Adventures as colorful as the people you meet.
You hear it. Maybe it started from far away at first, but now it’s getting louder, more persistent. It’s the voice that’s nudging you toward new experiences — daring you to rekindle your spirit of adventure — telling you that now’s the time to live the life you’ve always dreamed about. And for all who hear it, Safari has a motorcoach just for you.

You see, the passion for adventure is at the heart of every coach we build. You feel it in the powerful performance of our big Caterpillar® engine and exclusive Roadmaster chassis. You find it in dozens of high-tech features and innovations. And you experience it in the unmatched livability of our plush, stylish interiors. Yes, these are just some of the things that make adventures in a Safari so alluring. And once you’ve heard the call, you’ll know it’s time to take a closer look.

Welcome to the 2004 Cheetah by Safari.
There’s more to owning a Safari motorcoach than just driving. There’s also the fun and camaraderie that comes from sharing your adventures with other Safari owners. Because, like you, they know life is to enjoy. And best of all, no matter where you go, you’re part of the Safari family. So, sit back and let the good times roll.
The 2004 Cheetah is a product of years of listening to our owners, taking their suggestions, and understanding the things that contribute to a superior RV experience.

This year, we’ve given the coach’s exterior a sleek new look, with smooth fiberglass sidewalls and deluxe full body paint. The front cap features a new contemporary look with integrated bumper and new headlamps. The coach also offers many attractive options, including chrome power heated remote mirrors, a rear ladder and a full-length Safari mud flap. Ready for an exciting new world of adventures? The Cheetah is ready to take you there in style.
ALL THE WAYS WE MAKE LIFE EASIER.

1. This central utility bay is conveniently located and gives you easy access to all your hook-up functions.

2. & 3. The powerful Onan® 6.5 kW LP generator (or optional Caterpillar® 8.0 kW diesel generator) is easily serviced thanks to this manual slide-out tray, located in the front of the coach.

EXPRESS YOURSELF WITH STYLE.

From coast to coast, Safari coaches are recognized by our distinctive optional wildlife murals. Each mural is hand-painted by Dame family craftsmen, and you have your choice of hundreds of designs. Or if you prefer, custom designs are also available.
As you enter the Cheetah, take a deep breath and slowly take in all the luxuries and conveniences that greet you. You’ll have your choice of four stunning interiors: Java, Shangri-La, Nassau and Stonecrest. And the beautiful cabinetry, in your choice of three different woods, gives the coach warmth and elegance. Other highlights we’d like to point out include beveled decorative mirrors, the plush carpeting, new optional day/night pleated shades in the living area and bedroom, and sleek tile flooring — or optional plank flooring (shown below).
This is where the journey begins — surrounded by the luxury of the Cheetah’s new dash console, featuring a stylish carbon fiber instrument panel. All the controls are within easy reach, and the high-tech amenities include a color rear vision system with audio, optional power sunvisors, 10-disc CD changer and Sirius satellite radio system (requires subscription).
In the galley, top-of-the-line appliances make even the simplest meal more fun, including the double-door refrigerator with ice maker option, the recessed three-burner cooktop and the versatile spacesaver convection microwave with multiple cook functions. You’ll appreciate the styling of the solid surface countertops, stainless steel sinks, and optional raised panel refrigerator doors, as well as the wood plank flooring in the kitchen and bathroom.
1. From rinsing vegetables to washing dishes, everything’s easier with our handy new pull-out faucet.

2. The bathroom is as roomy as it is attractive. You’ll appreciate the easy-to-clean solid surface countertop with integrated sink, as well as the medicine cabinet and handy towel bars. Most models feature a one-piece fiberglass shower with glass door and brass frame. And while a bathtub is standard on the 40DST, it’s an option on the other floorplans.

3. Beautifully coordinated bedspread, pillows and window treatments greet you in the bedroom. And you’ll find plenty of storage space for all your necessities, including a mirrored wardrobe, nightstands and a dresser with laminate top. Most models even have a built-in clothes hamper. You’ll also enjoy the 19” stereo color TV with remote, and you have the option of a convenient, timesaving combination washer/dryer.
For superior front-to-rear balance and overall performance, you can’t beat the Roadmaster RR4R. Roadmaster chassis are customized to the exact specifications of each Safari coach model and include many distinguishing features that make them the right chassis for your luxury motorhome.

