Welcome to the Outdoors!

CreekSide

Where to Escape from the Everyday

*** Roto-Torqued Outdoors Tough Cabinetry
*** Off Road Chassis
*** Goodyear Radial Tires - Safety/Warranty
*** Cooler Sized Storage Doors
*** Beausfloor Outdoors Tough Flooring
THE BATHROOM - even our smallest model is designed with you in mind! Separate sink area from the rest of the bathroom so someone can brush their teeth while another takes a shower - ...how often do you camp by yourself?

THE BEDROOM - In our 18CK and 21CKS models you will find an all important shirt ward along with an optional combo overhead bunk - Storage is important no matter what size of unit you enjoy the Outdoors in. Purchase your CreekSide with the optional Pillow Top Mattress and you will sleep like you did as a kid your first night out.

18CK - Our most popular model and you can see why... here at Outdoors RV we do not cut corners even with our smallest unit - Raised Panel Overhead Doors, Outdoors Tough Flooring, Granite Designed Counter-Tops, Throw Pillows, Spice Rack, Shelves in Cabinets, Extra Large Real Wood Drawers, 11 Lights just in this area and the list goes on and on... Function and Storage are important to us here at Outdoors RV...
Everyone deserves to enjoy the Outdoors with family & friends...

Take one look at the Inside of a 2010 CreekSide and you will see that this is the perfect place to “Escape from the Everyday”. From the beautifully appointed wood grain flooring to granite designed countertops...the Outdoors never looked so good!

THE LIVING ROOM - Even in our 21CKS you will see that we have an immense amount of living space to enjoy the Outdoors in! The Beaufloor Outdoors Tough Flooring is a standard feature in every CreekSide - not only does this flooring look great it has a Cold Cracking Warranty for 2 Years down to 50 Below Zero. Since we are active users of the products here at Outdoors RV we design every feature we put in the coach as if we were buying it ourselves.

THE DINETTE - 5” Dinette Cushions (Comfort is the key), Pot & Pan Drawer, Optional Two Tone Day & Night Shades are features that you do not normally find in this price point of product...again we are active RV’ers and while out enjoying the Outdoors we did not want you to go without!

OVERHEAD GALLEY STORAGE - Extra large storage compartment conveniently located above the galley sink...the raised panel doors give it just the right touch!
All three of these models are 4-Season Rated!

Welcome to the Outdoors!

In a 4 Seasons Outdoors RV the entire chassis is enclosed from front to back for both insulation and protection from road debris.

We use Astro-foil (R-15) insulation along the entire length of the floor. Plus an additional wrap around the holding tanks.

The Industry Standard:
Holding tank dump valves are not enclosed and are exposed to freezing.

The Outdoors RV Standard:
Our Dump Valves are located within the Enclosed / Heated underbelly to protect them from freezing.

The Industry Standard:
A single layer of insulation.

The Outdoors RV Standard:
Insulation is double layered for added protection.

The Industry Standard:
No insulation in the slide out floors.

The Outdoors RV Standard:
The entire slide out floor is covered with Astro Foil / R-15 Insulation.

The Industry Standard:
Cold and Drafty; Not Designed for Northern Climates

The Outdoors RV Standard:
Warm in the Winter and Cool in the Summer; Perfect for colder Northern US and Canadian climates.
Situated in a picturesque mountain valley of Eastern Oregon a new RV company is born. The focus of this company is to design RV’s for the NW and Western Canada, merchandise the products with a hand selected group of dealers with the end goal of having our customers enjoy an Outdoor experience like no other.

The NW and Western Canada will be the targeted area for the products produced here. This area has an incredible percentage of people that enjoy the RV lifestyle and why wouldn’t they with the Outdoors right outside most people’s backdoor. Our goal is not to be the largest manufacturer in the country nor follow market share graphs. We simply want to design and build great RV’s.

The management team for this new RV company has over 160 years of combined RV experience. Here are a few examples:

Jim Croxton – General Manager (25 Years)
Darin Nelson – Sales Manager/US Sales (16 Years)
Rod Glass – Canadian Sales Manager (23 Years)
  Robin Larsen – Training/Sales (15 Years)
  Rick Ewing – Service Manager (30 Years)
  Terry Fischer – Production Manager (29 Years)
  Henry Quint – Purchasing Manager (20 Years)
  Rick Hudson – Asst Production Manager (25 Years)
  Karen Evans – Sales Administrator (7 Years)

We look forward to producing an excellent product for you and your family to use in the Outdoors – please feel free to visit us anytime – we would love to meet you!
