NRV
NATIONAL R. V., INC.

Experience travel freedom and comfort in the 2000 Sea View by National RV. Lounge in the expansive, smooth operating slide-out room--standard on each unit. Warm oak woodwork and stylish décors are featured in every floor plan.

We've engineered and patented our modular, all steel Duraframe™ subfloor to structurally integrate with the chassis frame. This design provides solid, smooth riding performance as well as expansive storage to accommodate your travel needs.

Model 8310

Spacious Galley

Cooking will be a delight in the large galley. The Sea View kitchen comes standard with a full Corian® countertop, double-door refrigerator and microwave oven with built-in exhaust fan. Oak cabinet doors with smoked glass panels offer a custom touch. Your favorite meals can be enjoyed in these pleasant surroundings and on comfortable dinette seating.

Model 8340

Roomy Retreat

Get a good night's sleep in a queen-sized bed. We've complemented this sleeping area with an attractive color-coordinated bedspread, pillow shams and a custom headboard. We've provided additional storage for bulky items such as blankets and pillows beneath the bed.

Model 8340

Model 8310

Residential Bathroom

This comfortable bathroom features amenities such as a medicine cabinet, skylight, exhaust fan and custom fiberglass tub/shower.

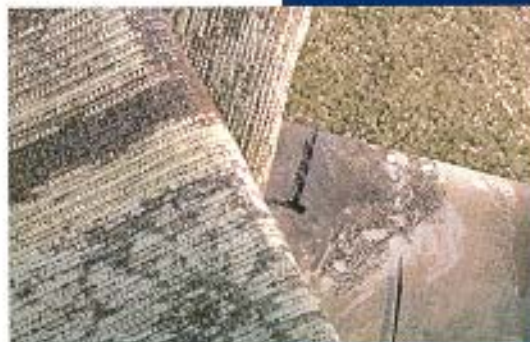

Inviting Interiors

The generous living area has become a hallmark of each Sea View motor home. Enjoy your favorite shows on the 19" TV while relaxing on your cozy sleeper sofa. Warm oak cabinetry with upper raised panel doors tastefully complement each décor package.