- **Cushion Air Glide suspension** provides a smoother ride with excellent handling and cornering.
- The Cheetah’s rear-mounted aluminum radiator, charged air-cooler and external transmission cooler significantly increase cooling capacity.
- The SmartStructure basement truss system, combined with the raised rail chassis, provides greater strength and structural integrity while reducing weight and increasing storage capacity.
- **A larger, 34˝ spacing between the frame rails offers greater side-to-side stability.** The rails also widen in the rear of the coach to accommodate engine access.
- The full air brakes with Automatic Traction Control (ATC) eliminate wheel spin during acceleration, and the anti-lock braking system (ABS) maintains traction and steering when braking on slick surfaces.
- A PAC exhaust brake system allows the driver to use engine exhaust braking on long downhills, saving brake wear and enhancing safety.
- Dual fuel fills provide the convenience of filling the fuel tank from either side of the coach.
- A 10,000-lb. hitch receiver gives the coach powerful towing capacity.

### A whole new level of comfort.

This year, the coach features a new suspension system, designed especially for Safari. IPD sway bars in the front and rear help control body roll, while customized KONI adjustable shock absorbers may be fine-tuned to produce a damping action that’s most comfortable for you.

The SmartStructure steel truss system is engineered as part of the chassis, creating a strong foundation for your coach and providing large pass-through storage compartments. To ensure its longevity, the entire structure is pre-primed and coated with a rust inhibiting paint.
Even the toughest mountain climbs are a breeze, thanks to the Cheetah’s gutsy Caterpillar® 3126E/C7 330 HP diesel engine with Allison® 3000 MH 6-speed electronic transmission.
Showing our colors.
Our designers have created exquisite color combinations for your 2004 Cheetah. Now you get to choose the one that’s right for you.

Manufactured in, not added on. 3M Scotchgard™ Carpet Stain Release is applied during the carpet manufacturing process for a higher level of protection. Dupont Teflon® soil repellant is applied to virtually all upholstery fabric during the finishing process for superior coverage.*

*Brand and application of carpet or upholstery fabric protection may vary depending on date recreational vehicle was manufactured.
Due to the large variety of options and floorplan arrangements available to our customers, actual weights for each unit can differ significantly. Safari provides a weight sticker on each unit we produce which includes that unit’s tank capacities and approximate weight. Consult your local Safari dealer for unit availability and further information. The information printed in this brochure reflects product design, fabrication, and component parts at the date of printing. The manufacturer reserves the right, at any time, to make changes in product design or material or component specifications as its sole option, without notice. This includes the substitution of components of a different brand or trade name, which will result in comparable performance. All information printed in this brochure is subject to change after the date of printing. Some features shown or mentioned in this brochure are optional and may only be available in selected floorplans. Photographs may show props or decorations that are not standard equipment on Safari models. Safari, the Safari logo and its design, are registered trademarks. All other products and company names are trademarks and/or registered trademarks of their respective holders.

The color of the motorhome’s exterior and the interior fabrics depicted in this sales brochure are fair and reasonable depictions, the colors depicted may not be an exact match of the actual colors because of the variances in photo-processing and variances caused by inserting the photographs within the sales brochure. Due to product improvements, changes during the model year and/or transcription errors that may occur, information represented within this brochure may not be accurate at the time of your purchase. If certain information is significant to your purchasing decision, please confirm the information with your dealer prior to submitting your order.

The actual overall length of the recreational vehicle may differ from that indicated in the brochure due to variances in the manufacturing process and/or installed components. The actual length may be greater or less than that indicated.

* All tank capacities are estimated based upon calculations provided by the tank manufacturers and represent approximate capacities. The actual “usable capacity” may be greater or less than the estimated capacities based upon fabrication and installation of the tanks.

