

Kountry Star Diesel Pushers

PO Box 30 • Nappanee, IN 46550-0030
219/773-7791 FAX 219/773-2895

Newmar's newest Kountry Star motorhome is America's only diesel pusher that can be ordered either with or without a 12-foot-long power slideout section.

Built on a Spartan chassis with a 250-hp turbo-charged Cummins diesel engine, the all-new Kountry Star offers an ideal blend of interior spaciousness, overall beauty and topnotch road performance -- all for the surprisingly low base price of \$122,380.

Compare the Kountry Star with other motorhomes, and we think you'll agree it is the best value in diesel pushers today!

1992 KOUNTRY STAR DIESEL PUSHER

- O Vent, 12V in ceiling w/wall switch (choose location)
- O Window, radius dark tint ILO std
- S Windows, radius slider safety glass

"With the rooms slid out, the interior opens up like that of a fifth-wheel trailer. The broad sweep of space up front is impressive and does a lot to reduce any closed-in feeling..."

MotorHome magazine

"...I predict that Newmar has unveiled a true winner. Not only for themselves, but also for their customers who choose to buy one."

Don Magary

Family Motor Coaching

Thank you for your interest in Newmar Corporation's new Kountry Star diesel pusher motorhome. We are very proud of it, just as we are proud of all the other motorhomes, the fifth-wheels and the travel trailers that we build.

Through our nationwide network of dealers, we sell RV products that are designed and built for many years of over-the-road-use. Please spend a few minutes at one of those dealerships and examine our coaches carefully. We know you will be pleased by what you see.

For the name and address of the Kountry Star dealership nearest your home, and for the latest color literature about our full range of Class A motorhomes, please write to the address below.
