CAMPING TRAILERS

P A L O M I N O

COMFORT IN TXL AND MXL FOLD-A-WALLS

For over 18 years, Palomino has specialized in solid Fold-A-Wall construction. These handsome units combine the durability of solid sides with spacious sleeping areas protected by vinyl tent ends. This year, three different models offer affordable, comfortable camping with all the conveniences of home.

Ultra-comfortable TXL-SC models feature a standard refrigerator and a self-contained toilet with a shower. Included as standard equipment on all models are 13-inch tires, electric brakes, a mirrored screen door, four stabilizer jacks and independent suspension. An indoor/outdoor stove makes galley duty fun and a roomy wardrobe holds plenty of gear.

TXL-SC

MUSTANG OFFERS SPACIOUS COMFORT

More than 23 feet of interior length makes the Mustang Palomino's roomiest soft sided trailer. With a choice of three spacious, well-equipped floorplans, there's a model to suit every camping family—large or small.

Included on the long list of standard features are 13-inch tires with independent suspension, a handy indoor/outdoor three burner stove, four stabilizer jacks, lift-up port-a-potti storage, 4-inch deluxe cushions and a sturdy vinyl tent with tinted windows.

MUSTANG D-D

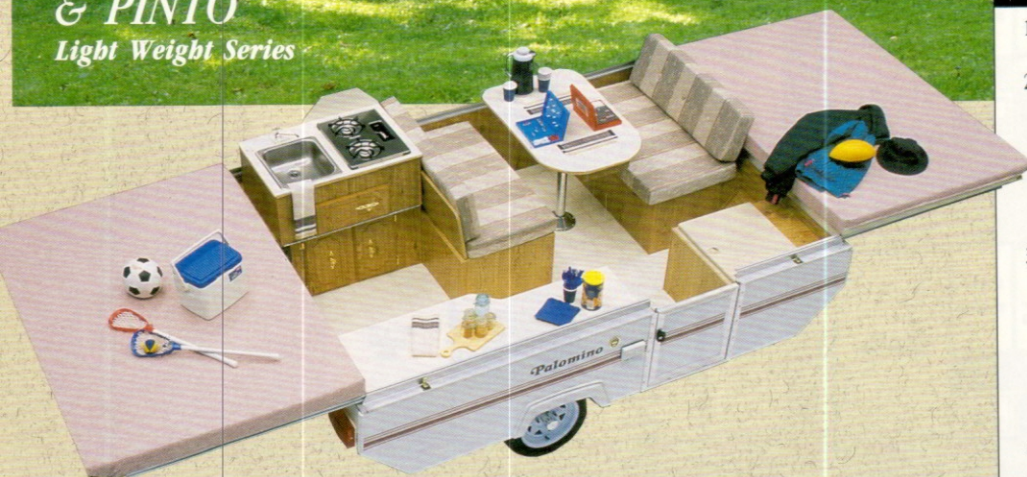

LIGHT AND LOW PROFILE—SHETLAND AND PINTO

Even with a four-cylinder car, you can easily tow our lightweight Shetland (5-sleeper) and Pinto (6-sleeper) models. Both units weigh under 1,000 pounds and have a complete kitchen, top loading ice chest, vinyl tent, independent suspension, built-in jacks and many more camping conveniences.

These easy-towing units have a low profile, an economical price and are well equipped to make them ideal camping companions for veteran campers and first-timers, too.

PINTO

Crank-up Lift System

1. The drive system is enclosed for protection from weather and road conditions.
2. The underneath location of the system allows for easy inspection and maintenance. Grease zerks are located top and bottom of the main tube to allow yearly maintenance.
3. A single cable capable of 3,200 lbs. tensile strength rotates around the rear cable pulley and pushes the four flexible steel push rods up the lifter posts.
4. Flexible steel push rods.
5. Three stage plated lift post.

MID-SIZE FILLY AND YEARLING

Palomino's mid-sized camping trailers have four functional floorplans. Choose from Filly Long Bed or Rear Gaucho or the slightly smaller Yearling Long Bed or Front Gaucho.

Both Filly and Yearling models have a standard indoor/outdoor three burner range, independent suspension, port-a-potti storage, a top loading ice chest and a rugged vinyl tent with tinted windows. If you're looking for a lightweight, affordable tent trailer loaded with standard features, then check out these popular models for 1993.