** Actual filled LP capacity is 80% of listing due to safety shut-off required on tank.
CHEETAH FEATURES AND OPTIONS

BODY CONSTRUCTION

**Standard Features**
- Aluminum Superstructure
- Steel Cage Cockpit Construction
- Peaked Aluminum Roof with Fiberglass Insulation
- Smooth Gel Coat Fiberglass Exterior Walls
- Front and Rear Molded Fiberglass Caps with Integrated Bumpers
- Laminated Structurwood™ Flooring with Aluminum Framing
- Power Step Well Cover
- Foam Insulated Underbelly with Luaun Backer
- Power Heated Remote Exterior Mirrors
- Baggage Doors with Integrated Single Handle Latches
- Wheel Mud Flaps
- Deluxe Full Body Paint
- Entry Step Storage

Options
- 3M® Film Front Mask
- Chrome Power Heated Remote Exterior Mirrors
- Mural
- Rear Ladder
- Full Length Safari Mud Flap

COCKPIT

**Standard Features**
- Fiberglass Automotive Dash with Carbon Fiber Instrumentation Panel
- CD Player with Six Speakers
- Multi-Positioned Sunvisors
- Rear Vision System with Audio Intermittent Windshield Wipers
- Tilt and Telescoping Steering Wheel
- Power Steering
- Dual Roof Mounted Air Horns
- Cup Holder
- Soft Touch Vinyl Pilot and Co-Pilot Seats with Six-Way Power Pilot Seat
- Carpet Driver and Passenger Floor Mats
- Adjustable Accelerator and Brake Pedals
- CB Prep with Antenna

Options
- Six-Way Power Co-Pilot Seat Power Sunvisors
- Ten-Disc CD Changer
- Sirius Satellite Radio System (Requires Subscription)

APPLIANCES AND ACCESSORIES

**Standard Features**
- CB Radio
- AM/FM Stereo Cassette (Deletes CD) (N/A with Sirius Option)

Polished Aluminum Wheels

* Your towed vehicle should be equipped with auxiliary brakes if the weight of the towed load exceeds 1,000 lbs.
Floorplans for the way you live.

With Cheetah’s six terrific floorplans, you’ll have only one problem — deciding which one you like best. And just wait until you see all the options. Like the Fabric Hide-A-Bed sofa, four-door refrigerator with ice maker, and booth dinette. Choosing the floorplan you want may not be easy, but you’ll have fun doing it — and even better, living it.
Over 1,800 combinations to map out your dream adventure.

Adventures worth sharing.

As a Safari owner, you’re entitled to join us throughout the year for rallies designed just for you. You’ll meet freedom-loving folks from across the country, all celebrating the adventure of the open road. In addition, you’ll enjoy sharing travel information and tips about your coach in our Safari Adventures magazine, published six times per year. And at www.safarimotorcoaches.com, you’ll find a world of information online, right at your fingertips.

Safari’s “Women’s Only” seminars provide the opportunity for us to get the feminine perspective, which helps us continue designing great motorcoaches.
When you purchase a coach from Safari, you become part of an industry-leading family of companies called Monaco Coach Corporation. What does that mean for you? It means you have access to a wider array of benefits. To begin with, your coach is built by a level of expertise that could only be achieved through the teamwork and combined experience of all our companies. Like, for example, such exclusive innovations as the Roadmaster chassis — designed specifically for each individual model of our diesel coaches. You also get the benefit of our White Glove factory inspection program, for a higher level of quality assurance and added peace of mind. And your dealer will be happy to tell you about our other innovative programs, including our Extended Care service agreements. Of course, once you’re on the road, you’ll have access to our nationwide network of more than 350 service facilities, meaning wherever you travel, you’re never far from a friend. Ready to roll? In a 2004 Safari, the strength of our entire family is behind you every mile of the way.
Everything but ordinary.
Every Safari comes with the ability to roam free.

There’s a spirit in the air. One that whispers freedom — gently urging you to break out and go exploring on your own terms. At Safari, our coaches are bred with a passion for adventure. Whether it takes you to remote mountain hideaways, winding coastal roads or simply across the Midwest to visit your kids. We’ve combined the very best in engineering and innovation to give you feature-packed coaches at some of the best values in the industry. But in the end, don’t just take our word for it. Visit a Safari dealer near you, and get a real taste of the adventure that lies ahead.
