1991 CAMPING TRAILERS & TRUCK CAMPERS

**TXL FOLD-A-WALL TRAILERS** – If you desire the ultimate in camping trailers the Palomino TXL models will meet your needs.

With the choice of three floor plans you may camp in total comfort. Palomino has specialized in fold-a-wall construction for sixteen years.

Many of the deluxe features you desire are standard in the TXL models including 13" tires and electric brakes. The TXL-SC model offers shower, toilet, in and out stove and refrigerator as standard features.

The TXL-FG offers a unique roomy floor plan with a front gaucho for additional seating and inside storage.

The TXL-LB offers a "King Size" 72" bed in front for a roomy bed area.

SXL

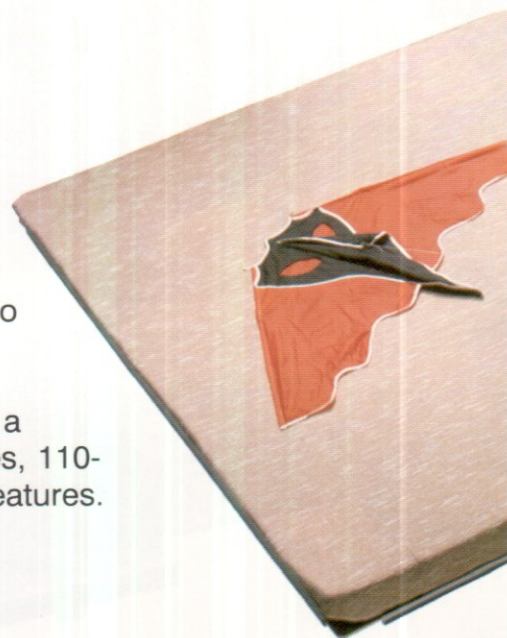

**MXL-RG and MXL-LB** – You may choose from a large King Size bed area, or the floor plan with additional seating and sleeping area. Both floor plans offer the following options available. In and out stove, refrigerator, air conditioning and more.

Standard items include 4" mattresses, 110-volt outside receptacles, patio light, four stabilizer jacks and a mirrored screen door.

**SXL** – This model offers all the features of the "Fold-A-Wall" concept in a smaller trailer. To insure comfortable camping you receive 4" mattresses, 110-volt outside receptacles, dome lights and a patio light all as standard features.

The SXL will sleep six in comfort and is lightweight for easy towing.

MXL-RG

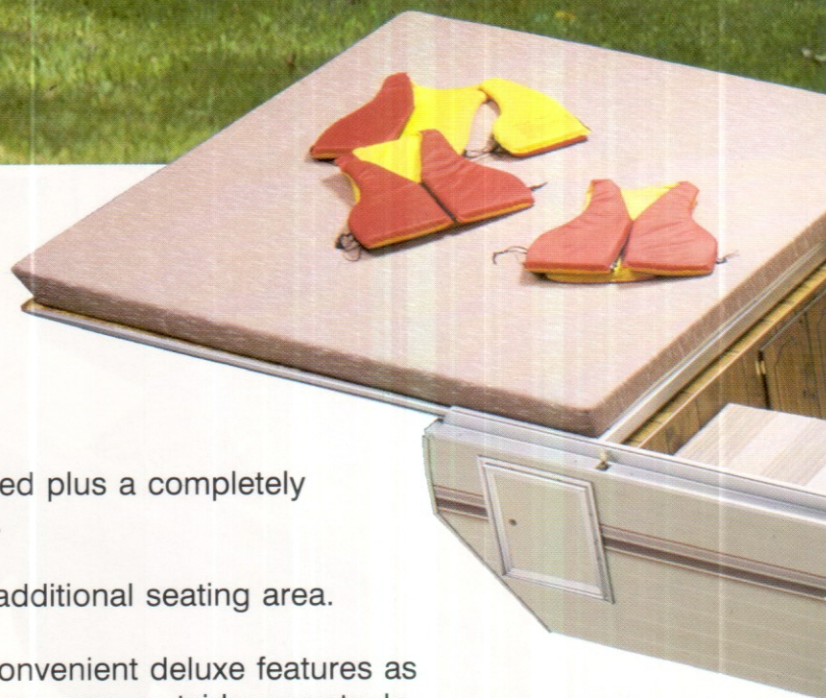

**MUSTANG LB AND MUSTANG RG** – The Mustang model is the largest soft-side trailer offered by Palomino in two attractive floor plans.

The Mustang LB model offers an extra long 78" bed plus a completely enclosed storage area with outside access doors.

The Mustang RG allows you a roomy trailer with additional seating area.

**STALLION** – Our mid-size camper offers all the convenient deluxe features as standard items. This includes a flip-up toilet storage area, outside receptacle, patio light and a mirrored screen door.

The Stallion also offers the refrigerator option and the in and out stove option. As with all Palominos, the ice chest is standard.

**PONY SERIES** — Economy priced trailers for today's budget-conscious family, or for anyone who desires quality and economy in a camping trailer.

The Pony Series trailers are lightweight with the Shetland, Colt and Pinto under 1,000 pounds for easy towing. All of these trailers have durable vinyl tents with large windows for comfortable ventilation.

The popular side dinette is offered in four larger models for easy access to the bed areas. The Pony Series trailers offers 9-amp, 12-volt power converter and top loading ice chest as standard items.

The Filly, Yearling, Pinto and Colt provide a convenient storage area for a porta-potti.

Whatever model you desire – the Pony Series trailers offer a variety of fine models with different features and sizes. These trailers must be seen to be appreciated.

## THE TRUCK CAMPER DESIGNED WITH YOU IN MIND

— Here's one of the lightest in the industry — a truck camper perfectly suited to most standard half-ton trucks. The Bronco offers a full-height entrance door standard on both models.

Attractively designed to sleep 4. Stainless steel sink and 3-burner stove add to built-in conveniences. Cabinet space includes room for either a 75-lb. ice box or refrigerator. The Broncos achieve their strength through thermocore 3-ply laminated construction and offer a radius roof.

Special features include: an inside gas bottle, Jalousie windows, wiring harness and a mildew-resistant 2-ply reinforced vinyl on the extension. The crank-up raisor system raises the roof in seconds for camping and allows easy closing for travel and fuel efficiency.

Palomino Mini-Broncos are super light weight designed and styled to fit the new breed of mini-trucks and import models.
