FOLD-A-WALL SERIES

TXL Fold-A-Wall Trailers

– offer you the very best in hard wall camping trailers. Palomino has specialized in Fold-A-Wall construction for over seventeen years.

With the choice of three different floor plans, you may enjoy camping with many of the convenience features you desire in total camping comfort.

Standard features include 13" tires with electric brakes, in and out stove, 14" x 14" roof vent, and 110-volt outside receptacle. Also included, a mirrored screen door, top loading ice chest, and four stabilizer jacks. The TXL-SC model includes refrigerator, toilet and shower as standard items.

The TXL-FG offers a unique roomy floor plan with a front couch area that also provides extra storage underneath, plus a large wardrobe closet.

The TXL-LB offers the convenience of our largest trailer with a king-size 78" bed area and our new deluxe wardrobe closet.

TXL-SC

MXL-RG and MXL-LB

The unequalled quality and years of Fold-A-Wall experience continue with the Palomino MXL models.

These two models offer many of the features you may desire in a hard wall trailer with the convenience of lighter weight and a popular sized trailer.

Standard items include; 4" mattresses, in and out stove, 110-volt outside receptacles, 14" x 14" roof vent, mirrored screen door and four stabilizer jacks, and a top loading ice chest.

With these two floor plans you may choose the king-size bed model, or the convenience of a rear couch with extra storage underneath.

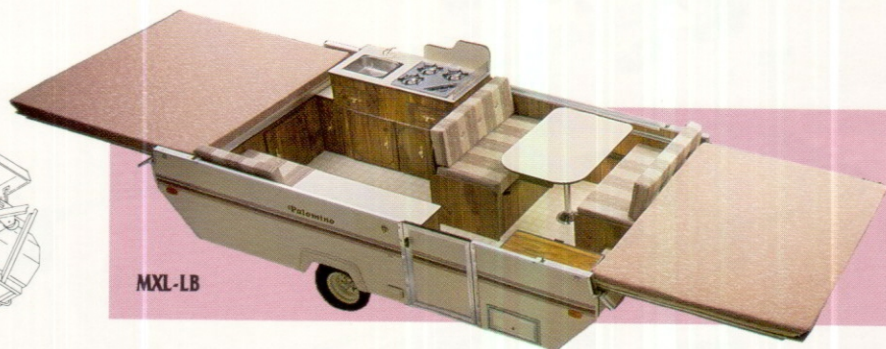

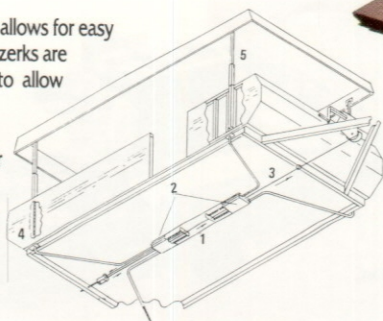

FOLD-A-WALL SERIES

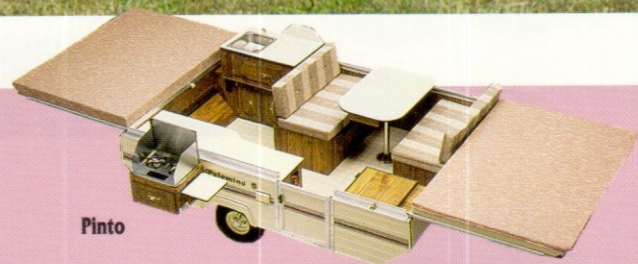

Crank-up Lift System

1. The drive system is enclosed for protection from weather and road conditions.
2. The underneath location of the system allows for easy inspection and maintenance. Grease zerks are located top and bottom of main tube to allow yearly maintenance.
3. A single cable capable of 3,200 lbs. tensile strength rotates around the rear cable pulley and pushes the four flexible steel push rods up the lifter posts.
4. Flexible steel push rods.
5. Three stage plated lift post.

