NEWMAR CORPORATION:

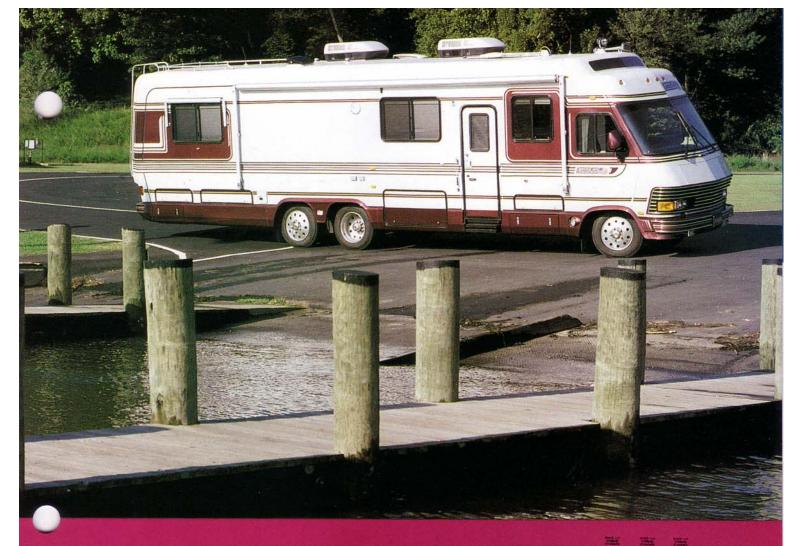

The Slideout Specialists

Above and below: Spacious 17foot slideout in the all-new Mountain Aire fifth-wheel trailer with rear kitchen.

Right: Free-standing dinette in small slideout of Newmar's famous Kountry Aire fifth-wheel.

Motorhomes with slideouts

No matter whether it's a luxurious 37-foot London Aire (like the one above that MotorHome magazine tested) or a more affordable 33-foot Kountry Star (right), you can get your choice of sizes and floorplans with 12-foot slide-its.

But they're available only from Newmar -- the slideout specialists.

You've always wanted to own a Kountry Aire, haven't you?

Why not reward yourself with one now?

Choose from a variety of 5thwheel floorplans (see front cover) with slideouts of 12 to 21 feet.

Or consider our all-new 35-foot travel trailer (shown here) with its luxurious 12-foot slideout and a special A-frame that provides full basement storage space.

And don't forget our beautiful Kountry Aire motorhomes, equipped with your choice of one or two slideouts.

From Newmar -- the slideout specialists!
