment can provide.

From the moment you experience Tropi-Cal's stylish exteriors, you'll know this fine motorhome is a cut above the rest. Inside, spacious and elegant accommodations confirm that you've made an excellent choice. In the National RV tradition, we've incorporated richly appointed master suites, inviting living rooms, gourmet galleys, posh baths, and generous storage space. Quality and attention to detail are evident throughout, exemplified by handsome walnut interiors - used exclusively in top-of-the-line motorhomes.

Open Up New Possibilities

Tropi-Cal slide-out models prove that bigger is indeed better. Within minutes after you stop for the night, you instantly add space right where you need it most. The extra-spacious living room that the slide-out room gives you is the perfect place to relax after another glorious day on the road.

National RV's incomparable engineering is working behind the scenes to ensure long-lasting performance and safety. Each slide-out room incorporates an extremely strong steel framework and a trouble-free electric glide system. Extensive weather sealing and insulation are used to keep your Tropi-Cal exceptionally weather-tight.

As the room slides out, Tropi-Cal's standard awning moves overhead to protect it, keeping debris and water off the top of the room. When the slide-out is retracted, it's barely visible, fitting flush to the side of the motorhome.

Efficient Workstation

While you enjoy your travels, Tropi-Cal makes it easy to stay in touch with the rest of the world. We've provided a workstation where you can quickly connect your cell phone or laptop, or simply a comfortable place to write to your friends or relatives while you're on the road.
Ensuring Lasting Quality At Every Turn

National RV motorhomes are filled with quality construction features. And we don’t simply put the quality where you see it, we put it where you don’t see it!

Tropi-Cal construction gets off to a solid start with a Ford or Chevrolet chassis. On top of that, National RV engineers utilize an all-steel frame and truss system to construct an enduring foundation. Incorporating a laminated steel framed floor, exterior walls and roof, each Tropi-Cal is literally surrounded in steel.

High gloss gel coat is used exclusively on the molded front and rear fiberglass caps and exterior walls. The floor is laminated, insulated, and undercoated for exceptional weather protection. A steel framed rubber crowned roof protects from above, and every coach is water-tested. Every Tropi-Cal is thoroughly insulated - even the lower compartment doors.

Bedroom Choices

Exclusive in Model 6350, the master suite features a head-to-side queen bed with a mirrored wardrobe/closet extending across the full width of the motorhome. Inside the wardrobe, you'll find additional shelves and storage space.

Whatever You’re On The Road, National RV Is On Call...

24-Gallon LPG Tank is conveniently located for easy filling.

Massive storage compartments provide a safe, secure place to store all manner of items, large and small.

24-Hour Toll-Free Help Line

As an original Tropi-Cal owner, you can call toll-free, anytime, for expert advice on any problem you might have. (Good for one year from date of purchase. Non-transferable program can be extended for a nominal fee.)

The dump/fill station area is easy to access and use. It includes a water pressure gauge and regulator, black tank flush, and city water fill. Soap and towel dispensers are provided for your convenience.

All of Tropi-Cal’s plush bedrooms benefit from designer bedspreads, pillows and shams, as well as day/night shades, attractive lighting, and spacious night stands with drawers.
Each Tropi-Cal is very versatile and quite accommodating. The expansive living areas and galley are great for entertaining. And when your plans include touring with a group or having friends or family stay overnight, the stylish sofa instantly converts into a comfortable hide-a-bed.

Innovations and Enhancements

When you're traveling, every little convenience becomes very important. That's why Tropi-Cal pampers you with sound-dampening fabric ceilings, plus day/night shades with elegant valances. Our roomy interiors gain an extra measure of openness from large windows, as well as decorative mirrors throughout the coach. There's plenty of comfortable seating to inspire pleasant conversations. And for your entertainment, we've included an overhead-mounted 19” color television.

To deliver complete climate control, Tropi-Cal's electronic Energy Management System (EMS) allows the use of both air conditioning units on a 30 amp service. Throughout the coach, plenty of ducts provide even distribution of air conditioning and heat.

Spacious Garden Bath
Whether you select a floor plan with glass-enclosed shower or combination tub/shower, you're sure to enjoy Tropi-Cal's elegant baths. A domed skylight really opens up the room, while handsome goldtone fixtures and trim provide attractive accents. A quality porcelain toilet with spray attachment is standard.

Dinette With Hutch
Tropi-Cal's special hutch with mirrored back and Corian top provides extra counter space for frequently used items, as well as the convenience of additional storage right in the galley area. Be sure to check the fit and finish on our beautiful walnut raised panel cabinetry. Tropi-Cal is the only motorhome in its price range with such a rich, attractive finish.

Gourmet Galley
Designed to delight any cook and every diner, Tropi-Cal galleys offer the practical beauty of a Corian counter with recessed cook top. You can even select a fold-down Corian counter top extension (optional) for additional counter space. Standard features include a convection/microwave oven, coffee maker, and an abundance of cupboards and drawers.
Since 1963, National RV has earned a reputation for quality, innovation, and outstanding value. We're also known for going the extra distance to keep our motorhome owners happy, teaming with a nationwide network of carefully selected quality dealers who share our dedication. As proof of our commitment to your complete satisfaction, National RV provides Tropi-Cal owners with a 24-hour toll-free help line to answer any questions you might have.

In addition, National RV is one of the few manufacturers with complete customer service facilities. Responsive professionals at our Perris headquarters will service your motorhome with an expert's touch, and we have an RV supply store here as well. National RV is justifiably proud of our state-of-the-art facilities, and we'd like to host you on a plant tour. Please call for arrangements.
