Exterior

Various Floorplans

The Ford EXCEL is available in three different floorplans. The TD, TS & RD all share the same great features with your choice of rear sleeping arrangements. The TD offers you flexibility and choice with the option of having two single beds (approx. 29" x 72" and 29" x 74") or a king-size bed. The TS, with the electric sofa, provides the same sleeping arrangements as the TD, but the addition of the electric sofa in the TS provides the added benefit of two rear three-point seat belts for extra passengers. The RD, with the tri-fold electric sofa, comes complete with a full 54"X 81" double bed and two three-point seatbelts, as well as supplying additional storage in the TV cabinet and below the pantry. The choice of floorplans is yours, but, at Pleasure-Way, we strive to ensure it is not an easy one!