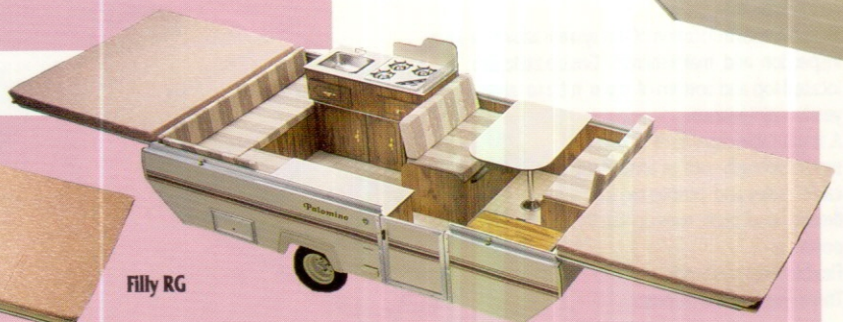

DELUXE STALLION SERIES

Pinto

Mustang

Filly RG

Palomino's most popular models

— are included in this series of trailers. Whatever model and floor plan you may consider, we have the variety of models at affordable prices to make your camping dreams come true.

The Pinto offers many superb deluxe features that include sleeping six, plus it offers the towing convenience of less than 1,000 pounds. This trailer may be towed by today's compact cars for fuel efficiency.

The Filly is a very popular model with two exciting floor plans. Standard features on the Filly include; top loading ice chest, 14" x 14" roof vent, 110-volt outside receptacles, 4" thick deluxe cushions and so much more.

The Mustang is our largest soft side trailer that opens up to more than 23' inside. This trailer offers storage galore including the new stand-up wardrobe closet. The Mustang is standard with 13" tires and electric brakes.

Filly LB

Our affordable and lightweight trailers

— allow you to camp in the great outdoors in the total comfort of a camping trailer.

Both models provide a complete kitchen, top loading ice chest and our all vinyl tent. These models weigh less than 1,000 pounds and can be towed easily by today's four cylinder cars.

The Colt with the popular side dinette allows easy access to the bed areas. It's also standard with an in and out stove for cooking convenience. This trailer provides many enjoyable camping features for a very economical price.

These trailers must be seen to be appreciated.

BRONCO SERIES

THE TRUCK CAMPER DESIGNED WITH YOU IN MIND

Here's one of the lightest in the industry – a truck camper perfectly suited to most standard half-ton trucks. The Bronco offers a full-height entrance door standard on both models.

Attractively designed to sleep 4. Stainless steel sink and 3-burner stove add to built-in conveniences. Cabinet space includes room for either a 75-lb. ice box or refrigerator. The Broncos achieve their strength through thermocore 3-ply laminated construction and offer a radius roof.

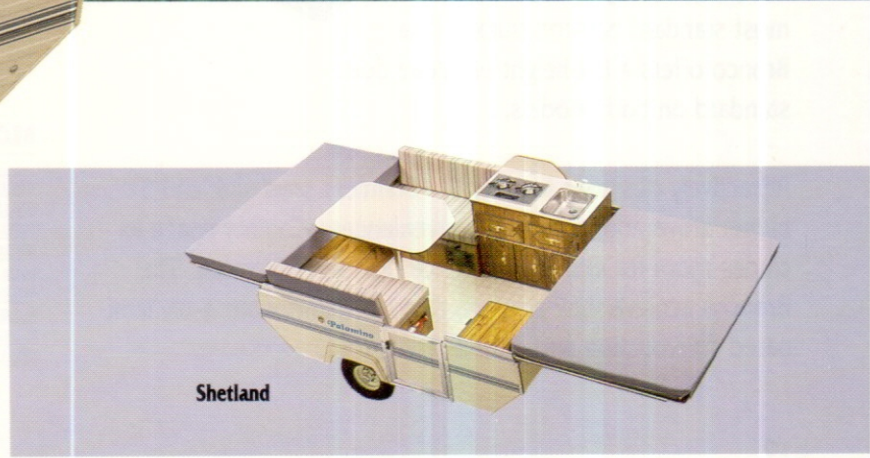

Special features include: an inside gas bottle, Jalousie windows, wiring harness and a mildew-resistant 2-ply reinforced vinyl on the extension.

The crank-up raisor system raises the roof in seconds for camping and allows easy closing for travel and fuel efficiency.

Palomino Mini-Broncos are super light weight designed and styled to fit the new breed of mini-trucks and import models.
