Dutch Star...for the "Resourceful RVer"

"At last we found an affordable RV that was created for folks just like us, first time buyers on a budget. Not only did we find the perfect floorplan and size, we also discovered a handsome, well-equipped towable: **The Dutch Star**. Best of all, it's manufactured by the company that *knows* recreational vehicles: Newmar Corporation!"

"That's all the insurance we needed to make the choice for our first RV. Newmar has been manufacturing all types of recreational vehicles for over 23 years and they know how to build experience and quality into every product they offer."

"***Affordable enjoyment and reliability*** is what it's all about in our family and **Dutch Star** has opened the door to a whole new world of recreation for us."

"If you are confused by the overwhelming number of brands, models and sizes of RVs being offered, especially for the first time buyers like us, do what we did and see your nearest **Dutch Star** dealer soon. He'll take all the confusion out of buying your first RV. He'll also leave you with confidence in your decision and a balance in your checkbook!"
