Puma Travel Trailers are built to withstand the demands of family living. With a large selection of floor plans, there’s a Puma model perfectly suited for your family. Lots of special design features enhance the livability of every unit including extra deep cabinets for added storage. Vibrant fabrics, stylish window treatments, and coordinated bedspreads and headboards add designer fashion to your leisure living.
By carefully utilizing available space, Puma designers have integrated beauty, form, and function to create incredibly spacious floor plans with a full 80 inches of interior height. Fully-equipped kitchens feature residential style appliances and quality countertops for high-end appeal. Deep cathedral style cabinets with polished nickel finish hardware and real wood drawers provide lots of convenient storage along with beauty and style.
Puma Fifth Wheels offer a long list of standard features and popular options to meet your family’s need and desires. Quality furnishings throughout add beauty as well as value. Flush floor slide-outs expand living space and feature an attractive wood fascia that adds an elegant touch of style. From spacious living areas to comfortable bedrooms, Puma exceeds your expectations.
Puma Park Trailers make the perfect family retreat. The interior is specially designed with easy living features that add comfort and convenience. Handy kitchens, spacious living quarters, and comfortable bed and bath areas make Puma Park Trailers the best choice for your family.
